Walking with God John Eldredge, 2010-09-19 This is a series of stories of what it looks like to walk with God over the course of about a year So begins a remarkable narrative of one man s journey learning to hear the voice of God The details are intimate and personal The invitation is for us all What if we could hear from God often What difference would it make We have a lot to sort through on any given day A whole lot to navigate over the course of a week or a month Am I in the right place The right relationships How am I going to come up with enough money to do the things I want to do And what about love is this the one Will it last What is causing all those fears I keep pushing down inside Why can t I overcome those habits that look more and more like addictions Am I at the right church Should I even go to church What is God doing in my life All day long we are making choices It adds up to an enormous amount of decisions in a lifetime How do we know what to do We have two options We can trudge through on our own doing our best to figure it all out Or we can walk with God As in learn to hear his voice Really We can live life with God He offers to speak to us and guide us Every day It is an incredible offer To accept that offer is to enter into an adventure filled with joy and risk transformation and breakthrough And more clarity than we ever thought possible

Just Do Something Kevin L. DeYoung,2009-04-01 Hyper spiritual approaches to finding God's will don't work It's time to try something new Give up Pastor and author Kevin DeYoung counsels Christians to settle down make choices and do the hard work of seeing those choices through Too often he writes God's people tinker around with churches jobs and relationships worrying that they haven't found God's perfect will for their lives Or even worse they do absolutely nothing stuck in a frustrated state of paralyzed indecision waiting waiting waiting for clear direct unmistakable direction But God doesn't need to tell us what to do at each fork in the road He's already revealed his plan for our lives to love him with our whole hearts to obey His Word and after that to do what we like No need for hocus pocus No reason to be directionally challenged Just do something

The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who'd served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don't end up a walking statistic
