The Time Of Youth Work Social Change And Politics In Africa:

The Time of Youth Alcinda Manuel Honwana,2012 Draws on interviews in Mozambique Senegal South Africa and Tunisia

The Time of Youth Alcinda M. Honwana,2012-08-01 Most young Africans are living in waithood a period of suspension between childhood and adulthood Failed neo liberal economic policies bad governance and political instability have caused stable jobs to disappear without jobs that pay living wages these young people cannot support families thus becoming fully participating members of society As this limbo becomes pervasive and prolonged waithood in Africa becomes seemingly permanent gradually replacing conventional adulthood And with the deepening of the world economic crisis youth in Europe North America and other parts of the world face the same crisis of joblessness and restricted futures In The Time of Youth Alcinda Honwana examines the lives of young people in Africa drawing on in depth interviews in four countries Mozambique Senegal South Africa and Tunisia While the case studies are local to Africa the book argues that the waithood generation is global and possesses a tremendous transformative potential as young people believe the struggle to overcome their predicament requires radical social and political change From riots and protests in the streets of Maputo Dakar Madrid London New York and Santiago to revolutions that overthrow dictatorships in Tunisia Egypt and Libya the waithood generation is taking upon itself to redress the wrongs of contemporary society and remake the world Youth and

Revolution in Tunisia Alcinda Honwana,2013-07-11 The uprising in Tunisia has come to be seen as the first true revolution of the twenty first century one that kick started the series of upheavals across the region now known as the Arab Spring In this remarkable work Alcinda Honwana goes beyond superficial accounts of what occurred to explore the defining role of the country s youth and in particular the cyber activist Drawing on fresh testimony from those who shaped events the book describes in detail the experiences of young activists through the 29 days of the revolution and the challenges they encountered after the fall of the regime and the dismantling of the ruling party Now as old and newly established political forces are moving into the political void created by Ben Ali s departure tensions between the older and younger generations are sharpening An essential account of an event that has inspired the world and its potential repercussions for the Middle East Africa and beyond **Ethnographies of Uncertainty in Africa** E. Cooper,D. Pratten,2014-11-03 This collection

explores the productive potential of uncertainty for people living in Africa as well as for scholars of Africa Eight ethnographic case studies from across the continent examine how uncertainty is used to negotiate insecurity create and conduct relationships and act as a source for imagining the future Management and Leadership for a Sustainable Africa, Volume

1 Kemi Ogunyemi,Oreva Atanya,Vanessa Bungal,2022-11-16 To effectively deliver sustainable management in practice for Africa we need responsible leadership We need to deepen our understanding of sustainability in the unique socio political and economic context of the continent The roles of various actors across public private and non profit sectors as enablers of sustainable development need to be explored to understand the social economic and environmental SEE trends in Africa and

its emerging and developing economies as well as to chart the way forward for the continent This first volume focuses on the African understanding of sustainability and its dimensions within its unique historical social environmental and political contexts Through the lens of responsible leadership the authors reflect on the implementation and extension of the SEE sustainability triad in ways unique to the African continent especially in relation to the development of well thought out healthy and enduring policy frameworks and the promotion of good governance The African scope of the book is hinged on collaboration from authors across Africa and the inclusion of case stories from emerging economies in the five African subregions East West North Central and Southern Africa within the chapters The core message is that to achieve effective and sustainable management and development for Africa the practice of responsible leadership is critical

What Politics?

,2017-11-06 What Politics Youth and Political Engagement in Africa examines the diverse experiences of being young in today s Africa It offers new perspectives to the roles and positions young people take to change their life conditions both within and beyond the formal political structures and institutions The contributors represent several social science disciplines and provide well grounded qualitative analyses of young people s everyday engagements by critically examining dominant discourses of youth politics and ideology Despite focusing on Africa the book is a collective effort to better understand what it is like to be young today and what the making of tomorrow s yesterday means for them in personal and political terms Contributors are Ehaab Abdou Abebaw Yirga Adamu Henni Alava P ivi Armila Randi R nning Balsvik Jesper Bjarnesen ra Bj rnsd ttir J n na Einarsd ttir Tilo Gr tz Nanna Jordt J rgensen Marko Kananen Sofia Laine Naydene de Lange Afifa Ltifi Ivo Mhike Claudia Mitchell Relebohile Moletsane Danai S Mupotsa Elina Oinas Henri Onodera Eija Ranta Mounir Saidani Mariko Sato Loubna H Skalli Tiina Sotkasiira Abdoulaye Sounaye Leena Suurp and Mulumebet Zenebe What Politics Youth and Political Engagement in Africa is now available in paperback for individual customers

How to Become a Big Man in Africa

Wale Adebawale,2024-08-06 Can subalterns transform themselves into members of the elite and what does it take to do so And how do those efforts reveal the nature of ethnic politics in postcolonial Africa How to Become a Big Man in Africa Subalternity Elites and Ethnic Politics in Contemporary Nigeria examines these questions by revealing how through ethno regional conflict violence and cultural activities an artisan Gani Adams transformed himself into the holder of the most prestigious chieftaincy title among the Yoruba Addressing persistent gaps in anthropological studies of the subaltern and of big men in politics through in depth biography and rich social history Wale Adebawale follows Adams and other major figures in Nigeria s Oodua People s Congress OPC over two decades of ethnographic study and visual representations Challenging existing models of African political mobility by leveraging his initial lack of formal education into a position of power Adams moved from a radical lumpen and area boy to a big man who continues to struggle and reflect over the significance of his role as a cultural subject Blurring the lines between tradition and modernity Adams and his group have used Yoruba rituals to simultaneously claim authenticity and champion new movements for democracy and self determination How to Become a Big

Man in Africa encourages us to understand the full complexity of Adams's political trajectory and how it reflects the structural and personal realities of becoming a Big Man in the contemporary postcolony

An Uncertain Age Paul Ocobock, 2017-03-27 In twentieth century Kenya age and gender were powerful cultural and political forces that animated household and generational relationships They also shaped East Africans' contact with and influence on emergent colonial and global ideas about age and masculinity Kenyan men and boys came of age achieving their manhood through changing rites of passage and access to new outlets such as town life crime anticolonial violence and nationalism And as they did the colonial government appropriated masculinity and maturity as means of statecraft and control In *An Uncertain Age* Paul Ocobock positions age and gender at the heart of everyday life and state building in Kenya He excavates in unprecedented ways how the evolving concept of youth motivated and energized colonial power and the movements against it exploring the masculinities boys and young men debated and performed as they crisscrossed the colony in search of wages or took the Mau Mau oath Yet he also considers how British officials' own ideas about masculinity shaped not only young African men's ideas about manhood but the very nature of colonial rule *An Uncertain Age* joins a growing number of

histories that have begun to break down monolithic male identities to push the historiographies of Kenya and empire into new territory

Youth In South Africa Ariane De Lannoy, Malose Langa, 2021-05-05 South Africa is characterised by a youthful population and the challenges and possibilities that characterise the young generation are both warning signs and beacons of hope for a nation founded on social justice Youth in South Africa Agency in visibility and national development takes stock of the nation's development as it affects young people Authors offer both personal and professional insights into the ways in which the youth navigate their own pathways to adulthood These include formal and informal engagements with politics as well as protest unemployment entrepreneurship education religion experiences with sexuality and violence and a multitude of other life experiences Contributors paint a picture of the initiative agency and resilience of the youth as well as the challenges before them Authors also identify the state of waithood faced by those unable to make the transition out of youth into full adulthood as a result of their socio economic circumstances and political context By engaging these experiences and insights and primarily informed by the inputs of young people the authors highlight the limitations of existing youth policies and frameworks The case is made for policy instruments to be informed by the lived experiences of the youth as they navigate a complex macrosocial environment and by the messages the youth communicate about the limitations of current approaches

The Politics of Neoliberal Democracy in Africa Usman A. Tar, 2009 Since the late 1980s the changing dynamic of global development has driven the tide of democratic expansion in the developing world In Africa western donors have sought to impose neo liberal visions of socio economic and political institution building spreading political reforms and economic liberalisation with far reaching consequences Associated with external interventions but also sometimes conflicting with them are internal protests against authoritarianism which have problematically reinforced and or undermined the donor agenda for democratic reform Here Usman Tar questions the assumption that Africa was lacking the essential components for a spontaneous transition to democracy He explores the dynamic but contradictory links between external and internal dimensions of neo liberal democratic expansion in Africa focusing on Nigeria Tar dissects the struggles for democracy and for democratic policy and practice in a country with rich
