The Two Princes Of Calabar The Two Princes Of Calabar:

The Two Princes of Calabar Randy J. Sparks, 2009-07-01 In 1767 two princes of a ruling family in Old Calabar on the slave coast of Africa were captured by English slavers The princes were themselves slavers betrayed by African competitors and so began their own odyssey of enslavement Their story written in their own hand survives as a rare firsthand account of the Atlantic slave experience

The Two Princes of Calabar Randy J. Sparks, 2004-03-29 Offering a rare glimpse into the slave trade on the Atlantic in the 18th century from an African perspective this is the story of two princes slave traders themselves who were betrayed into slavery by African competitors

Captives and Voyagers Alexander X. Byrd, 2010-09 Jamestown and Plymouth serve as iconic images of British migration to the New World A century later however when British migration was at its peak the vast majority of men women and children crisscrossing the Atlantic on English ships were of African not English descent Captives and Voyagers a compelling study from Alexander X Byrd traces the departures voyages and landings of enslaved and free blacks who left their homelands in the eighteenth century for British colonies and examines how displacement and resettlement shaped migrant society and in turn Britain's Atlantic empire Captives and Voyagers breaks away from the conventional image of transatlantic migration and illustrates how black men and women enslaved and free came to populate the edges of an Anglo Atlantic world Whether as settlers in Sierra Leone or as slaves in Jamaica these migrants brought a deep and affecting experience of being in motion to their new homelands and as they became firmly ensconced in the particulars of their new local circumstances they both shaped and were themselves molded by the demands of the British Atlantic world of which they were an essential part Byrd focuses on the two largest and most significant streams of black dislocation the forced immigration of Africans from the Biafran interior of present day southeastern Nigeria to Jamaica as part of the British slave trade and the emigration of free blacks from Great Britain and British North America to Sierra Leone in West Africa By paying particular attention to the social and cultural effects of transatlantic migration on the groups themselves and focusing as well on their place in the British Empire Byrd illuminates the meaning and experience of slavery and liberty for people whose journeys were similarly beset by extreme violence and catastrophe By following the movement of this representative population Captives and Voyagers provides a vitally important view of the British colonial world its intersection with the African diaspora Captives and Voyagers traces the departures voyages and landings of enslaved and free blacks who left their homelands in the eighteenth century for British colonies and examines how displacement and resettlement shaped migrant society and in turn Britain's Atlantic empire Alexander X Byrd focuses on the two largest and most significant streams of black dislocation the forced migration of Africans from the Biafran interior of present day southeastern Nigeria to Jamaica as part of the British slave trade and the journeys of free blacks from Great Britain and British North America to Sierra Leone in West Africa By paying particular attention to the social and cultural effects of transatlantic migration on the groups themselves and focusing as well on their place in the British Empire Byrd

illuminates the meaning and experience of slavery and liberty for people whose movements were similarly beset by extreme violence and catastrophe Biography and the Black Atlantic Lisa A. Lindsay, John Wood Sweet, 2014 In this volume leading historians reflect on the recent biographical turn in studies of slavery and the modern African diaspora This collection presents vivid glimpses into the lives of remarkable enslaved and formerly enslaved people who moved struggled and endured in the eighteenth and nineteenth century Atlantic world The Atlantic World of Anthony Benezet (1713-1784) Marie-Jeanne Rossignol, Bertrand Van Ruymbeke, 2016-09-07 In *The Atlantic World of Anthony Benezet 1713 1784* From French Reformation to North American Quaker Antislavery Activism Marie Jeanne Rossignol and Bertrand Van Ruymbeke offer the first scholarly study fully examining Anthony Benezet inspirator of 18th century antislavery activism as an Atlantic figure Contributions cover his Huguenot heritage and later influence on the French antislavery movement which had never been explored as thoroughly before as well as his Quaker faith and connections with the Quaker community in the British Atlantic world in the North American colonies as well as in Britain Beyond the Quaker community his preoccupation with Africa is highlighted and further research is also encouraged reconciling Benezet studies with those on black rebels and founders in the Atlantic world The Life and Times of the Rev. The publications of the interdisciplinary and internationally networked Research Platform World Order Religion Violence seek to improve our understanding of the relationship between religion politics and violence. It therefore deals especially with the return of religious themes and symbols into politics with the analysis of the link between political theory and religion and finally with the critical discussion of the secularization thesis. At the centre of the research are questions concerning the causes of violent conflict, the possibilities for a just world order and the conditions for peaceful coexistence on a local, regional, national and international worldwide scale between communities in the face of divergent religious and ideological convictions. Its task is to initiate and coordinate thematically related research efforts from various disciplinary backgrounds at the University of Innsbruck. It creates a network between departments, research teams and single researchers working on topics of religion politics and violence. The overall aim of the research platform World Order Religion Violence is to promote excellence in social and human science research on religion and politics at the University of Innsbruck and to guarantee the diffusion of this particular competence on a national and international level.
