Whats Good For Business Business And American Politics Since World War II:

What's Good for Business: Business and American Politics since World War II Kim Phillips-Fein, Julian E.

Zelizer, 2012-03-13 This volume showcases the most exciting new voices in the fields of business and political history While the media frequently warns of the newfound power of business in the world of politics the authors in this book demonstrate that business has mobilized to shape public policy and government institutions as well as electoral outcomes for decades Rather than assuming that business influence is inevitable the chapters explore the complex evolution of this relationship in a wide range of different arenas from attempts to create a corporate friendly tax policy and regulations that would work in the interests of particular industries to local boosterism as a weapon against New Deal liberalism to the nexus between evangelical Christianity and the oil industry to the frustrations that business people felt in struggles with public interest groups The history that emerges show business actors organizing themselves to affect government in myriad ways sometimes successfully but other times with outcomes far different than they hoped for The result in an image of American politics that is more complex and contested than it is often thought to be The essays represent a new trend in scholarship on political economy one that seeks to break down the barriers that once separated old subfields to offer a vision of the economy as shaped by politics and political life influenced by economic relationships Billy Graham Andrew Finstuen, Grant

Wacker, Anne Blue Wills, 2017-05-24 Billy Graham stands among the most influential Christian leaders of the twentieth century Perhaps no single doctrine practice political position or preacher has united the sprawling and diverse world of evangelicalism like Billy Graham Throughout his six decade career Graham mainstreamed evangelicalism and through that tradition brought about major changes to American Christianity global Christianity church and state the Cold War race relations American manhood intellectual life and religious media and music His life and career provide a many paned window through which to view the history and character of our present and recent past Billy Graham American Pilgrim offers groundbreaking accounts of Graham s role in shaping these phenomena Graham stayed true to evangelical precepts yet journeyed to positions in religion politics and culture that stretched his tradition to its limits This book s distinguished contributors capture Graham s evolution and complexity Like most people he grew in fits and starts But Graham s growth occurred on an international stage influencing the world around him in ways large and small This book delves into this influence going beyond conventional subjects and taking a fresh and nuanced look at the complex life and legacy of one of the most important figures of the last century Capitalism Contested Romain Huret, Nelson Lichtenstein, Jean-Christian

Vinel, 2020-12-11 In the historical narrative that prevails today the New Deal years are positioned between two equally despised Gilded Ages the first in the late nineteenth century and the second characterized by the world of Walmart globalization and right wing populism in which we currently live What defines these two ages is an increasing level of inequality legitimized by powerful ideologies namely Social Darwinism at the end of the nineteenth century and neoliberalism

today In stark contrast the era of the New Deal was first and foremost an attempt to put an end to inequality in American society In the historical longue dur e it appears today as a kind of golden age when policymakers and citizens sought to devise solutions to the two major questions labor on one side social on the other that were at the heart of the American political economy during the twentieth century Capitalism Contested argues that the New Deal order remains an effective framework to make sense of the transformation of American political economy over the last hundred years Contributors offer an historicized analysis of the degree to which that political economic and ideological order persists and the ways in which it has been transcended or even overthrown The essays pay attention not only to those ideas and social forces hostile to the New Deal but to the contradictions and debilities that were present at the inauguration or became inherent within this liberal impulse during the last half of the twentieth century The unifying thematic among the essays consists not in their subject matter politics political economy social thought and legal scholarship are represented but in a historical quest to assess the transformation and fate of an economic and policy order nearly a century after its creation Contributors Kate Andrias Romain Huret William P Jones Nelson Lichtenstein Nancy MacLean Isaac William Martin Margaret O Mara K Sabeel Rahman Timothy Shenk Elizabeth Tandy Shermer Jason Scott Smith Samir Sonti Karen M Tani Jean Christian Vinel *Labor in the Age of Finance* Sanford M. Jacoby, 2021-06 From award winning economic historian Sanford M Jacoby a fascinating and important study of the labor movement and shareholder capitalism Since the 1970s American unions have shrunk dramatically as has their economic clout *Labor in the Age of Finance* traces the search for new sources of power showing how unions turned financialization to their advantage Sanford Jacoby catalogs the array of allies and finance based tactics labor deployed to stanch membership losses in the private sector By leveraging pension capital unions restructured corporate governance around issues like executive pay and accountability In Congress they drew on their political influence to press for corporate reforms in the wake of business scandals and the financial crisis The effort restrained imperial CEOs but could not bridge the divide between workers and owners Wages lagged behind investor returns feeding the inequality identified by Occupy Wall Street And labor s slide continued A compelling blend of history economics and politics *Labor in the Age of Finance* explores the paradox of capital bestowing power to labor in the tumultuous era of Enron Lehman Brothers and Dodd Frank **Jimmy Carter and the Birth of the Marathon Media Campaign** Amber Roessner, 2020-05-20 With the rise of Jimmy Carter a former Georgia governor and a relative newcomer to national politics the 1976 presidential election proved a transformative moment in U S history heralding a change in terms of how candidates run for public office and how the news media cover their campaigns Amber Roessner s *Jimmy Carter and the Birth of the Marathon Media Campaign* chronicles a change in the negotiation of political image craft and the role it played in Carter s meteoric rise to the presidency She contends that Carter s underdog victory signaled a transition from an older form of party politics focused on issues and platforms to a newer brand of personality politics driven by the manufacture of a political image Roessner offers a

new perspective on the production and consumption of media images of the peanut farmer from Plains who became the thirty ninth president of the United States Carter s miraculous win transpired in part because of carefully cultivated publicity and advertising strategies that informed his official political persona as it evolved throughout the Democratic primary and general election campaigns To understand how media relations helped shape the first post Watergate presidential election Roessner examines the practices and working conditions of the community of political reporters public relations agents and advertising specialists associated with the Carter bid She draws on materials from campaign files and strategic memoranda radio and TV advertisements news and entertainment broadcasts newspaper and magazine coverage and recent interviews with Carter prominent members of his campaign staff and over a dozen journalists who reported on the 1976 election and his presidency With its focus on the inner workings of the bicentennial election Jimmy Carter and the Birth of the Marathon Media Campaign offers an incisive view of the transition from the yearlong to the permanent campaign from New Deal progressivism to New Right conservatism from issues to soundbites and from objective news analysis to partisan commentary

The Routledge History of Twentieth-Century United States Jerald Podair,Darren Dochuk,2018-05-02 The Routledge History of the Twentieth Century United States is a comprehensive introduction to the most important trends and developments in the study of modern United States history Driven by interdisciplinary scholarship the thirty four original chapters underscore the vast range of identities perspectives and tensions that contributed to the growth and contested meanings of the United States in the twentieth century The chronological and topical breadth of the collection highlights critical political and economic developments of the century while also drawing attention to relatively recent areas of research including borderlands technology and disability studies Dynamic and flexible in its possible applications The Routledge History of the Twentieth Century United States offers an exciting new resource for the study of modern American history

Corporations and Citizenship Greg Urban,2014-05-26 President Theodore Roosevelt once proclaimed Great corporations exist only because they are created and safeguarded by our institutions and it is therefore our right and duty to see that they work in harmony with those institutions But while corporations are ostensibly regulated by citizens through their governments the firms in turn regulate many aspects of social and political life for individuals beyond their own employees and the communities that support them Corporations are endowed with many of the same rights as citizens such as freedom of speech but are not themselves typically constituted around ideals of national belonging and democracy In the wake of the global financial collapse of 2008 the question of what relationship corporations should have to governing institutions has only increased in urgency As a democratically sanctioned social institution should a corporation operate primarily toward profit accumulation or should its proper goal be to provision society with needed goods and services Corporations and Citizenship addresses the role of modern for profit corporations as a distinctive kind of social formation within democratic national states Scholars of legal studies business ethics politics history and anthropology bring their

perspectives to bear on particular case studies such as Enron and Wall Street as well as broader issues of belonging social responsibility for profit higher education and regulation Together these essays establish a complex and detailed understanding of the ways corporations contribute positively to human well being as well as the dangers that they pose

Resisting Reagan Joe J. Ryan-Hume, 2025-06-10 Liberalism is at a crossroads It will either evolve to meet the issues of the 1980s or it will be reduced to an interesting topic for Ph D writing historians So stated the young Massachusetts Senator Paul Tsongas in June 1980 in the keynote address before the liberal organization Americans for Democratic Action Tsongas s statement was a bracing critique of the liberal establishment and a call to creative action in the face of the new economic social and political realities that had engulfed the country since the 1960s While liberal leadership failed to pivot enough to maintain the presidency many were shocked by and dismissive toward Tsongas s message Ronald Reagan s election forced Democrats to change their approach According to a widespread consensus the country during the Reagan era moved inexorably to the Right as liberalism experienced a sustained period of decline and marginalization On this view an increasingly dominant conservative movement overwhelmed New Deal liberalism and forced Democrats to retreat or accommodate the new conservative order Drawing on a wealth of archival research Joe J Ryan Hume argues that liberalism had far more success during this period than historical orthodoxy would suggest Ryan Hume examines how grassroots liberal organizations such as NOW NARAL and the Leadership Conference on Civil Rights reformed their strategies in the wake of the Reagan Revolution to remain influential By focusing on the nexus of grassroots activism political ideology and party politics *Resisting Reagan* reveals the complex reorientation of liberalism and the Democratic Party in the 1980s In doing so it illuminates how the changing activist and electoral coalition reshaped the Democratic Party s political priorities how liberal grassroots organizations creatively advanced their policy objectives and how liberals pragmatically brokered legislation to protect or advance liberalism in an increasingly anti government environment Liberals survived the Reagan era according to Ryan Hume by changing tone instead of substance building powerful coalitions and designing new strategies to exploit emerging trends By looking at 1980s politics from the bottom up *Resisting Reagan* offers a surprising view at a period that offers lessons for today

The "Disguised" Political Film in Contemporary Hollywood Betty Kaklamanidou, 2018-04-19 With strict guidelines on methodology and time frame films produced after September 2001 and a socio semiotic theoretical framework Betty Kaklamanidou unpacks the problematic terms and ideas that go along with defining a new genre Kaklamanidou considers a different sub genre per chapter placing each group of films in their socio historical context to reach conclusions about the production of political films in millennial Hollywood In shifting the terms of the debate *The Disguised Political Film in Contemporary Hollywood* offers a fresh new

approach to the subject of the political film The political film is not a clearly delineated object but rather an elusive one and resistant to clear boundaries So what is a political film Can The Hunger Games 2012 belong to the same category as Lincoln 2012 Is Jarhead 2005 a political movie simply because it is set during the Gulf War but with no reference to the motives of the conflict and or American and Arab relations and thus in the same group of war films such as The Three Kings 1999 another narrative that focuses on the same military conflict but includes direct commentary to governmental and military strategies Are historical films by definition political since the majority deals with significant events and or people in a specific socio cultural landscape The President and American Capitalism since 1945 Mark H. Rose, Roger Biles, 2017-11-14 The book examines the development of the U S presidency since 1945 and describes the many ways some of which are unknown or greatly underappreciated in which the president s actions affect the daily lives of the American people

Whats Good For Business Business And American Politics Since World War Ii Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has been much more evident than ever. They have the ability to inspire, provoke, and ignite change. Whats Good For Business Business And American Politics Since World War Ii Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Whats Good For Business Business And American Politics Since World War Ii free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Whats Good For Business Business And American Politics Since World War Ii free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play

a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Whats Good For Business Business And American Politics Since World War Ii free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Whats Good For Business Business And American Politics Since World War Ii. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Whats Good For Business Business And American Politics Since World War Ii any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Whats Good For Business Business And American Politics Since World War Ii Books
