Arnell,2021-07-20 You know her You ve seen her You may even see yourself in her A dying rock star A tail less cat A psychic who said the spirit world wasn t interested in her Mix in an ex monk an eighteen pound tumor raging teenage children cancer and a whole lot of self pity and you ll find yourself in the middle of this midlife crisis This memoir follows a successful middle aged woman who sometimes drinks too much has unfulfilling sex pities herself for being divorced and alone loses her business along with her self esteem and lacks the gratitude to be thankful for the many good things in her life all in the face of a cancer diagnosis It s funny because it s true It s sad because it s true But in the end there will be lobster for brunch so bring your bib because middle age gets really messy **You Light Up My Midlife Crisis** Robyn Peterman,2021-05-17

Midlife is definitely a journey The road has massive potholes And the crisis it s the gift that keeps on giving Being forty is supposed to be freaking fabulous not fatal Taking on a daunting new job minus the description isn t the smartest move I ve ever made even if it was to save a friend Hopefully it doesn t turn out to be the stupidest or deadliest Why can t things stay the way they were I love my old job Supergluing ghosts back together and solving their issues is its own reward Not to mention I m seriously good at it Although I must say I m ridiculously excited for the new Death Counselor s arrival in nine months Adding to my problems there are four new angels in town who are riding my butt and judging every move I make Literally Who knew destroying one Immortal could cause me so much trouble If I m found guilty I ll be pushing up daisies Luckily my nutty friends have my back and the Grim Reaper has my heart What could possibly go wrong Nothing is impossible I am living proof Let s just hope I live to prove it **Its Not a Midlife Crisis Its an Opportunity** Andrew G.

Marshall,2017-04-04 It s good to take stock from time to time but at forty or fifty something you can find that you re dissatisfied and bored The temptation is to take a wrecking ball to your life but that risks alienating your partner and your children without necessarily ending up any happier Just gritting your teeth doesn t work either anyway you ve already tried that Fortunately there s another way to become fulfilled and lead the life that s right for you rather than what your parents society or anybody else thinks If you re fed up with life questioning whether you should stay married or thinking you might be better off with someone else marital therapist Andrew G Marshall has a radical idea to help you move from the first half to the second of your life without messing everything up it s not a midlife crisis it s an opportunity He explains in part one The

three central questions you need to answer and why everybody else is distracting themselves and avoiding facing them How to put what's happening now into the context of your whole life journey How to avoid the tempting short cuts that cause more heartache in the long term Why if you pass this midlife test everything is up from here Why you're not in the wrong If it's your partner who has turned grumpy critical and blames you for everything you will be feeling alone and full of despair Don't worry in part two of this compassionate book Andrew G Marshall explains A whole new vocabulary for discussing the midlife crisis without putting your partner's back up What's really going on in your partner's head What causes depression and how to help Five killer replies to the blocks that stops you talking properly about your marriage Why you're not in the wrong Together you will learn three new skills that will either change your marriage into the connected fulfilling and loving relationship of which you've always dreamed or help you separate amicably and be great coparents together *Create Your Own Midlife Crisis Hc* Marie Phillips, 2021-06 Midway through our lives we wonder how we ended up here secretly wishing we could set flame to everything and walk away in slow motion leaving all our responsibilities boring routines and demanding bosses behind But this is adulthood This is how it has to be And there is no way to start life over again Or is there In the style of choose your own adventure stories CREATE YOUR OWN MIDLIFE CRISIS will give you the chance to try all the roads not taken To take your mother to a nightclub turn to page 68 To buy a motorcycle turn to page 74 To agree to a swingers night turn to page 82 To quit this stupid job go to page 108 Whether it's an affair with a younger man ayahuasca or just telling your boss to shove it choose from countless hilarious and surprising outcomes **The Breaking Point** Sue Shellenbarger, 2005 Emboldened by the financial independence to act upon midlife desires exhausted by decades of playing super mom women are shedding the age roles of the past in favor of new pursuits in adventure sports sex education and spirituality And in the process they are rewriting all the rules **Early Mid-life Women** James Floyd Conway, 1989
