The Thirteenth Apostle Revised Edition What The Gospel Of Judas Really Says:

The Thirteenth Apostle: Revised Edition April D. DeConick, 2009-06-23 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas *The Thirteenth Apostle* April D. DeConick, 2007 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas *In Search of Truth. Augustine, Manichaeism and Other Gnosticism* J. van (Johannes) Oort, Jacob Albert van den Berg, 2011 This volume in honour of Prof Dr Johannes van Oort offers a rich variety of in depth studies on Augustine Manichaeism and other Gnostic currents thus reflecting the rich variety of the honoree's research interests THE Gnostic JESUS Edward D. Andrews, 2021-06-09 Jesus is identified by some Gnostics as an embodiment of the supreme being who became incarnate to bring gnosis to the earth In contrast others adamantly denied that the supreme being came in the flesh claiming Jesus to be merely a human who attained enlightenment through gnosis and taught his disciples to do the same Among the Mandaeans Jesus was considered a miha kdaba or false messiah who perverted the teachings entrusted to him by John the Baptist Still other traditions identify Mani and Seth the third son of Adam and Eve as salvific figures In the course of a century and a half Gnosticism comes and goes before us like a splendid vision And yet its influence upon Christianity was profound and permanent It gave occasion to a great expansion of Christian thought to a clearer idea of the historical relation of Christianity to earlier and surrounding religions and to a better definition of the basis of true faith Therefore it deserves a more careful study than it has only recently received *The Public Rituals of Life, Death, and Resurrection in Tlayacapan, Morelos (Mexico)* Robert H. Jackson, 2020-01-20 A process of social cultural and religious change occurred in central Mexico starting in the sixteenth century following the Spanish conquest Missionaries from different religious orders attempted to convert the indigenous peoples of central Mexico to Catholicism and a part of this process involved the imposition of a new ritual cycle on the existing Mesoamerican cycle that governed agriculture and the cosmic order This study describes the evolution and modern practice of the public ritual of life death and resurrection in Tlayacapan Morelos Tlayacapan is a community located in northern Morelos that has evolved from being a traditional community of Nahuas to a center of cultural tourism based on its architectural patrimony artisan tradition and particularly its public ritual Carnival and the Day of the Dead continue to form a part of the traditional ritual cycle but have also been used to attract tourism This study discusses the modern practice of carnival Holy Week and the Day of the Dead and the historical origins of these public rituals **The Apocryphal Gospels: A Very Short Introduction** Paul Foster, 2009-02-26 biblical studies Book Jacket **The Reception and Interpretation of the Bible in Late Antiquity** Lorenzo DiTommaso, Lucian Turcescu, 2008 The volume is a Festschrift offered to Charles Kannengiesser on the occasion of his 80th birthday and honours him for his numerous scholarly accomplishments Its twenty five contributions discuss some of the major issues pertaining to the reception and interpretation of the Bible in late antique Christianity and Judaism They

focus on the ways in which communities and individuals understood the Bible and interpreted its traditions to address their historical social and theological requirements Since the Bible was by far the most important book during these centuries a discussion of its influence in such contexts will illuminate significant aspects of the formation of western civilisation

Gnostic Morality Revisited Ismo Dunderberg, 2015-06-18 While the early Christian texts discussed in this book are often treated as gnostic ones they are here approached as witnesses to the views of educated Christians engaged in dialogue with philosophical traditions Following the idea that ancient philosophical schools provided their adherents with ways of life Ismo Dunderberg explores issues related to morality and lifestyle in non canonical gospels and among groups that were gradually denounced as heretical in the church He deals with the soul's progress from material concerns to a life dominated by spirit the control of emotions the avoidance of luxury the ideal perfect human as a tool in moral instruction classifications of humankind into distinct groups based on their moral advancement and Christian debates about the value of martyrdom In addition he offers a critical review of some recent trends and attitudes in New Testament scholarship **Jesus, Gnosis and Dogma** Riemer Roukema, 2010-04-22 Roukema sets out to investigate and assess the various views of Jesus in early Christianity basing his approach on a distinction between historical and theological statements about Jesus **Gelitten, Gestorben, Auferstanden** Tobias Nicklas, Andreas Merkt, 2010 English summary Jesus passion and resurrection are at the core of the Christian faith and message The oldest witnesses to this data can be found in the New Testament However stories about Jesus suffering his crucifixion and his resurrection were retold and interpreted in manifold ways in later Christian circles as well This collection of essays gives an overview of the development s of texts motifs and ideas regarding Jesus passion and resurrection in different ancient Christian groups The articles focus on patristic interpretations of certain key texts important Christian apocrypha and even iconographic witnesses German description Passion und Auferstehung Jesu von Nazaret gehören zu den entscheidenden Grunddaten des christlichen Glaubens Die ältesten Zeugnisse dafür finden sich bekanntlich im Neuen Testament Wie bedeutsam sie aber für Christen verschiedenster Richtungen und Prägungen waren zeigt sich auch darin dass sie auch später in unterschiedlichsten historischen Kontexten neu erzählt und ausgelegt wurden Der vorliegende Band bietet beispielhaft Einblick in die wichtigsten Richtungen der Entwicklung von Texten Motiven Vorstellungen und Ideen im Zusammenhang mit Passion und Auferstehung Jesu von Nazaret in verschiedenen Gruppen und Richtungen des antiken Christentums Untersucht werden dabei Auslegungen des Neuen Testaments bei bedeutenden Autoren der Alten Kirche wichtige apokryphe Texte aber auch bisher wenig beachtete ikonographische Zeugnisse **Near Eastern Archaeology**, 2006 *Caiaphas the High Priest* Adele Reinhartz, 2011 A reconsideration of the historical and biblical roles of one of Jesus's chief antagonists As the Roman appointed high priest who had a hand in orchestrating Jesus's Crucifixion Caiaphas secured his place in infamy alongside Pontius Pilate But without Caiaphas's actions Christianity would not exist as it does And so his place in biblical and historical narratives of Jesus warrants understanding Viewing Caiaphas as

more than just a one dimensional villain Adele Reinhartz offers a thorough reconsideration of representations of Caiaphas in the Gospels and other ancient texts as well as in subsequent visual arts literature film and drama The portrait that emerges challenges long held beliefs about this New Testament figure by examining the background of the high priesthood and exploring the relationships among the high priest the Roman leadership and the Jewish population Reinhartz does not seek to exonerate Caiaphas from culpability in the Crucifixion but she does expand our understanding of Caiaphas s complex religious and political roles in biblical literature and his culturally loaded depictions in ongoing Jewish Christian dialogue Traditionally Caiaphas has been viewed as the dramatic foil to Jesus representing the corrupting influences of greed and power This coupled with the exaggerated Jewish features often attributed to him in depictions from the Middle Ages to modern times has made Caiaphas frequent fodder for anti Semitism By clarifying the role of the high priest in Second Temple Judaism and by explicating the historical evidence on Caiaphis as the longest serving high priest of post Herodian Judea Reinhartz offers a more balanced assessment of his motives and role in the death of Jesus This insightful reevaluation of Caiaphas also allows for a new appreciation of the challenge Jesus posed to the high priest s authority under Roman rule and thus Reinhartz s work advances our understanding of both Caiaphas and Jesus as biblical and historical figures
