Warriors of Old Japan and Other Stories Ozaki Yei Theodora, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Warriors of Old Japan and Other Stories (1909)* Yei Theodora Ozaki, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work Warriors of Old Japan Yei Theodora Ozaki, 2019-02-18 I have invented none of these stories They are taken from many different sources and in clothing them with an English dress my work has been that of adapter rather than translator In picturesqueness of conception Japanese stories yield the palm to none And they are rich in quaint expressions and dainty conceits But they are apt to be written in a style almost too bald This defect the professional story teller remedies by colouring his story as he tells

it In the same way I have tried to brighten the rather bare structure of a story where it seemed to need such treatment with touches of local colour in order to give emphasis to the narrative and at the same time make the story more attractive to the foreign reader Whether I have succeeded or not the reader must judge for himself I shall be satisfied if in some small measure I have been able to do for Japanese folklore what Andrew Lang has done for folklore in general and if the tales in their English dress are found to retain the essential features of Japanese stories *Warriors of Old Japan* Yei Theodora Ozaki,2017-09-18 Excerpt from *Warriors of Old Japan And Other Stories* And if the tales in their English dress are found to retain the essential features of Japanese stories About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Warriors of Old Japan and Other Stories - the Original Classic Edition* Yei Theodora Ozaki,2013-03-01 Finally available a high quality book of the original classic edition of *Warriors of Old Japan and Other Stories* It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work by Yei Theodora Ozaki which is now at last again available to you Get the PDF and EPUB NOW as well Included in your purchase you have *Warriors of Old Japan and Other Stories* in EPUB AND PDF format to read on any tablet eReader desktop laptop or smartphone simultaneous Get it NOW Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside *Warriors of Old Japan and Other Stories* Look inside the book So I will say before going any further into the subject of this sketch that if I were asked to single out the person who to day most truly apprehends the points of contact and divergence in the thought of East and West I would name the gentle dark eyed lady who is the light of an ancient house in the loveliest part of Tokyo a spot where as she sits under the great pines of her garden she can hear the long Pacific rollers breaking on the white beaches of Japan and listen to the wind as it murmurs its haunting songs of other homes in distant lands where she is known and loved When Yoshitomo who was now supporting Kiyomori though later on he left the Taira chief heard of his brother Tametomo s doings he said Tametomo may be a daredevil and boast of his skill as an archer but he will surely not take up his bow and arrow against the person of his elder brother and he took Kiyomori s place at the South Gate of the Palace which Tametomo was guarding About Yei Theodora Ozaki the Author She was the daughter of Baron Ozaki one of the first Japanese men to study in the West and Bathia Catherine Morrison daughter of William Morrison one of their teachers Over the years she traveled back and forth between Japan and Europe as her employment and family duties took her and lived in places as diverse as Italy and the drafty upper floor of a Buddhist temple *Warriors of Old Japan* Ozaki Yei
