From the Directors' Chair

Since July was such a hot month, I really thought it might lighten up a little in August – but so far Mother Nature has proved me wrong. I am surely getting tired of these days with over 100 degree temperatures as it is affecting my desire to ride.

On July 7th, several Chapter O members met at the Cracker Barrel in Buda to have a good breakfast before heading to San Marcos to Dick's Classic Car Garage. Billy Lane, Steven Thomas, Richard Seay and Tom Andrews attended the grand opening event. Richard says there is also an antique car museum in Rosaroy which would be a great ride for someone to lead. Remember, anyone can lead a ride.

On July 18th, Chapter O hosted a GWRRA Leadership Training Day in Pflugerville. Lynn and Mark Hoernsman us through the Member Orientation Program. Even though most of us aren't really new members, it was very interesting. We learned about the History and Structure of GWRRA, Helpful Info for New Members, Member Benefits and Horizons Overviews, Training the Members, How to Participate and How to Have Fun at a Rally. We proved that we already knew how to have fun at the training day. The Hoerns did a great job and we all learned something and had fun. We had approxmately 14 members in attendance – the Lane, Poillards, Reeses, Osborns, Winfields, and Jennifer and Jerry Carr. Thanks to all who participated and thanks to the Hoerns for putting it together.

On July 27th, the Reeses, the Poillards, and Billy Lane rode out to Cowboy Henda to meet with the general manager Hal Burke about their interest in becoming a

sponsor for Chapter O. They have a small classroom that we can have access to (it holds about 12-14 people). They have a very large parking lot in the back that we could use for parking lot practice. If we decided to start a ride from there, they would provide donuts and coffee for us and we are discussing some sort of discount for Chapter O members. They have a beautiful showroom, very friendly staff and they really want to be our Florida dealer and sponsor for our chapter.

On July 28th, Richard led an impressive ride to provide the route for the Burke Center for Youth Rally Event. Richard, Randy, Billy, Mark, and John C went on the ride. They headed to Round Mountain for breakfast but found out when they arrived that the restaurant didn't open until 11:00 so they headed on to Marble Falls to the famous Blackboard Café and that is always good.

Thanks to Linda Poillard who has agreed to coordinate our Christmas Party. She has a lot of good ideas and is waiting to check out locations and will be updating us soon.

We have been looking for a new scrapbook coordinator to replace Joan Miller who stepped down due to other commitments. Well we have found a willing volunteer! Let's welcome Tami Uptain as our new scrapbook coordinator. Also, thanks to Joas for doing the task for several years. Please let Tami know if you have pictures or ideas as she picks up the reins. We often enter our scrapbook in the scrapbook competitions at various rallies so keep an eye out for Tami's work.

We are looking for someone to prepare a member spotlight for our next newsletter. If you are interested in preparing one for our next newsletter, just send the information to Mark Hoerns, our newsletter editor, at

James Z. George Timothy B. Smith, 2012-03-01 When the Mississippi school boy is asked who is called the Great Commoner of public life in his state wrote Mississippi's premier historian Dunbar Rowland in 1901 he will unhesitatingly answer James Z. George While George's prominence along with his white supremacist views have decreased through the decades since then many modern historians still view him as a supremely important Mississippian with one writing that George 1826-1897 was Mississippi's most important Democratic leader in the late nineteenth century Certainly the Mexican War veteran prominent lawyer and planter Civil War officer Reconstruction leader state Supreme Court chief justice and Mississippi's longest serving United States senator to that time deserves a full biography And George's importance was greater than just on the state level as other southerners copied his tactics to secure white supremacy in their own states That James Z. George has never had a full academic biography is inexplicable James Z. George Mississippi's Great Commoner seeks to rectify the lack of attention to George's life In doing so this volume utilizes numerous sources never or only slightly used primarily a large collection of George's letters held by his descendants and never used by historians Such wonderful sources allow a glimpse not only into the life and times of James Z. George but perhaps more importantly an exploration of the man himself his traits personality and ideas The result is a picture of an extremely commonplace individual on the surface but an exceptionally complicated man underneath James Z. George Mississippi's Great Commoner will bring this important Mississippi leader of the nineteenth century back into the minds of twenty first century Mississippians

The Power of Femininity in the New South Anastatia Sims,1997 *The Power of Femininity in the New South* demonstrates how the legendary strength and moral authority of the South s steel magnolias inspired turn of the century women to move from the parlor to the political arena With a comprehensive examination of the women s voluntary associations that proliferated in North Carolina between 1880 and 1930 Anastatia Sims chronicles the emergence of women both black and white in a political terrain torn between the tyranny of white supremacy and the promise of Progressive reform She tells how organized women as they called themselves came to terms with a sacred cultural icon of the antebellum South the complex often contradictory ideal of southern femininity and how they explored the ideal s possibilities discovered its limitations and ultimately transformed it by their own actions

Federal Trade Commission, 1928 **The Crown Colonist** , 1941 *Wilmington's Lie* David Zucchino, 2020-01-07 A Pulitzer Prize winning searing account of the 1898 white supremacist riot and coup in Wilmington North Carolina By the 1890s Wilmington was North Carolina s largest city and a shining example of a mixed race community It was a bustling port city with a burgeoning African American middle class and a Fusionist government of Republicans and Populists that included black aldermen police officers and magistrates There were successful black owned businesses and an African American newspaper The Record But across the state and the South white supremacist Democrats were working to reverse the advances made by former slaves and their progeny In 1898 in response to a speech calling for white men to rise to the defense of Southern womanhood against the supposed threat of black predators Alexander Manly the outspoken young Record editor wrote that some relationships between black men and white women were consensual His editorial ignited outrage across the South with calls to lynch Manly But North Carolina s white supremacist Democrats had a different strategy They were plotting to take back the state legislature in November by the ballot or bullet or both and then use the Manly editorial to trigger a race riot to overthrow Wilmington s multi racial government Led by prominent citizens including Josephus Daniels publisher of the state s largest newspaper and former Confederate Colonel Alfred Moore Waddell white supremacists rolled out a carefully orchestrated campaign that included raucous rallies race baiting editorials and newspaper cartoons and sensational fabricated news stories With intimidation and violence the Democrats suppressed the black vote and stuffed ballot boxes or threw them out to win control of the state legislature on November 8th Two days later more than 2 000 heavily armed Red Shirts swarmed through Wilmington torching the Record office terrorizing women and children and shooting at least sixty black men dead in the streets The rioters forced city officials to resign at gunpoint and replaced them with mob leaders Prominent blacks and sympathetic whites were banished Hundreds of terrified black families took refuge in surrounding swamps and forests This brutal insurrection is a rare instance of a violent overthrow of an elected government in the United States It halted gains made by blacks and restored racism as official government policy cementing white rule for another half

century It was not a race riot as the events of November 1898 came to be known but rather a racially motivated rebellion launched by white supremacists In Wilmington s Lie Pulitzer Prize winner David Zucchino uses contemporary newspaper accounts diaries letters and official communications to create a gripping and compelling narrative that weaves together individual stories of hate and fear and brutality This is a dramatic and definitive account of a remarkable but forgotten chapter of American history Preliminary Inventory ,1953 **The Waterloo Directory of Scottish Newspapers and Periodicals, 1800-1900** John S.
