Summary of Overeaters Anonymous's The Twelve Steps and Twelve Traditions of Overeaters Anonymous

Everest Media,2022-04-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Overeaters Anonymous has a program of recovery that has helped thousands of compulsive overeaters stop eating compulsively The program is based on the twelve steps and it offers a solution that works 2 Compulsive overeating is a disease that cannot be controlled by willpower It stems from an abnormal reaction to food which is different from the reaction of a normal eater We will always have these abnormal tendencies 3 We must abstain from all foods and eating behaviors that cause us problems If we don't ever overeat we won't be triggered to crave more But this too has proven impossible for us to do by our willpower alone 4 We are all compulsive overeaters and as long as we believe that we already know what is best for us we will cling to our habitual ways of thinking and acting But as long as we believe that we can handle life through self will alone we will continue to fail *The Twelve Steps and Twelve Traditions of Overeaters Anonymous*,1995
