Was It A Good Trade:

One Good Trade Mike Bellafiore, 2010-07-02 An inside look at what it really takes to become a better trader A proprietary trading firm consists of a group of professionals who trade the capital of the firm Their income and livelihood is generated solely from their ability to take profits consistently out of the markets The world of prop trading is mentally and emotionally challenging but offers substantial rewards to the select few who can master this craft called trading In *One Good Trade* Inside the Highly Competitive World of Proprietary Trading author Mike Bellafiore shares the principles and techniques that have enabled him to navigate the most challenging of markets over the past twelve years He explains how he has imparted those techniques to an elite desk of traders at the proprietary trading firm he co founded In doing so he lifts the veil on the inner workings of his firm shedding light on the challenges of prop trading and insight on why traders succeed or fail An important contribution to trading literature the book will help all traders by Emphasizing the development of skills that are critical to success such as the fundamentals of *One Good Trade* Reading the Tape and finding Stocks In Play Outlining the factors that really make the difference between a consistently profitable trader and one who underperforms Sharing entertaining hysterical and page turning stories of traders who have excelled or failed and why many trained by the author with an essential trading principle wrapped inside Becoming a better trader takes discipline skill development and statistically profitable trading strategies and this book will show you how to develop all three [Summary of Mike Bellafiore's One Good Trade](#) Everest Media, 2022-05-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Proprietary trading is the most exciting part of Wall Street that no one pays attention to It is not a bailed out government bank a broker dealer or a hedge fund though it does run on some of the same core principles 2 Proprietary trading is done for the benefit of the company s partners and employees only not for the benefit of any client The firm is the client Some prop traders make big profits quickly but many are unable to thrive in an unbending universe 3 At a proprietary trading firm the trader makes all the decisions The success of the trade is completely dependent on your trading ability If you are correct the firm and you make money 4 As a prop trader you never know when you are going to enter a market that rains money The market had shrugged off every piece of negative news since 2009 when SPY traded at 70 so Steve advised that if SPY held above 109 10 this would be a signal that Dubai was just another piece of news the market would likely ignore **Board of Trade Journal** ,1914 *Daily Consular and Trade Reports* ,1913 **Morgan's British Trade Journal and Export Price Current** ,1881 [Merchants Trade Journal](#) ,1914 [Investigation of Communism in New York City Distributive Trades](#) United States.
