*The Dream of Death* Divine Lord Sekhem,2020-03-30 If the glamor life of Street Dreams is your destination then this story will take your mind on a journey through the dark world of the streets where tragic nightmares will awaken you if you are ready for Spiritual Enlightenment The Dream of Death is an urban story of love and friendship in a world where the only loyalty is to money and the American Dream Climbing the ladder of success sometimes involves crime and the destruction of relationships friendships and family In this story selfish desires devours love Greed violates bonds of trust Money and Power motivates murder In a dark world of materialism and selfish desires only spiritual knowledge can lead one into the light of True Peace and Happiness This story will vivify the reality of those who seek love peace and happiness but experience tragedy as they chase their Dreams *Wake up Black Man and Black Woman* Alpha Omega Riddick,2010-07-08 Black people of America we need to stop reading books about thug life and street life We need to read books that will open our minds to ideas and issues that will help us and our families and the future of black generations of this country Black people of America we were here before most of the other nationalities that are here now We should be in a much better financial situation than we are in now Most of us are at the bottom or near the bottom of the economic scale as a whole We have to learn from the foreigners that stick together and open up businesses in our community Plus we have to stop giving our hard earned money to other nationalities and none to ourselves in a way we are still slaves I wrote this book to inspire Black Americans to open there eyes to the positive changes we need to make to help our families and future black generations in America This book shows how we are living compared to other nationalities in America as well as the factors that are holding us back as a whole We must remember our ancestors and the sacrifices they made when they were slaves They were the strongest people in the world and we are their descendants I feel they were superhuman beings to make that trip from Africa to America We as black Americans have that same ability in us to survive Remember we are the alpha race We need to wake up and stop hitting the snooze button May God bless this book and everyone that reads it When Somebody Loves You Back Mary B. **Can't Stop Won't Stop** Jeff Chang, 2007-04-01 Can't Stop Won't Stop is a powerful cultural and social history of the end of the American century and a provocative look into the new world that the hip hop generation created. Forged in the fires of the Bronx and Kingston, Jamaica, hip hop became the Esperanto of youth rebellion and a generation-defining movement. In a post-civil rights era defined by deindustrialization and globalization, hip hop crystallized a multiracial, polycultural generation's worldview and transformed American politics and culture. But that epic story has never been told with this kind of breadth, insight, and style. Based on original interviews with DJs, b-boys, rappers, graffiti writers, activists, and gang members, with unforgettable portraits of many of hip hop's forebears, founders, and mavericks, including DJ Kool Herc, Afrika Bambaataa, Chuck D, and Ice Cube, *Can't Stop Won't Stop* chronicles the events, the ideas, the music, and the art that marked the hip hop generation's rise from the ashes of the 60s into the new millennium. Through Poetry Jeffery Sanders, 2011-07-21 This Book of Poetry is an offering of the Soul of Jeffery A. Sanders Sr. aka Cali. Jeffery says, "I wrote this book to simply say what people are unable or afraid to say. I believe we, as Men and Women, were fashioned in the image of Our Creator. We are a vital part of God's Love and Beauty. Spending time with God is the most important thing we can do each day. In my Poetry, I share what I believe that God has given me. God's word gives us proper perspectives to discover who He is, with encouragement to let Him evolve in our lives. Through my Beliefs, I have come to know LOVE on a whole new level. The world needs our Light. It needs our Love. Every Man, Woman, and Child needs our Love."

A Little Bit of My Every Thought Mark Stevens, 2012-11 Just looking back on when I started writing it is truly amazing. I remember my first paper entitled "Encouragement." I remember trying to bring a group together which I called "Networking Friends Network." That is when I thought of instead of just having a regular flyer, I thought of the idea of inspiring people with positive thoughts on my flyer. After that point on, I continued to write encouraging papers. I noticed the papers started to increase to the point that I decided to create a book of my writings called *A Little Bit of My Every Thought*. I am truly happy at the response that I have received from people. Mrs. Martha Parker, a wonderful person and close family friend, told me that my writing made her look at her own life differently. I plan to continue inspiring and motivating people. I believe that life should be as pleasant as possible despite life's challenges. One way that people can be happy is by helping others. Remember, it is always more blessed to give than to receive. *Ebony*, 1995-02 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American focused magazine.
