sequence for the couplets Something that is lacking in all available divans The translations are accurately and charmingly done in the form of uni rhymed ghazal and each one is preceded by the original and followed by a commentary something that has never been done before This book is written for English speaking people who wish to know Hafez especially the siblings of the Iranians in diaspora whose children have heard the praise of Hafez from their parents but are unable to read him in Farsi It is for them to read him in english and put to test the judgment of their parents

Beloved A. M. A. Hafez, 2018-09-27 Hafez is one of the best known medieval Persian mystic poets as celebrated and popular as his near contemporary Rumi As with Rumi modern translations have a strong appeal to today s readers Both ardent mystic and lover Hafez fuses earthly and divine love

The Green Sea of Heaven Hafiz, 2024-12-03 Authoritative edition of Hafiz s most important poems including original Persian and brilliant English translations Recent translations of Hafiz have been controversial Omid Safi an Islamic studies scholar at Duke notes that there are so many fake translations of Hafiz floating around offering versions that have no earthly connection to anything that the Persian poet and sage of Shiraz named Hafiz ever said Elizabeth Gray offers us something different poetic translations rooted in close readings of the original Persian developed in consultation with a native speaker scholar A ghazal is usually understood to mean lyric poetry concerned with love But what had been a courtly love lyric concerned with wine and physical beauty became in the hands of Sufis like Farid ud D n Attar and Jalal ud D n Rumi a way to describe a mystic s relationship with God Ghazals also became a means of veiling from theological and political conservatives the Sufi belief in the possibility of an intuitive personal union with God H fiz became the greatest of all Sufi poets called the Tongue of the Invisible and the Interpreter of Mysteries His command of the ghazal s traditional imagery and themes blends eroticism mysticism and panegyric into verse of unsurpassed beauty His eighty ghazals are presented in this book Persian originals appear on facing pages to brilliant English translations of Gray and Anvar In the afterword Persian scholar Daryush Shayegan notes how there is no antagonism between the earthly wine and the divine wine just as there is none between

COMMENTS ON PAUL SMITH'S
TRANSLATION OF HAFIZ'S DIVAN

It is not a joke the English version of ALL the ghazals of Hafez is a great feat and of paramount importance I am astonished If he comes to Iran I will kiss the fingertips that wrote such a masterpiece inspired by the Creator of all Dr Mir Mohammad Taghavi Dr of Literature Tehran Superb translations 99% Hafez 1% Paul Smith Ali Akbar Shapurzman translator of English to Persian and knower of Hafiz's Divan off by heart Smith has probably put together the greatest collection of literary facts and history concerning Hafez Daniel Ladinsky Penguin Books author Paul Smith is a poet author and translator of many books of Sufi poets of Persian Arabic Urdu Turkish and other languages including Hafiz Sadi Nizami Rumi Attar Sana'i Jahan Khatun Obeyd Zakani Mu'in Amir Khusrau Nesimi Kabir Anvari Ansari Jami Khayyam Hallaj Rudaki Yunus Emre Ghalib Iqbal Makhfi Lalla Ded Abu Nuwas Ibn al Farid and many others as well as his own poetry fiction plays biographies kids books 12 screenplays www.newhumanitybooks.com Hafez Hāfiz, 2014 Poetry Middle Eastern Studies Translated from the Farsi by Geoffrey Squires Thought by many to be untranslatable the great 14th century Persian poet Hafez who has been celebrated by figures as different as Goethe Emerson and Bunting has at last found the voice in English that he deserves Geoffrey Squires who lived in Iran for three years gives powerful insight into that culture with these translations of the work of one of its iconic figures Based on 248 ghazals just over half the Divan this is one of the most comprehensive translations ever to appear and also one of the most varied revealing aspects of the work courtly lyrical satirical mystical that will surprise and delight many Squires brings a poet's ear to the task capturing the energy wit and beauty of the original which after all this time still speaks to us He also breaks new ground in terms of translation strategy using short interstitial prose pieces to punctuate and point the text Detailed background notes are provided and there is an extensive bibliography in Farsi English and French Geoffrey Squires translations of Hafez are not only beautiful and they are but innovate a new approach to the translation and presentation of poets from the distant and exotic past In finding fresh means to show Hafez in context Squires composes a work both faithful to Hafez and with a narrative power that opens a true dialogue between present and past His Hafez in that sense sets a new standard for our time and for years to come Jerome Rothenberg In their careful musical painterly pointing of difference in similarity stress inside equanimity and singularity breaking the continuum Geoff Squires Hafez translations weave a shimmering *moiré* fabric from the old and the new the strange and the deceptively familiar Squires is the best of hosts too offering small genial and always useful interventions tiny palate cleansers of data or abstract form which arrive before you knew you needed them If Paul Blackburn had improvised a verbal riff on *Astrophil and Stella* and Brian Coffey had written it down they might have come close to but would never equal the marvelous sensual minimalism of Hafez and Squires Peter Manson Geoffrey Squires is a poet of note What strikes me is his capacity to put into words what is fluid or elusive writing characterized by the innerness of its language This explains why he has an affinity with Hafez His long absorption in the world of Iran has led him to the masterpieces of its literature

Analyzing Hafez in the light of his predecessors such as Ayn al Qozat he explores among other themes the mystic gulf between belief and faith A richly mature work this translation brings a new lustre to the jewel that is Hafez Charles Henri de Fouch cour
