In the Line of Fire Ace Collins, 2018-05-15. Dogs have become more than mere pets in the eyes of many these companions are friends and family. But when it comes to dogs that serve in the military they become equal members of the team. Each day these canines actions and reactions to often difficult situations impact the personal safety and care of men and women as they serve their communities and country. In *The Line of Fire* More Stories of Man's Best Hero shares moving and exciting stories of a dozen amazing canines whose lives have been constantly on the line. Dogs that set forth on lifesaving missions and even became goodwill ambassadors empowering those with whom they work. Their incredible missions showcase the most positive aspects of the units with whom they've worked while serving as narratives that teach mankind about courage, faith and loyalty. After hearing these often edge-of-the-seat tales you might be encouraged to emulate the very animals that serve us. **Soldier Dogs** Maria Goodavage, 2012-12-31. A leading reporter offers a tour of military working dogs extraordinary training, heroic accomplishments and the lasting impacts they have on those who work with them. People all over the world have been riveted by the story of Cairo the Belgian Malinois who was a part of the Navy SEAL team that

led the raid on Osama bin Laden's compound. A dog's natural intelligence, physical abilities, and pure loyalty contribute more to our military efforts than ever before. You don't have to be a dog lover to be fascinated by the idea that a dog, the cousin of that furry guy begging for scraps under your table, could be one of the heroes who helped execute the most vital and high-tech military mission of the new millennium. Now Maria Goodavage, editor and featured writer for one of the world's most widely read dog blogs, tells heartwarming stories of modern soldier dogs and the amazing bonds that develop between them and their handlers. Beyond tales of training operations, retirement, and adoption into the families of fallen soldiers, Goodavage talks to leading dog cognition experts about why dogs like nothing more than to be on a mission with a handler they trust, no matter how deadly the IEDs they are sniffing, nor how far they must parachute or rappel from aircraft into enemy territory. Military working dogs live for love and praise from their handlers, says Ron Aiello, president of the United States War Dogs Association and a former marine scout dog handler. The work is all a big game, and then they get that pet that praise. They would do anything for their handler. This is an unprecedented window into the world of these adventurous loving warriors.

Secret Service Dogs Maria Goodavage, 2016 US members of state are protected by service dogs and their handlers. Secret Service Dogs shines a spotlight on some of these canine heroes from Hurricane, a Belgian Malinois with four titanium teeth, to Roadee, a little terrier mix with a big attitude. It's a must read for dog lovers and anyone who wants a behind-the-scenes look at one of the most captivating programs of the United States Secret Service. *Soldier Dogs* Maria Goodavage, 2012 From Stubby, who fought in WWI, to Cairo, a member of the raiding party that took down Osama Bin Laden, here are inspiring stories that go behind the front line to reveal military canines' heroic deeds and the unbreakable bond between dog and handler. The trainers and scientists who work with them disclose how canines are made into soldiers, and families of fallen troops share stories of their hard-earned retirement and adoption. *Soldier Dogs* gives an unprecedented window into the world of these adventurous loving and loyal warriors. A great read for anyone who appreciates dogs and heroes. Stanley Coren, author of *The Intelligence of Dogs* and *Born to Bark*. **The California Dog Lover's Companion** Maria Goodavage, 1996
