The Terror Of The Southlands The Terror Of The Southlands:

The Terror of the Southlands Caroline Carlson, 2014-09-09 More pirates more magic and more adventure in the second book of the Very Nearly Honorable League of Pirates series Caroline Carlson brings the unceasing wit humor and fun of the first book in the series to this epic sequel Fans of Lemony Snicket's Series of Unfortunate Events and Trenton Lee Stewart's Mysterious Benedict Society will love this quirky tween series and hope to join the league just like Hilary Hilary Westfield is now a bona fide pirate but when her daring her magical know how and even her gargoyle don't convince the VNHLPL that she's worthy of her title the Terror of the Southlands she sets off with her crew on a high seas adventure But then Miss Pimm disappears and Hilary decides to find the missing Enchantress and protect the magic of Augusta Don't miss this adventure filled pirate romp

The Buccaneers' Code Caroline Carlson, 2015-09-08 Humor magic and adventure abound in the third and final book of Caroline Carlson's tween fantasy series The Very Nearly Honorable League of Pirates Hilary Westfield is now a freelance pirate After trying to prove herself to the VNHLPL she realized many members of the league weren't all that honorable not even very nearly With Captain Blacktooth in cahoots with the Mutineers the kingdom of Augusta and all of its magic is at risk What the League needs is a very honorable pirate to be their new president So Hilary with the help of her friends including the always spirited gargoyle challenges Blacktooth to a High Seas battle Winner takes all Loser at best will be exiled Caroline Carlson has created a world where magic is currency pirates are more charming than alarming and a girl can choose a life as a pirate instead of a life in petticoats And she once again delivers a story of high stakes high seas and high society in the hilarious and charming conclusion to the Very Nearly Honorable League of Pirates series

The Very Nearly Honourable League of Pirates: Magic Marks The Spot Caroline Carlson, 2014-01-02 Hilary Westfield has always dreamed of being a pirate But the Very Nearly Honourable League of Pirates rejects Hilary's application because she's a girl and her father ships her off to Miss Pimm's Finishing School for Delicate Ladies instead Expected to wear woollen dresses petticoats not provided and enthusiastically throw herself into activities such as Viennese Waltzing for the Eager Novice Miss Pimm's is every bit as horrid as Hilary feared However a true pirate never lets dire circumstances stand in her way and after a mostly dreadful first week Hilary escapes and applies for a job with a freelance pirate known as the Terror of the Southlands He offers her a place on his misfit crew on one condition she must find the famous treasure that's rumoured to contain most of the kingdom's lost magic Hilary soon finds herself caught up in a dangerous quest and on the run from her school governess and the most villainous pirate on the high seas
