Stephen Foster

Walking Ollie Stephen Foster:

Walking Ollie Stephen Foster, 2008-07-01 Britain's answer to Marley and Me the hilarious and heartwarming international bestseller about learning to live with a troublesome dog Like many first time pet owners London based novelist Stephen Foster was upbeat as he began his search for a puppy to adopt How hard can it be to take care of a dog he thought read a guidebook or two buy a few supplies and get on with it But all the books and supplies in the world couldn't have prepared him for life with Ollie a willful and moody adopted dog who quickly demonstrated his displeasure at the notion of being told what to do *Walking Ollie* tells the funny and charming story of how a growling skittish man and his equally growling skittish dog broke each other in came to see eye to eye and decided to become best friends *Walking Ollie* Stephen Foster, 2006 What's a man to do when his dog plays hard to get *And She Laughed No More* Stephen Foster, THE ESTATE OF STEPHEN FOSTER, 2011-09-01 The Premiership is not all glamour particularly not now Stoke City the ugly ducklings are involved In 2008 Stoke City managed to grind their way into the Promised Land of the Premiership Under the uncompromising guidance of manager Tony Pulis they were never going to be pretty to watch Lifetime Stoke supporter Stephen Foster describes a club with a chip on its brawny shoulders whose tactics were built around heroic defiance of superstars earning 150 grand a week and of course Rory Delap's long throw *And She Laughed No More* the sequel to Foster's bestselling *She Stood There Laughing* chronicles the blood sweat tears and triumphs of an unlikely season when the Potters were rescued from their lower league nightmare and transported to the Theatre of Dreams at Old Trafford where they lost 5 0

Dog's Best Friend? John Sorenson, Atsuko Matsuoka, 2019-11-14 In almost 40 per cent of households in North America dogs are kept as companion animals Dogs may be man's best friends but what are humans to dogs If these animals loyalty and unconditional love have won our hearts why do we so often view closely related wild canids such as foxes wolves and coyotes as pests predatory killers and demons Re-examining the complexity and contradictions of human attitudes towards these animals *Dog's Best Friend* looks at how our relationships with canids have shaped and also been transformed by different political and economic contexts Journeying from ancient Greek and Roman societies to Japan's Edo period to eighteenth century England essays explore how dogs are welcomed as family consumed in Asian food markets and used in Western laboratories Contributors provide glimpses of the lives of street dogs and humans in Bali India Taiwan and Turkey and illuminate historical and current interactions in Western societies The book delves into the fantasies and fears that play out in stereotypes of coyotes and wolves while also acknowledging that events such as the Wolf Howl in Canada's Algonquin Park indicate the emergence of new popular perspectives on canids Questioning where canids belong how they should be treated and what rights they should have *Dog's Best Friend* reconsiders the concept of justice and whether it can be extended beyond the limit of the human species

Fetchng Dylan Stephen Foster, 2009-06-02 Skittish man meets skittish dog again in the hilarious and heartwarming sequel to the acclaimed *Walking Ollie* Just when he thought it was safe to walk

in the park again novelist and reluctant dog owner Stephen Foster had the crazy notion that skittish but now functioning puppy Ollie introduced in Foster's *Walking Ollie* could use a playmate Enter Dylan another quirky pup with a thing against humans This delightful and witty story is a treat for dog lovers fans of literate British humor and anyone who can relate to the neurotic misanthrope at the end of a difficult dog's leash

Along Came Dylan: Two's a Crowd When You've Been Top Dog Stephen Foster, *THE ESTATE OF STEPHEN FOSTER*, 2008-10-02 Ollie was just about cured of his basketcase habits the neurotic lurcher at last appeared to have his paws planted firmly on the ground well almost But did Stephen Foster take a well earned rest Not He decided one thing was missing from Ollie's life someone who could really understand him a friend with whom he could have dog to dog chats If you must get another dog get a girl the experts told Foster So he got a boy a pure bred Saluki lunatic called Dylan As soon as the new puppy peered through the door Ollie threw his master a look of contemptuous disbelief that said I refuse to have anything whatsoever to do with this You're on your own pal The riotously funny *Along came Dylan* takes up where Foster's bestselling *Walking Ollie* left off but instead of one canine conundrum he's got two Dylan the outlaw proves to be virtually untrainable Ollie feeling threatened becomes increasingly antisocial and Foster is caught in the middle wondering why man's best friends can't just be friends
