Theology of Time Elijah Muhammad, 2002-08-08 The Theology of time is a compilation of twenty lectures given by Elijah Muhammad Messenger of Allah between the periods of June 4 1972 and October 29 1972 The setting was the dedication of Temple 2 Chicago IL wherein the Messenger was the keynote speaker for the next twenty lectures This was very significant in light of the Messenger being forbidden up to that time to speak He stated that Allah had forbade him to come out until it was time Excerpts from the lecture series were put into the Muhammad Speaks Newspaper however the entire transcript was not published until the early 90 s by the former secretary of the Nation of Islam The Messenger himself stated Since the time is helping me make manifest so much of what I am teaching I want to give it to you but can't do that until I get you on the first step I got to go step by step to the first step to get you to see but once you see you will be like the donkey Balaam was riding Remember the donkey had never had a conversation with an angel He was confounded to see an angel standing before him teaching him the knowledge of what he was carrying on his back Allah is making manifest the truth all out in the streets all around you and above you so we don't have to go after it like we did 40 years ago What I've been saying is only to shape you for listening to the real thing that I want to give you I have just now got up to the steps of what I intend to teach you and seeing that you do not know these steps that I am taking I build them all up one by one to you then when I get you up to the floor you can take a seat and sit down
