William Weber, M.A.

When AA Doesn't Work For You Rational Steps To Quitting Alcohol:

When AA Doesn't Work for You Albert Ellis, Emmett Charlton Velten, 1992 This is the first book in which the world famous founder of RET Dr Albert Ellis applies the powerful insights of rational emotive therapy specifically to recovery from problem drinking RET is truly a rational guide to quitting alcohol How to Change Your Drinking Kenneth Anderson, 2010-06-22 For those who want to moderate control or eliminate alcohol drinking and for whom the standard 12 step approach of AA does not work Supports goals of safer drinking reduced drinking or quitting Natural Process of Quitting Forever William Weber, M.A., 2009-01-20 The Natural Process of Quitting Forever was written over a period of years It started when I was seeing people who wanted to avoid 12 Step attendances while still wanting to end alcohol and drug problems The book we were using generated questions and was not specific about quitting forever I was tape recording and video taping the sessions for my review I noticed I was answering the same questions over again with different people I wrote down what I was telling them and started using the essays when I talked with new people I always encouraged people to criticize what was written for clarity and content At a point in time I had enough written where I comb bound the papers with a table of contents and started selling my book I kept editing and revising and adding to the book until it reached the point of what you are reading today Author House afforded me the opportunity to publish professionally what I had been publishing and selling using my desktop publishing program with comb binding It was written talking to people about quitting forever all alcohol and drug use while they read the book for that purpose People are quitting forever by reading the book The Natural Process of Quitting Forever It was not something I sat down and wrote but was written because people quitting forever told me it was helpful information leading them along their path to recovery Check out my web site quittingforever.org where I explain core concepts using cartoon like graphic illustration with verbal and written explanation The web site also has some short video explanations by me **Rational Emotive Behaviour Therapy Integrated** Anjali Joshi, K. M. Phadke, 2018-02-12 A comprehensive presentation of Rational Emotive Behavioural Therapy REBT one of the most significant cognitive behavioural approaches to counselling and psychotherapy Body, Mind, and Spirit Gary McKay, Wayne Peate, Erik Mansager, 2009 Three experts a physician a psychologist and a spiritually oriented clinical counselor intertwine their experiences and knowledge to address the whole you They show that there is no gap between physical mental and spiritual aspects of health all aspects are interrelated and it s powerfully helpful to see this way Blending their approaches produces a result that is greater than the sum of the parts like a human quilt each contributes to a healthy satisfying life In this book you ll learn how your body s health affects your mental and spiritual health and how to take better care of your body You ll find how your mind affects your physical and spiritual health and how to take care of your mind And you ll be shown what impact your beliefs about the meaning of life your spirituality have on body and mind and how to nurture your spirituality Discover techniques to help you manage many challenging life issues including stress depression

aggression addiction chronic illness and aging Learn to identify how you re functioning what you can do to improve and how to examine plan and track your progress *Alcohol* Philip Tate,1996-01-01 This practical comprehensive and easy to use book helps alcohol abusers understand their behavior but provides practical steps that anyone can use to solve an alcohol problem Written by a cognitive behavioral psychologist this book includes chapters on overcoming low self esteem depression stress attending self help groups and living a better life after quitting Each chapter contains specific self help techniques Recommended by SMART Recovery

Norcross,2013-04-11 Helps readers identify effective self help materials and distinguish them from those that are potentially misleading or even harmful It is designed for laypersons and mental health professionals and reviews books films online programs support groups and websites for 41 behavioral disorders and life challenges

Social Work Practice with Men at Risk Rich Furman,2010-04-22 Treating men as a culturally distinct group Rich Furman integrates key conceptions of masculinity into culturally sensitive social work practice with men Focusing on veterans displaced workers substance abusers mental health consumers and other groups that might be unlikely to seek help Furman deftly explores the psychosocial development of men along with the globalization of men s lives alternative conceptions of masculinity and special dynamics within male relationships Furman bolsters his conclusions with case studies and evidence based interventions His cutting edge research merges four key social work theories and explores how they inform practice with mental health issues compulsive disorders addiction and violence By promoting gender equity and culturally competent practice with men Furman bridges the gap between clinical and macro practice Social Work Practice with Men at Risk is a crucial text for educators and practitioners hoping to pursue effective far reaching interventions

The Practice of Rational Emotive Behavior Therapy Albert Ellis,Windy Dryden,2007-07-31 Reissued with a new foreword by Raymond DiGiuseppe PhD ScD St John s University New trainees often get the theory of psychopathology they struggle to get the case conceptualization and the strategic plan Then they ask themselves What do I do now Going from the abstractions to the actions is not always clear The Practice of Rational Emotive Behavior Therapy represents a compilation of years of theoretical and clinical insights distilled into a specific theory of disturbance and therapy and deductions for specific clinical strategies and techniques The structure of this books focuses on an explication of the theory a chapter on basic practice and a chapter on an in depth case study A detailed chapter follows on the practice of individual psychotherapy Although the book is not broken into sections the next four chapters represent a real treasure The authors focus on using REBT in couples family group and marathons sessions Doing REBT with one person is difficult to learn Once the clinician adds more people to the room with different and sometimes competing agendas things get more complicated These chapters will not only help the novice clinician but also the experienced REBT therapists work better in these types of sessions So consider yourself lucky for having picked up this book Reading it will help many people get better From the Foreword by Raymond DiGiuseppe PhD ScD Director of Professional Education Albert Ellis Institute

Professor and Chair Department of Psychology St John s University This edition involving a unique collaboration between Albert Ellis and the world s greatest Ellis scholar Windy Dryden modernizes Ellis s pioneering theories The book begins with an explanation of rational emotive behavior therapy as a general treatment model and then addresses different treatment modalities including individual couple family and sex therapy The authors have added material new since the book s original edition on teaching the principles of unconditional self acceptance in a structured group setting With extensive use of actual case examples to illustrate each of the different settings and a new brand new foreword by Raymond DiGiuseppe that sets the book into its 21st century context

COUNSELING IN THE REHABILITATION PROCESS Gerald L. Gandy,E. Davis Martin,Richard E. Hardy,1999-01-01 This text represents a complete revision and update that provides the reader with a comprehensive overview and introduction to the field of rehabilitation counseling and services but also has applicability to the growing field of community counseling Part One the introductory section discusses and describes the basic foundations of the rehabilitative process Part Two the rehabilitation process provides the reader with an insightful appreciation and understanding of the rehabilitation process In Part Three the counseling and psychosocial aspects of disability are traced from multiple points of view both theoretical and practical and psychodynamic Adlerian rational emotive behavioral and Gestalt perspectives are explored and examined The final section discusses special topics in rehabilitation appropriate for an introductory textbook but more suitable for an in depth examination The book s revisions include in part a greatly expanded chapter on the foundations of rehabilitation as well as a new historical aspects chapter Educational considerations have been expanded and incorporated into a chapter on the development of the rehabilitation counseling discipline Material on the rehabilitation process and occupational analysis and placement has been reorganized and includes new material on job development and placement New material has been included on counseling credentialing and substance use disabilities and material on international and multicultural perspectives has been reorganized and updated This outstanding text will be particularly useful in graduate introductory rehabilitation or community counseling courses and may be readily adaptable to undergraduate courses as well Additionally the book will be a very useful resource for rehabilitation or community counselor practitioners
