Warhol Victor Bockris:

The Life and Death of Andy Warhol Victor Bockris, 1998 **Warhol** Victor Bockris, 2009-04-29 Artist filmmaker magazine publisher instigator of Pop Art Andy Warhol 1928-1987 used his canvasses of dollar bills soup cans and celebrities to subvert distinctions between high and popular culture His spectacular career encompassed the underground scene as well as the equally deviant worlds of politics show business and high society Warhol is the definitive chronicle of Warhol's storied life The Burroughs-Warhol Connection Victor Bockris, 2024-12 The Burroughs Warhol Connection revolves around four meetings between William S Burroughs and Andy Warhol in 1980 Its author Victor Bockris was a friend and collaborator of both men and attempted to bring them together for a series of interviews The results were comical absurd and brilliant The two never quite seemed capable of connecting yet somehow a bond was formed and they came to like and respect one another Bockris has collected the interviews he recorded which are punctuated by visits from Mick Jagger Lou Reed David Bowie Debbie Harry and other luminaries mixed them with excerpts from his journals and gathered one hundred photographs and collages There are also reflective essays from Bockris and Jed Birmingham The book is a collage a cut up a constellation It is a vital and beautiful document of the connection and missed connections between two of the most important minds of the last century It also features a long brilliant interview with Bockris conducted by Leon Horton a frequent contributor to *Beatdom* and editor of the recently published *Ten Times a Poet* *Conversations* Victor Bockris, 2014 Durant l'année 1980 Victor Bockris a enregistré quatre rencontres entre William Burroughs et Andy Warhol Des rencontres informelles qui eurent lieu à la Factory et dans des restaurants new yorkais Le pape du pop art et la figure de la Beat Generation avaient forcément des choses à se dire Il prétend que c'est Andy Warhol qui lui a appris mener une interview Son conseil Ne prépare jamais tes questions Fais comme si il s'agissait d'un cocktail *With William Burroughs* William S. Burroughs, Victor Bockris, 1996-11-15 William Burroughs the eccentric brilliant artist who burned a bridge with logic and wrote the classic *Naked Lunch* continues to fascinate readers Now the artist's long time friend writer Victor Bockris records for all objective time the choice private and public hallucinatory and prescient utterances of Burroughs and his famous circle 60 photos Beat Punks Victor Bockris, 2000-11-30 Here accompanied by dozens of unique photographs are the very best of Victor Bockris's infamous interviews essays and observations on the stars of downtown Manhattan in the 1970s and 1980s The internationally acclaimed biographer Bockris was there as a witness friend collaborator and co-conspirator Some of the stars were founding members of Beat or Punk others were just passing through But all of them rockers rebels artists and intellectuals revealed more to Bockris than they did to any other writer Allen Ginsberg Richard Hell Andy Warhol Robert Mapplethorpe Debbie Harry William Burroughs Patti Smith Marianne Faithfull Keith Richards Terry Southern Martin Amis and Susan Sontag Bockris's conclusion that Punk owed the Beats a big debt and that the Beats were in turn re-animated by the Punks is argued from the perspective of someone who was in the thick of it and who loved every

minute of it *Conversations* Andy Warhol, Victor Bockris, William Seward Burroughs, 2012-10-01 Durant l'année 1980 Victor Bockris a organisé et enregistré quatre rencontres entre William Burroughs et Andy Warhol. Des rencontres informelles qui eurent lieu à la Factory et dans des restaurants new yorkais. Le pape du Pop Art et la figure de la Beat Generation avaient forcément des choses à se dire. Warhol et Burroughs au cours de ces quatre rendez-vous vont faire ensemble le tour de la Factory, discuter l'œuvre que Warhol vient d'achever, parler de tout, de rien, de culture, de sexe, d'amour, de drogues et de vodka-tonic. Parfois leur table d'autres personnalités de passage s'invitent. C'est ainsi que Mick Jagger apparaît en guest star de luxe. Agrément d'une cinquantaine de photos Warhol Burroughs *Conversations* balaie largement le paysage culturel, capte l'ambiance, l'effervescence de ce début de la décennie 1980 et témoigne d'une amitié naissante, d'une complicité entre ces deux grandes figures de la culture américaine. Victor Bockris est journaliste, il a accompagné Andy Warhol dans l'aventure de la Factory et a écrit de nombreux ouvrages et articles sur cette période et ses principaux protagonistes Lou Reed, Warhol, entre autres. Il prétend que c'est Andy Warhol qui lui a appris mener une interview. Son conseil : Ne prépare jamais tes questions. Fais comme si tu agissais d'un cocktail.

Warhol's Working Class Anthony E. Grudin, 2017-10-20 This book explores Andy Warhol's creative engagement with social class. During the 1960s, as neoliberalism perpetuated the idea that fixed classes were a mirage and status an individual achievement, Warhol's work appropriated images, techniques, and technologies that have long been described as generically American or middle class. Drawing on archival and theoretical research into Warhol's contemporary cultural milieu, Grudin demonstrates that these features of Warhol's work were in fact closely associated with the American working class. The emergent technologies Warhol conspicuously employed to make his work—home projectors, tape recorders, film and still cameras—were advertised directly to the working class as new opportunities for cultural participation. What's more, some of Warhol's most iconic subjects—Campbell's soup, Brillo pads, Coca-Cola—were similarly targeted since working class Americans, under threat from a variety of directions, were thought to desire the security and confidence offered by national brands. Having propelled himself from an impoverished childhood in Pittsburgh to the heights of Madison Avenue, Warhol knew both sides of this equation: the intense appeal that popular culture held for working class audiences and the ways in which the advertising industry hoped to harness this appeal in the face of growing middle class skepticism regarding manipulative marketing. Warhol was fascinated by these promises of egalitarian individualism and mobility, which could be profound and deceptive, generative and paralyzing, charged with strange forms of desire. By tracing its intersections with various forms of popular culture, including film, music, and television, Grudin shows us how Warhol's work disseminated these promises while also providing a record of their intricate tensions and transformations.

Andy Warhol's Factory People Catherine O'Sullivan Shorr, 2018-09-18 Based on the television documentary, *A three-part oral history of the Pop Art sensation's inner circle and their dazzling world of art, drugs, and drama*. Featuring a new introduction by the author, special to this collection, this three-part companion volume to Emmy Award-winning Catherine O'Sullivan Shorr's documentary *Andy Warhol*

s Factory People is an unprecedented expos of an exhilarating and tumultuous time in the 1960s New York City art world told by the artists actors writers musicians and hangers on who populated and defined the Factory Different in its avowed bottom up approach Warhol as a function of his followers is the idea This time it s the interviews that tell the tale Robert Lloyd Los Angeles Times Welcome to the Silver Factory In 1962 frustrated with advertising work Warhol sets up his legendary studio in an abandoned hat factory on Manhattan s 47th Street The Silver Factory quickly becomes the hub of Warhol s creative endeavors the space where he constantly works while an ever changing cast of characters and muses passes through with their own contributions Speeding into the Future In a peak period from 1965 through 1966 Warhol creates the notion of the It Girl with ingenuous debutante Edie Sedgwick discovers Lou Reed the Velvet Underground and Nico the gorgeous chanteuse who becomes his next It Girl and directs with Paul Morrissey his most commercially successful film the art house classic Chelsea Girls Your Fifteen Minutes Are Up By 1967 it seems that the Factory has outlived its fifteen minutes of fame Superstars like Edie Sedgwick fall victim to drugs Factory denizens have falling outs with Warhol as do the Velvet Underground who are also caught up in disputes of their own Into the chaos comes radical feminist Valerie Solanas who shoots Warhol and seriously injures him He survives barely but the artist and his art are forever changed *Transformer: The Complete Lou Reed Story: Free Sampler* Victor Bockris,2014-10-23 A triumph Time Out Transformer is the only complete and comprehensive telling of the Lou Reed story

Whispering the Secrets of Language: An Mental Journey through **Warhol Victor Bockris**

In a digitally-driven world wherever monitors reign supreme and immediate connection drowns out the subtleties of language, the profound secrets and emotional nuances concealed within phrases frequently get unheard. Yet, nestled within the pages of **Warhol Victor Bockris** a charming literary treasure pulsating with natural emotions, lies a fantastic quest waiting to be undertaken. Composed by an experienced wordsmith, that charming opus encourages visitors on an introspective trip, delicately unraveling the veiled truths and profound influence resonating within the very material of each and every word. Within the mental depths of the poignant review, we shall embark upon a sincere exploration of the book is primary themes, dissect their fascinating publishing fashion, and fail to the effective resonance it evokes serious within the recesses of readers hearts.
