Y Pai

The True History Of A Little Ragamuffin Russian Edition:

Fairy Tales and True Stories Ben Hellman, 2013-08-15 Russian literature for children and young people has a history that goes back over 400 years starting in the late sixteenth century with the earliest alphabet primers and passing through many different phases over the centuries that followed It has its own success stories and tragedies talented writers and mediocrities bestsellers and long forgotten prize winners After their seizure of power in 1917 the Bolsheviks set about creating a new culture for a new man and a starting point was children's literature 70 years of Soviet control and censorship were succeeded in the 1990s by a re birth of Russian children's literature This book charts the whole of this story setting Russian authors and their books in the context of translated literature critical debates and official cultural policy

Russian Children's Literature and Culture Marina Balina, Larissa Rudova, 2013-02-01 Soviet literature in general and Soviet children's literature in particular have often been labeled by Western and post Soviet Russian scholars and critics as propaganda Below the surface however Soviet children's literature and culture allowed its creators greater experimental and creative freedom than did the socialist realist culture for adults This volume explores the importance of children's culture from literature to comics to theater to film in the formation of Soviet social identity and in connection with broader Russian culture history and society

British Children's Literature in Japanese Culture Catherine Butler, 2023-09-21 Whether watching Studio Ghibli adaptations of British children's books visiting Harry Potter sites in Britain or eating at Alice in Wonderland themed restaurants in Tokyo the Japanese have a close and multifaceted relationship with British children's literature In this the first comprehensive study to explore this engagement Catherine Butler considers its many manifestations in print on the screen in tourist locations and throughout Japanese popular culture Taking stock of the influence of literary works such as Gulliver's Travels Alice's Adventures in Wonderland The Tale of Peter Rabbit Tom's Midnight Garden and the Harry Potter series this lively account draws on literary criticism translation film and tourist studies to explore how British children's books have been selected translated understood adapted and reworked into Japanese commercial touristic and imaginative culture Using theoretically informed case studies this book will consider both individual texts and their wider cultural contexts translations and adaptations such as the numerous adaptations of British children's books by Studio Ghibli and others the dissemination of distinctive tropes such as magical schools into Japanese children's literature and popular culture and the ways in which British children's books and their settings have become part of way that Japanese people understand Britain itself

Translating England into Russian Elena Goodwin, 2019-12-26 From governesses with supernatural powers to motor car obsessed amphibians the iconic images of English children's literature helped shape the view of the nation around the world But as Translating England into Russian reveals Russian translators did not always present the same picture of Englishness that had been painted by authors In this book Elena Goodwin explores Russian translations of classic English children's literature considering how representations of Englishness depended on

state ideology and reflected the shifting nature of Russia's political and cultural climate. As Soviet censorship policy imposed restrictions on what and how to translate, this book examines how translation dealt with and built bridges between cultures in a restricted environment in order to represent images of England. Through analysing the Soviet and post-Soviet translations of Rudyard Kipling, Kenneth Grahame, J. M. Barrie, A. A. Milne, and P. L. Travers, this book connects the concepts of society, ideology, and translation to trace the role of translation through a time of transformation in Russian society. Making use of previously unpublished archival material, Goodwin provides the first analysis of the role of translated English children's literature in modern Russian history and offers fresh insight into Anglo-Russian relations from the Russian Revolution to the present day. This ground-breaking book is therefore a vital resource for scholars of Russian history and literary translation.

Children's Literature Comes of Age Maria Nikolajeva, 2015-08-27 Originally published in 1996. A detailed analysis of the art of children's literature covering world literature for children. Children's literature as a canonical art form, the history of children's literature from a semiotic perspective, and epic polyphony, chronotope, intertextuality, and metafiction in children's literature.

The Country of the Dwarfs Paul B. Du Chaillu, 2021-05-19. In *The Country of the Dwarfs* Paul B. Du Chaillu offers a captivating narrative that blends adventure, anthropology, and cultural observation. Set against the backdrop of the African continent, the book details Du Chaillu's encounters with the Pygmy peoples, exploring their customs, realities, and the challenges they face. His literary style is vivid and descriptive, capturing not only the sights and sounds of the unique landscapes but also the richness of the social structures he encounters. Written in the context of the late 19th century, a period marked by burgeoning European interest in exploration, Du Chaillu's work serves as both a personal account and a broader commentary on Western perceptions of Africa and its indigenous communities. Paul B. Du Chaillu, a pioneering anthropologist and explorer, was deeply influenced by his own background as a child of a French father and a German mother, which instilled in him a sense of curiosity about diverse cultures. His travels in Africa, particularly in the regions inhabited by the Pygmies, informed his understanding of human diversity. Du Chaillu's commitment to documenting and respecting the cultures he encountered

makes his work a crucial contribution to both literature and anthropology I highly recommend *The Country of the Dwarfs* to readers interested in exploration narratives and cross cultural studies Du Chaillu's engaging prose and insightful observations provide a profound understanding of a world that is often overlooked making it a significant read for anyone interested in the complexities of human societies and the legacies of colonialism In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Memoirs Andrei D. Sakharov, 1992 The memoirs of the Soviet physicist and Nobel Peace Prize winning dissident who at enormous personal cost laid the foundations for the profound political changes sweeping the Soviet Union to this day 32 pages of black and white photos First time in paperback *Catalogue of the Free Public Library of Lynn, Mass.
