Vatican City Las Vegas:

Vatican City, Las Vegas F. Rex, T. Wolfinger, 2008-04-01 In a Las Vegas casino fashioned after the Vatican author Thomas Carlyle is as good as dead Swilling a mortal dose of alcohol he will perish among the grotesque patrons of Vatican City Las Vegas as they pursue an elusive jackpot token called The Godhead Carlyle unwittingly bumbles through corporate mafia intrigue as Vatican City's management the Medici Crime Family plots to enslave all the casino patrons to dreams of eternal wealth As the night deepens and the forces of Vegas evil threaten to rob human existence of all nonmaterial significance Carlyle dreams a final reckoning that will bring the Medici Crime Family and all of Vatican City's managerial clergy to justice in a shocking cinematic twist Encyclopaedia of Hell Martin Olson, 2011-07-26 A tour de force of darkness

Encyclopaedia of Hell is a manual of Earth written by Lord Satan for his invading hordes of demons complete with hundreds of unpleasant illustrations diagrams and a comprehensive and utterly repulsive dictionary of Earth terms Since the customs and mores of humanity are alien and inconceivable to demons Satan wrote this strangely poetic military handbook for the enlightenment and edification of his demon armies A masterpiece expressing Satan's hatred for humanity and himself the Encyclopaedia includes Techniques of Stalking and Eating Humans Methods of Canning Human Pus and Dicing and Slicing Orphaned Children Why the invasion During the last century in particular Hell has become seriously overcrowded Satan needs more land mass for the damned and to use the human livestock to feed his hungry demon invaders Since this book is the 666th commemorative edition this Encyclopaedia contains special commemorative material Martin Olson's savage wit provides the firepower for a preposterous literary feat unaccomplished since Mark Twain passed channeling the real voice of Satan Over the past fifteen years Olson has written and produced nine comedy specials inflicted on the populace via CBS HBO Showtime Cinemax and A E *Skipping Towards Gomorrah* Dan Savage, 2003-09-30 In *Skipping Towards Gomorrah* Dan Savage

to the study of semiotics uses examples from 25 iconic locations in the United States From Coney Island to Las Vegas the World Trade Center to the Grand Canyon Berger shows how semiotics offers a different lens in understanding locations taken for granted in American culture He recasts Disneyland according to Freud channels the Mall of America through Baudrillard and sees Mount Rushmore through the lens of Gramsci A seasoned author of student texts Berger offers an entertaining non

threatening way to teach theory to undergraduates and that will fit ideally in classes on cultural studies American studies social theory and tourism The Red Kimono Lawrence Friedman,2020-03-15 Frank May's practice leans heavily to estate planning Murder cases are way out of his line But when his client Stanford law professor Peter Prosser is murdered Frank becomes deeply entangled in yet another violent death Prosser had been writing a detective novel Frank has the only copy of the manuscript minus the crucial last chapter Far from a literary masterpiece the novel features the thinly disguised members of the Soames family the family of Prosser's ex wife and even a character based on Frank himself Can this badly written novel tell us why Prosser died and who killed him Mysteriously real life events start paralleling events in the novel including a second murder a woman in the Soames household dressed in a red kimono is strangled in her room As Frank follows the trail it leads to a number of unlikely places including the cultural studies department of Stanford University and a wedding chapel in Las Vegas Maybe if he can endure reading the dead professor's novel he can solve the evolving mystery Part of the series The Frank May Chronicles by QP Books **Special Agent Man** Steve Moore,2012 For decades movies and television shows have portrayed FBI agents as fearless heroes leading glamorous lives but this refreshingly original memoir strips away the fantasy and glamour and describes the day to day job of an FBI special agent The book gives a firsthand account of a career in the Federal Bureau of Investigation from the academy to retirement with exciting and engaging anecdotes about SWAT teams counterterrorism activities and undercover assignments At the same time it challenges the stereotype of FBI agents as arrogant case stealing suit wearing stiffies by portraying the real people who carry badges and guns With honest self deprecating humor Steve Moore's narrative details his successes and his mistakes the trauma the job inflicted on his marriage his triumph over the aggressive cancer that took him out of the field for a year and his return to the Bureau with renewed vigor and dedication to take on some of the most thrilling assignments of his career

The Gospel of Matthew and Its Readers Howard

Clarke, 2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship's mainstream view of Matthew's Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew's readers rather than back to the text's composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew's messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible *EVERYBODY DOES BUSINESS* Harry

Brooks, 2013-08 Harry was born and raised in Philadelphia He always had a penchant for writing and during his business career he was a frequent contributor to both trade and financial publications After retiring from his business in 1989 he wrote his first novel Since then he has written five other novels and one unproduced screenplay He presently writes for a local monthly publication Harry and his wife live in suburban Philadelphia Praise for Harry Brook's Novel A Family Secret I'm always fascinated at the way a book translates into a film but the more I get into this one the more it becomes a living thing Things begin to play on multiple levels characters take on different depth and dimension and scenes create and recreate themselves Yabo Yabionsky Screenwriter Director Hollywood California You cannot be neutral about the characters in Harry Brook's novels You love them hate them wish them away or want more of them Having worked with many novelists over the past fifteen years I can honestly say Harry Brooks has his own style He is a very good writer Jay Berger Circulation Management Associates Springfield Massachusetts
