Normative Patterns and Legal Developments in the Social Dimension of the EU Ann Numhauser-Henning, Mia Rönnmar, 2013-06-28 This book explores the normative and legal evolution of the Social Dimension labour law social security law and family law in both the EU and its Member States during the last decade It does this from a wide range of theoretical and legal substantive perspectives The past decade has witnessed the entering into force of the Lisbon Treaty and its emphasis on fundamental rights a new coordination regulation within the field of social security Regulation 883/2004 EC and the case law of the Court of Justice of the European Union in the so called Laval Quartet Furthermore structural changes affecting demographics and family have also challenged solidarity in new ways The book is organised by reference to distinct normative patterns and their development in the fields of law covered such as the protection of established groups the position of market functional values and the scope for just distribution The book represents an innovative and important interdisciplinary approach to analysing EU law and Social Europe and contributes a complex yet thought provoking picture for the future The contributors represent an interesting mix of well known and distinguished as well as upcoming and promising researchers throughout Europe and beyond

The Role of the EU in the Promotion of Human Rights and International Labour Standards in Its External Trade Relations Samantha Velluti, 2020-10-12 This book represents a significant and timely contribution to the copious literature of the EU as a global actor providing new insights and fresh perspectives into the promotion of human rights and international labour standards in the EU's external trade relations building on and stimulating further the already well engaged scientific dialogue on this area of research In particular it provides the basis for developing a new analytical structure for better understanding the role of the EU in promoting human rights and international labour standards in global trade and in particular for assessing the extent to which and how normative considerations have influenced the adoption of EU legal instruments and policy decisions This book will appeal to research scholars post graduate students practitioners and human rights activists

EU Law after Lisbon Andrea Biondi, Piet Eeckhout, Stefanie Ripley, 2012-01-05 Many of the most controversial areas of reform initiated by the Lisbon Treaty were not negotiated in the Treaty itself but left to be resolved during its implementation Since the Treaty's entry into force the implementation process has already had a profound impact on many areas of EU law and policy and consolidated new areas of power such as over foreign investment This collection gathers leading specialists in the field to analyse the Treaty's implementation and the directions of legal reform post Lisbon Drawing on a range of expertise to assess and comment on the Treaty the contributors include both academics and practitioners involved in negotiating and implementing the Treaty Focusing on the central issues and changes resulting from the Lisbon Treaty the contributors

examine the Treaty in the broader background of how the EU and EU law in particular has been developing in recent years and provide a contextual understanding of the future direction of EU law in the post Lisbon era The EU in the Global Investment Regime Johann Robert Basedow, 2017-11-07 The European Union EU has emerged as a key actor in the global investment regime since the 1980s At the same time international investment policy and agreements which govern international investment liberalisation treatment and protection through investor to state dispute settlement have become increasingly contentious in the European public debate This book provides an accessible introduction to international investment policy and seeks to explain how the EU became an actor in the global investment regime It offers a detailed analysis of the EU's participation in all major trade and investment negotiations since the 1980s and EU internal competence debates to identify the causes behind the EU's growing role in this policy domain Building on principal agent and historical institutionalist models of incremental institutional change the book shows that Commission entrepreneurship was instrumental in the emergence of the EU as a key actor in the global investment regime It refutes business centred liberal intergovernmental explanations which suggest that business lobbying made the Member States accept the EU's growing role and competence in this domain The book lends support to supranational and challenges intergovernmental thinking on European Integration This text will be of key interest to scholars students and practitioners of European and regional integration EU foreign relations EU trade and international investment law business lobbying and more broadly of international political economy European Labour Law Roger Blanpain, 2010 This book deals with European labour Law and industrial relations It covers legislation concerning relations between employers and employees collective agreements and the case law of the Court of Justice as well as the structure and strategies of the social actors The book consists of three parts a general section a section devoted to individual labour law and a section that deals with collective labour law The eleventh edition is a revised version and all the latest developments are covered Germany, 2011 **Transatlantic Perspectives on International Economic Law** Peter-Christian Müller-Graff, 2009 A transatlantic dialogue on varying perspectives on international economic law was the purpose of a round table conference held at the University of Heidelberg in June 2007 During this conference particular interest focused on the emerging binding framework of the World Trade Organization and on the developing legal framework of the European Community This volume contains transcripts of the lectures given at the conference as well as the text of the public lecture by Professor John H Jackson from Georgetown University which preceded the conference **Trade Policy Review - European Union 2011** World Trade Organization, 2011-11-21 The Trade Policy Review Mechanism a permanent feature of the World Trade Organization WTO is designed to contribute to improving adherence by all WTO members to rules disciplines and commitments made under the Multilateral Trade Agreement This volume in the series provides information on the trade policies practices and macroeconomic situations of the European Union Each Trade Policy Review is expertly prepared after in depth analysis of an
