The Unsung Songwriters:

The Unsung Songwriters Warren W. Vaché, 2000-04-05 Contrary to the widely held opinion that most of our hit and standard songs were composed by a handful of top writers Berlin Gershwin Kern Porter and Rodgers the fact is that the vast majority of them were written by relatively unknown composers *Confessions of a Serial Songwriter* Shelly Peiken, 2016-03-01 Book *Confessions of a Serial Songwriter* is an amusing and poignant memoir about songwriter Shelly Peiken's journey from young girl falling under the spell of magical songs to working professional songwriter writing hits of her own It's about growing up the creative process the highs and the lows the conflicts that arise between motherhood and career success the divas and schemers but also the talented and remarkable people she's found along the way It's filled with stories and step by step advice about the songwriting process especially collaboration And it's about the challenge of staying relevant in a rapidly changing and youth driven world As Shelly so eloquently states in *Confessions of a Serial Songwriter* If I had to come up with one X factor that I could cite as a characteristic most hit songs have in common and this excludes hit songs that are put forth by an already well oiled machine that is a recording artist who has so much notoriety and momentum that just about anything he or she releases as long as it's pretty good will have a decent shot at succeeding I would say it would be A universal sentiment in a unique frame Peiken has tapped the universal sentiment again and again her songs have been recorded by such artists as Christina Aguilera Natalie Cole Selena Gomez Celine Dion the Pretenders and others In *Confessions of a Serial Songwriter* she pulls the curtain back on the music business from the perspective of a behind the scenes hit creator and shares invaluable insight into the craft of songwriting [The Songwriter's Voice](#) Pasquale De Marco, In this inspiring and insightful book we take a journey into the world of singer songwriters We learn about their creative process their struggles and their triumphs We also hear their stories in their own words Songwriters are the unsung heroes of the music industry They are the ones who write the songs that we all love to sing along to They are the ones who capture our emotions and put them into words and music But what is it like to be a songwriter What are the challenges and rewards What is the creative process like And how do you make a living as a songwriter In this book we answer all of these questions and more We also hear from some of the most successful songwriters in the world including Taylor Swift Ed Sheeran and Lady Gaga We learn about the different types of songwriters from the storytellers who weave intricate tales to the social commentators who use their music to speak out about important issues We also learn about the different ways that songwriters can make a living from touring and performing to writing songs for other artists But this book is more than just a guide to the music industry It is also a celebration of the art of songwriting and the incredible talent of the men and women who create our favorite songs So whether you are an aspiring songwriter a music fan or simply someone who loves a good story this book is for you In these pages you will find inspiration motivation and practical advice You will also find a new appreciation for the art of songwriting and the incredible talent of the singer songwriters who create our favorite songs If

The Life and Music of Kenny Davern Edward N. Meyer,2010-07-09 Clarinetist Kenny Davern ranked among the best jazz musicians for over 50 years The unique and instantly recognizable sound of his clarinet coupled with a wide ranging intellect and quick sense of humor drew praise and applause and endeared him to his fans and friends *The Life and Music of Kenny Davern* tells the story of this fascinating musician who had a vision of how he wanted his music to sound and who persisted in the face of adversity until he achieved that vision Edward N Meyer conducted interviews with friends family colleagues and

critics of Kenny Davern as well as the man himself to gain a comprehensive and personal narrative of the artist's life. Beginning with the tragic events that shaped his early life, Meyer traces Davern's growth from a young boy raised in an atmosphere of conflict into an acclaimed, self-assured musician and a warm and loving husband and father. Meyer describes the state of the jazz music business in the last half of the 20th century and fully establishes Davern's status within that scene. Meyer also explores a side of Davern that the public never saw: Davern's hunger for reading made him a knowledgeable and well-respected person with experts outside the world of jazz. With more than 30 photos, a comprehensive discography, bibliography, and index, this volume will fascinate jazz students, fans, and scholars. Music and the Creative Spirit Lloyd Peterson, 2006-07-27

Like most ground-breaking art forms, contemporary creative music is rarely understood or accepted in its own time, and for those reasons can largely go unheard. *Music and the Creative Spirit: Innovators in Jazz, Improvisation, and the Avant Garde* aims to give today's brightest music innovators due recognition and respect, celebrating their work and creativity. Through personal interviews, artists such as Pat Metheny, Regina Carter, Joshua Redman, Fred Anderson, Dave Holland, Bill Frisell, David Murray, and John Zorn, to name just a few, offer clear, frank discussions about music, creativity, work, society, culture, current events, and more. Author Lloyd Peterson has hand-picked these artists specifically for their ability to express themselves through their own creative voices and transcend their art form through the strength of their own ingenious spirit. Their music eschews categorization, genre, or style, and the book necessarily takes a broader view of jazz, tapping into the inventive aspect that is difficult to describe or teach and is rarely discussed. By allowing the innovators an opportunity to speak for themselves, readers are afforded a clearer sense of their attitudes and approaches, their ways of working, and their views of contemporary music and society. **Good Vibes** Terry Gibbs, Cary Ginell, 2003-03-04

A foreword by Chubby Jackson, a discography, and an index round out this captivating volume. **BOOK JACKET** **Jazz Books in the 1990s** Janice Leslie Hochstat Greenberg, 2010-03-18

Berlin's spiritual godson George Gershwin in his brief but incandescent career straddled Tin Pan Alley and Carnegie Hall charming everyone in his orbit. Possessed of a world class ego Gershwin was also generous, exciting and utterly original. Half a century later Gershwin love songs like "Someone to Watch Over Me," "The Man I Love" and "Love Is Here to Stay" are as tender and moving as ever. Sheed also illuminates the unique gifts of the great jazz songsters Hoagy Carmichael and Duke Ellington conjuring up the circumstances of their creativity and bringing back the thrill of what it was like to hear "Georgia on My Mind" or "Mood Indigo" for the first time. The Golden Age of song sparked creative breakthroughs in both Broadway musicals and splashy Hollywood extravaganzas. Sheed vividly recounts how Cole Porter, Richard Rodgers, Jerome Kern and Johnny Mercer spread the melodic wealth to stage and screen. Popular music, as writes Sheed, far and away our greatest contribution to the world's art supply in the so-called American Century. Sheed hung out with some of the great artists while they were still writing and better than anyone he knows great music: its shimmer, bite and exuberance. Sparkling with wit, insight and the grace notes of wonderful songs, *The House That George Built* is a heartfelt, intensely personal portrait of an unforgettable era. A delightfully charming, funny and most illuminating portrait of songwriters and the Golden Age of American Popular Song. Mr. Sheed's carefully chosen depictions and anecdotes recapture that amazingly creative period, a moment in time in which I was so fortunate to be surrounded by all that magic. Margaret Whiting
