The Trinity And The Kingdom:

The Trinity and the Kingdom Jürgen Moltmann, 1993-09-01 An excellent introduction to the prophets and the prophetic literature The goal of the book is to understand the thought of the prophets in their historical contexts and to communicate that understanding for our time Its approach while innovative builds upon the best of contemporary analysis of the prophetic literature Gene M Tucker Candler School of Theology Emory University Koch's first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap He displays the individuality of each prophet with perceptive insight but he also compares and interrelates them in his various summaries Furthermore Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades Bernhard W Anderson Princeton Theological Seminary **The Trinity and the Kingdom of God** Jürgen Moltmann, 1983 *The Trinity and the Kingdom of God* Jürgen Moltmann, 1981 **The Trinity and the Kingdom** Jürgen Moltmann, 2014 *The Trinity and the Kingdom* Jürgen Moltmann, 1991 **History and the Triune God** Jürgen Moltmann, 1991 This new book takes forward Professor Moltmann's thought on the Trinity during the 1980s following the publication of his classic study *The Trinity and the Kingdom of God* It begins with a survey of the doctrine of the Trinity today which sees the main issues as being the social doctrine of the Trinity gender and the Trinity and the Trinity and the cross and ends with a fascinating retrospect my theological career **Trinity and Society** Leonardo Boff, 2005-04-11 In this book Brazilian Leonardo Boff Franciscan priest and professor of theology joins other contemporary theologians in defending both the truth and the practical value of the doctrine of the Trinity For Boff the community of Father Son and Holy Spirit is not only the truth about God it is also the prototype of human community dreamed of by those who wish to improve society the model for any just egalitarian while respecting differences social organization Frequently expressing agreement with Moltmann's *The Trinity and the Kingdom* Boff argues that true and relevant Trinitarian faith must begin not with the oneness but with the threeness of God not with theistic speculation about God as the solitary One but with openness to the self revelation of God as a community or society of divine persons who are what they are in their co existence co relatedness and self surrender to each other Boff also suggests how a social doctrine of the Trinity enables us to overcome the conflict between individualistic capitalism and collectivistic socialism oppressor and oppressed male and female church authorities and church members *The King and the kingdom: a study of the four Gospels*, 1893 **The Trinity** Hans Schwarz, 2017-09-15 In the last thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among systematic theologians The topic has been mined for many different interests from liberation theology to feminist interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really scripturally tenable with regard to the Trinity and what is unwarranted theological construction

or even speculation Through this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape here is a story how the doctrine of the Trinity developed over the subsequent centuries from the traces in Scripture to a centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to speculation What are we to make of this doctrine How do we articulate the biblical faith today

The Kingdom of the Lovers of God Jan van Ruusbroec,1919 Kingdom, Freedom and Wisdom Chimezie Okonkwo,2013-11 Kingdom freedom and wisdom are three in one forces that the trinity chose to display the wealth of their treasure to man within his environment both spiritually and physically In Kingdom Freedom and Wisdom author Chimezie Okonkwo discusses these three forces through his testimony of the Word of God Drawing from his life experiences the Word of God and his pilgrimage tour of the Holy Land of Israel Okonkwo provides a detailed discussion of the kingdom of God the freedom of Jesus and the wisdom of the Holy Spirit He shares how they operate in different forms beginning with the work of God from the beginning of creation when he established his kingdom and going through the conception of Jesus his birth death burial and resurrection which subsequently ensured freedom for mankind He then advances to the spiritual realm where our faith and righteousness by grace become dependent on the wisdom of the spirit to actualize spiritual declarations bringing them into the physical Employing an array of Bible verses Kingdom Freedom and Wisdom explains how the trinity controlled influenced affected enhanced manipulated subjected united and dominated the ministry of Jesus through its three individual and original forces and treasures kingdom freedom and wisdom **The Scandinavian Kingdom of Dublin** Charles Haliday,John Patrick Prendergast,1884 *History of the kingdom of God under the Old Testament. Transl Ernst Wilhelm Hengstenberg,1871* **The Kingdom of God** Laurence Henry Schwab,1897 Debrett's illustrated baronetage and knightage (and companionage) of the United Kingdom of Great Britain and Ireland ,1901 The Teachings of Jesus Christ the Messiah Concerning the Kingdom of God Episcopal Church. Diocese of New York. Sunday School Commission,1905 *The Trinity, Practically Speaking* Frank D. Macchia,2012-01-06 The Father the Son and the Holy Spirit in the Bible and in Christian experience are all vital to the reality of salvation But since the word Trinity does not appear in the Bible many people wonder whether the doctrine is anything more than an intellectual puzzle created by theologians This book leads readers step by step to a robust understanding of God as a Trinity *History of the Kingdom of God Under the Old Testament. Translated from the German Ernst Wilhelm Hengstenberg,1871* The Kingdom of God William Temple,1912 **The Kingdom of Christ** Frederick Denison Maurice,1883
