Christina Marie Serafina decided a long time ago that her loving but paternalistic family wasn't going to determine the course of her life. She has no desire to get mixed up in any of the illegal businesses her family owns. She's earned a Masters in Business and Communications on her own dime and just landed her dream job as Director of Marketing for an up and coming business. Marriage and a family aren't in her game plan right now. When her grandfather announces that he's arranged a marriage for her with a good Italian man, Christina goes ballistic. She's marrying a man of her own choosing, not some member from another crime family. Urged by her sister to at least check the guy out, she goes to his family's bar to confirm her suspicions. Except she meets a handsome biker that knows exactly how to send her body into overdrive. Realizing the hunky man is the one her grandfather wants her to marry, she sends her into flight mode even though he haunts her dreams. Can Saks convince the woman of his dreams to look past his family connections and take a chance on a lowly motorcycle mechanic? And if he does, can he look past hers?
