The Theology Of Church Leadership Leading Gods People His Way:

The Theology of Church Leadership J. J. Turner, 2013-01-10 There are numerous approaches to leadership and philosophies of leadership even church leadership Church leaders should be grounded in a sound biblical theology of church leadership That is if they seek to please God Church leadership begins and ends with God God is the first Leader we meet in the Bible His Son Jesus Christ came to earth to demonstrate in the flesh what leadership should be and how it relates to theology The study of theology is the study of God Therefore the theology of church leadership is about how God wants His church to be led This book contains 8 modules about the theology of church leadership It has numerous exercise to help the reader become involved in the theology of church leadership This is a great resource for leadership training in the church

Team Leadership In Christian Ministry Kenneth O. Gangel, 1997-01-05 Team leadership is the exercise of one s spiritual gifts under the call of God to serve a certain group of people in achieving the goals God has given them toward the end of glorifying Christ How is your church or organization governed Does it have an authoritarian top down administration Is the ministry vision developed by a few top officials with little input from staff or volunteers Today the definition of an effective leader has changed No longer does the model leader manage like the Lone Ranger either do it his way or no way Today the model leader shares responsibility with fellow team leaders and seeks to serve them In this complete revision of his earlier work *Building Leaders for Church Education* Dr Gangel carefully lays a biblical foundation for the team leadership model This leadership is not dogmatic control or personality worship It has no room for political power plays Instead it is Paul gently nurturing young Christians in his epistles It is Barnabas willingly thrusting others into situations where they develop their own gifts It is Christ choosing not one but twelve men to carry on His ministry It is servant leadership With examples illustrations and suggestions for further reading at the end of each chapter Dr Gangel prods and encourages the reader to move beyond the safety net of autocratic leadership into the rewarding effective practice of leading with and through others

Serving the People of God's Presence Terry L. Cross, 2020-10-27 Leading theologian Terry Cross articulates the doctrine of the church s ministry from a Pentecostal perspective demonstrating how Pentecostals can contribute to and learn from the church catholic This companion volume to Cross s previous book *The People of God s Presence* proposes a radical revision of the structural framework of the local church within the often overlooked corporate priesthood of all believers Cross explores principles for leadership and ministry from the New Testament and the early church helping all believers to do the work of ministry

Religious Leadership Sharon Henderson Callahan, 2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students

Padfield,2019-12-30 The Church by its very nature is called to be hope filled and future orientated it exists as a sign instrument and foretaste of the coming Kingdom of God Christian leadership therefore is at heart all about eschatological influence Engaging with the work of influential theological voices such as Lesslie Newbigin Tom Wright and Martyn Percy Hopeful Influence argues that it is in the process of helping others to see participate in or experience the world to come that Christian leadership becomes manifest With contributions from influential leaders in different spheres of life including Dr Eve Poole Stephen Timms MP along with theologian and activist Selina Stone Jude Padfield explores how this eschatatologically fuelled vision might lead us towards a new manifesto for future leadership in the church in politics in business and the third sector and in the home With foreword from Paul Bayes Bishop of Liverpool **Rooted Leadership**

John Johnson,2022-06-14 Behind many of the challenges facing us today is a failure of leadership This is not a new problem Yearning for wise guidance and effective authority is a perennial human longing We need leaders who are credible competent and committed But many leaders seem to be caught up even consumed with their own power and agendas Some see the leadership crisis as an intellectual problem believing we lack a clear theory of leadership Others view the breakdown of leadership as a result of increasing deficiency in moral character Most leadership books today revolve around the concepts of motivation inspiration empowerment and teamwork Helpful as these themes might be they miss something more fundamental Leadership needs a theological foundation that will be useful for shaping the undergirding principles and

evaluating current leadership theories and practices We need to view leadership from the vantage point of God In Rooted Leadership John E Johnson explores how Christian theology provides an overarching leadership framework and applies that theory to leadership practices Spiritual reflection guided by scripture points us to the very center of leadership God and the purpose of leadership that we might display his glory All the best forms of leading take their cues from who God is his purposes and his ways of working with people that he has progressively revealed Building on three decades of research study and experience as a global leader Johnson surveys the landscape of contemporary leadership theory unpacks the assumptions and beliefs that underly current trends and responds by offering a robust approach to leadership founded on the character work and words of God

The Universalist Leader ,1922 **The Western Christian Advocate** ,1902 *The Christian Union* Henry Ward Beecher,1888 **Leading God's Way** Joseph Omosigho,2015-04-14 Leading God s way is a must for every Christian leader if the leader want to be rewarded on the day of judgement Jesus Christ did not die in vain and He will not take for granted any leader that leads His people astray Are you a Christian leader how are you leading God s people God s way or your way This book will teach you and help you lead God s people God s way for God s glory Welcome to His presence **The Banner of Israel** ,1915 **Onward** ,1913
