Where Human Rights Begin By Unknown Rutgers University Press 2005 Paperback Paperback:

Law's Cut on the Body of Human Rights Juliet Rogers, 2014-06-13 Scenes of violence and incisions into the flesh inform the demand for law The scene of little girls being held down in practices of female circumcision has been a defining and definitive image that demands the attention of human rights and the intervention of law But the investment in protecting women and little girls from such a cut is not all that it seems Law's Cut on the Body of Human Rights Female Circumcision Torture and Sacred Flesh considers how such images come to inform law and the investment of advocates of law in an imagination of this scene Drawing on psychoanalytic and postcolonial theory and accompanying ideas in political theology Juliet Rogers examines the language imagery and excitement that accompanies recent initiatives to legislate against what is called female genital mutilation The author compliments this examination with a consideration of the scene of torture exposed in images from Abu Ghraib and Guantanamo Bay Rogers argues that the modes of fascination and excitement that accompany scenes of torture and female circumcision betray the fantasy of a political condition against which the subject of liberal law is imagined this is subjectivity in a state of non mutilation non prohibition or in a psychoanalytic idiom non castration To support the fantasy of this subject the mutilated subject the authors suggests is rendered as flesh cut from the democratic nation state deserving of only selective human rights or none at all

The Anthropology of Childhood David F. Lancy, 2022-03-10 How are children raised in different cultures What is the role of children in society How are families and communities structured around them Now in its third edition this deeply engaging book delves into these questions by reviewing and cataloging the findings of over 100 years of anthropological scholarship dealing with childhood and adolescence It is organized developmentally moving from infancy through to adolescence and early adulthood and enriched with anecdotes from ethnography and the daily media to paint a nuanced and credible picture of childhood in different cultures past and present This new edition has been expanded and updated with over 350 new sources and introduces a number of new topics including how children learn from the environment middle childhood and how culture is transmitted between generations It remains the essential book to read to understand what it means to be a child in our complex ever changing world

Hanging Captain Gordon Ron Soodalter, 2010-05-11 On a frosty day in February 1862 hundreds gathered to watch the execution of Nathaniel Gordon Two years earlier Gordon had taken Africans in chains from the Congo a hanging offense for more than forty years that no one had ever enforced But with the country embroiled in a civil war and Abraham Lincoln at the helm a sea change was taking place Gordon in the wrong place at the wrong time got caught up in the wave For the first time Hanging Captain Gordon chronicles the trial and execution of the only man in history to face conviction for slave trading exploring the many compelling issues and circumstances that led to one man paying the price for a crime committed by many Filled with sharply drawn characters Soodalter's vivid account sheds light on one of the more shameful aspects of our history and provides a link to similar crimes against humanity still practiced today *Intercultural*

Educatiion María Teresa Aguado Odina, Margarita del Olmo, 2009 **Globalization Development and Social Justice** Ann El Khoury, 2015-03-27 Are there existing alternatives to corporate globalization What are the prospects for and commonalities between communities and movements such as Occupy the World Social Forum and alternative economies Globalization Development and Social Justice advances the proposition that another globalization is not only possible but already exists It demonstrates that there are multiple pathways towards development with social justice and argues that enabling propositional agency rather than oppositional agency such as resistance is a more effective alternative to neoliberal globalization El Khoury develops a theory of infraglobalization that emphasizes creative constitution not just contestation of global and local processes The book features case studies and examples of diverse economic practice and innovative emergent political forms from the Global South and North These case studies are located in the informal social economy and community development as well as everyday practices from prefigurative politics to community cooperatives and participatory planning This book makes an important contribution to debates about the prospects for and practices of a transformative grassroots globalization and to critical debates about globalization and development strategies It will be of interest to students and scholars of international relations globalization social movement studies political and economic geography sociology anthropology and development studies **Working towards Equity** Dustin Galer, 2018-05-04 In Working towards Equity Dustin Galer argues that paid work significantly shaped the experience of disability during the late twentieth century Using a critical analysis of disability in archival records personal collections government publications and a series of interviews Galer demonstrates how demands for greater access among disabled people for paid employment stimulated the development of a new discourse of disability in Canada Family advocates helped people living in institutions move out into the community as rehabilitation professionals played an increasingly critical role in the lives of working age adults with disabilities Meanwhile civil rights activists crafted a new consumer led vision of social and economic integration Employment was and remains a central component in disabled peoples efforts to become productive autonomous and financially secure members of Canadian society Working towards Equity offers new in depth analysis on rights activism as it relates to employment sheltered workshops deinstitutionalization and labour markets in the contemporary context in Canada

Gender J. Germon, 2009-12-07 This book offers a rigorous analysis of the contemporary ideologies of gender and places the work of controversial sexologist John Money at the center of its analysis demonstrating the influence of his ideas of what it means to be a sexed subject **The Ridley Scott Encyclopedia** Laurence Raw, 2009-09-28 From his first feature film The Duellists to his international successes Alien Blade Runner Thelma and Louise Black Hawk Down Gladiator and American Gangster Ridley Scott has directed some of the most compelling films of the last 30 years Apart from his work as a film director Scott has engaged in a vast range of activities including that as a designer producer film mogul and advertising executive The Ridley Scott Encyclopedia is the first book that focuses on all aspects of his work in a wide ranging career that

spans nearly 50 years The entries in this encyclopedia focus on all aspects of his work and are divided into four categories The first focuses on Ridley Scott s work as a director encompassing his feature films from The Duellists to Body of Lies as well as his work in television including commercials The second category focuses on the people who have been involved in Scott s projects including actors directors producers designers writers and other creative personnel The third focuses on general thematic issues raised in Scott s work such as gender construction political issues and geographical locations Finally the encyclopedia incorporates entries on films by other directors who have influenced Scott s approach to his work as a director or producer Each entry is followed by a bibliography of published sources both in print and online making this the most comprehensive reference on Scott s body of work

Transcultural Bodies Ylva Hernlund,Bettina

Shell-Duncan,2007-06-07 Female circumcision or more precisely female genital cutting FGC remains an important cultural practice in many African countries often serving as a coming of age ritual It is also a practice that has generated international dispute and continues to be at the center of debates over women s rights the limits of cultural pluralism the balance of power between local cultures international human rights and feminist activism In our increasingly globalized world these practices have also begun immigrating to other nations where transnational complexities vex debates about how to resolve the issue Bringing together thirteen essays Transcultural Bodies provides an ethnographically rich exploration of FGC among African diasporas in the United Kingdom Europe and Australia Contributors analyze changes in ideologies of gender and sexuality in immigrant communities the frequent marginalization of African women s voices in debates over FGC and controversies over legislation restricting the practice in immigrant populations
