Tutankhamun Dynasty 18 ruled ca 1336 1327 B C These photographs documenting every stage in the process of discovery were taken by the renowned archaeological photographer Harry Burton Burton was a staff member of the Metropolitan Museum Egyptian Expedition when he was lent to Howard Carter the famed excavator of Tutankhamun s tomb From the rock cut steps leading down to the entrance passage to the opening of the sealed chambers inside to the first view of the contents of the tomb and the removal of the objects Burton s beautiful black and white photographs show thousands of the richly made and decorated objects found in the tomb Carefully reproduced from Burton s original prints the photographs are accompanied by new descriptive text written by two prominent Egyptologists with extensive knowledge of the history of Tutankhamun and the contents of his tomb [The Tomb of Tutankhamun: Volume 1](#) Howard Carter,A.C. Mace,2014-12-18 The discovery of the resting place of the great Egyptian Pharaoh Tutankhamun Tut ankh Amen in November 1922 by Howard Carter and the fifth Earl of Carnarvon was the greatest archaeological find the world had ever seen Despite its plundering by thieves in antiquity the burial of the king lay intact with its nest of coffins and funerary shrines surrounded by a mass of burial equipment arranged in three peripheral chambers Following on from the first volume s account of the search for and initial discovery of the team in the second volume Howard Carter recounts the discovery of the king s burial chamber the breakthrough to the four protective shrines the revelation of the quartz sandstone sarcophagus the king s three coffins his own of pure gold and the bejewelled mummy of the Pharaoh himself Now available in the Bloomsbury Revelations series the book includes over 150 photographs of the treasures that lay within the great burial chamber of Tutankhamun *Inside the Tomb of Tutankhamun* Jacqueline Morley,2005 Discusses how the pharaoh Tutankhamun became famous after his remains were found by archeologists *The Tomb of Tut-Ankh-Amen* Howard Carter,2010-09-30 The definitive account of the discovery recording and clearance of the tomb of Tutankhamun originally published between 1923 and 1933

Anderson,2015-08-26 Accompany Howard Carter on his 1920s expedition to the Valley of the Kings and witness the incredible discovery of Tutankhamun s tomb As Carter unearths each room in the tomb the fabulous treasures and Tutankhamun s mummy itself we get an amazing insight into the life and beliefs of this famous boy king and his kingdom Fabulous pop ups pull tabs and paper engineered wizardry throughout give a unique 3D experience as you learn all about the secrets and treasures of Ancient Egypt **King Tutankhamun** Zahi Hawass,2018-08-28 The ultimate book on King Tut and his tomb the most exciting archaeological find the world has ever known now in a compact edition The tomb of Tutankhamun with its breathtaking treasures remains the most sensational archaeological find of all time This brilliantly illustrated volume takes the reader through Tutankhamun s tomb room by room in the order that it was discovered and excavated by Howard Carter illuminating the tomb s most magnificent artifacts and objects Leading authority Dr Zahi Hawass imbues the text with his own inimitable flavor imagining how the uncovering and opening of the tomb must have felt for Carter while Sandro Vannini s extraordinary photographs reproduce the objects in

infinitesimal detail Now available in a compact edition and published to coincide with a global touring exhibition that begins in Los Angeles in March 2018 and ends at the Metropolitan Museum of Art in New York in 2023 this sumptuous volume is the definitive record of Tutankhamun's legacy

The Complete Tutankhamun Nicholas Reeves, 1990 The tomb of Tutankhamun with its treasures has exerted a hold over the popular imagination ever since its discovery in 1922 This book is a detailed and comprehensive account of this great archaeological discovery The story of the boy king buried in splendour at the height of Egyptian civilization the determined quest for his tomb by Howard Carter and Lord Carnarvon the unforeseen riches eventually revealed these are important events in the history of archaeology However despite the publicity at the time of the discovery and since made more intriguing by the linking of Carnarvon's early death with the legend of the pharaoh's curse it remains a story only partly told Carter never produced a complete account of his excavations The Tutankhamun exhibitions of the 1960's and 1970's generated a spate of books but none added significantly to what Carter had already published about the tomb This book is a revealing account of the subject

Mace, 2012-10-19 This book captures the painstaking step by step process of excavation and the wonders of the treasure filled inner chamber 106 on the spot photographs depict the phases of the discovery and the scrupulous cataloging of the treasures

The Tomb of Tutankhamun Stella A. Caldwell, 2016 Provides a brief history of the ancient Egyptian civilization and discusses the discovery of Tutankhamun's tomb

The Tomb of Tutankhamun Howard Carter, 2016-12-08 What he writes has the stamp of first hand knowledge and the grace of a sympathetic style The world owes a debt of gratitude that the accident of the discovery of the tomb brought to it so painstaking a workman as the author one who was willing to sacrifice the golden possibility of haste and fame to the slow accumulation of scientific knowledge The New York Times Let me try and tell the story of it all It will not be easy for the dramatic suddenness of the initial discovery left me in a dazed condition and the months that have followed have been so crowded with incident that I have hardly had time to think Among the hundreds of books written about ancient Egypt and Tutankhamun you won't find an equal to archaeologist Howard Carter's powerful book about his discovery His great work in many ways remained unfinished He left us however this remarkable document of discovery The book is Carter's personal story of the greatest adventure of his life one that has not been surpassed in a century of archaeology In 1904 retired American lawyer Theodore Davis famously declared that The Valley of the Kings in Thebes had given up all of its secrets leaving nothing more to be discovered He relinquished his exclusive rights to dig in The Valley But as Howard Carter states

in this volume The history of The Valley has never lacked the dramatic element Some 18 years later Carter made the richest archaeological discovery in history within yards of where Davis had dug The world immediately became obsessed with everything Tutankhamun From architecture to household goods to fashion a early 20th century surge in fascination with ancient Egypt took hold across the globe This is not a dry scientific treatment of the excavation or the artifacts What he imparts with this book is a sense of excitement wonder and mystery set expertly into a concise context of history and Egyptology captivating layperson and specialist alike young or old

Howard Carter and the Discovery of the Tomb of Tutankhamun Harry Victor Frederick Winstone,1991 **King Tutankhamun** Zahi A. Hawass,2007 The tomb of Tutankhamun with its breathtaking treasures remains the most sensational archaeological find of all time This brilliantly illustrated volume published to accompany the exhibition at The 02 in London takes the reader through Tutankhamun s tomb room by room in the order that it was discovered and excavated by Howard Carter illuminating the tomb s most magnificent artifacts as well as all of the objects in the Tut exhibition Dr Zahi Hawass imbues the text with his own inimitable flavour imagining how the uncovering and opening of the tomb must have felt for Carter while Sandro Vannini s extraordinary photographs reproduce the objects in infinitesimal detail This sumptuous volume is the definitive record of Tutankhamun s glittering legacy

[Tutankhamun's Trumpet](#) Toby Wilkinson,2022-11-01 Marking the one hundredth anniversary of the discovery of Tutankhamun s magnificent tomb its incredible treasures are revealed as never before In 1922 after fifteen years of searching archaeologists finally discovered the tomb of King Tutankhamun There buried alongside the king s mummy they found more than 5 000 unique objects from the mundane to the extravagant from the precious to the everyday Tutankhamun s spectacular gold mask is justifiably famous but the rest of the treasures remain

largely unknown their stories untold In this rich and beautifully illustrated work of history renowned Egyptologist Toby Wilkinson allows one hundred artifacts from the boy king s tomb to speak again not only for themselves but as witnesses of the civilization that created them A gold decorated chariot reveals the impressive scale of Egyptian technology Loaves of bread baskets of fruit and jars of wine hint at the fertility of the Nile Valley and the abundant feasts enjoyed by its people Ebony and ivory from Nubia and a jewel of Libyan desert glass show the range of Egypt s trading and diplomatic networks Shaving equipment and board games provide a window into the everyday lives of the people And perhaps most poignant of all the objects in the tomb is one that conjures up a lost world of human experience Tutankhamun s silver trumpet Through these treasures Wilkinson bring us face to face with the culture of the pharaohs its extraordinary development its remarkable flourishing and its lasting impact Filled with surprising insights and vivid details Tutankhamun s Trumpet offers an indelible portrait of the history people and legacy of ancient Egypt

Tutankhamun and Carter Rogerio Sousa, Gabriele Pieke, Tine Bagh, 2024-08-15 First scholarly multi disciplinary re assessment of Howard Carter s discovery and excavation of Tutankhamun s tomb and the impact of the find on our understanding of the material culture of Ancient Egypt The discovery of the tomb of Tutankhamun in 1922 stands out as one of the most important finds of modern archaeology revealing an enormous wealth of objects encapsulating techniques vestiges of uses and re uses of materials as well as unrivalled clues regarding the complex set of beliefs associated with the pharaonic funerary material culture Once cleared from the tomb these objects have captivated the world with their irresistible charm and beauty ending up playing a role in contemporary popular culture However it seems that such magnetism rather hindered than facilitated the scholarly study of the find One hundred years after the discovery of this magnificent tomb most of its objects remain insufficiently studied to this day This volume aims to show how it remains challenging to study Tutankhamun s objects gathering a collection of studies authored by leading scholars on conservation materials funerary beliefs as well as the reception of motifs and the impact of the discovery Through these studies it becomes clear how ancient objects can help us reconstruct the complex fabric of the ancient Egyptian society and how they keep interacting with modern audiences
