Torchlight to Valhalla Gale Wilhelm, 1975 Problems of a lesbian Set in Berkeley and San Francisco Cf Hanna A Mirror for the nation

American Night Alan M. Wald, 2012-10-15 American Night the final volume of an unprecedented trilogy brings Alan Wald's multigenerational history of Communist writers to a poignant climax Using new research to explore the intimate lives of novelists poets and critics during the Cold War

A Companion to American Literature Susan Belasco, Theresa Strouth Gaul, Linck Johnson, Michael Soto, 2020-04-03 A comprehensive chronological overview of American literature in three scholarly and authoritative volumes A Companion to American Literature traces the history and development of American literature from its early origins in Native American oral tradition to 21st century digital literature This comprehensive three volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field Contributors explore a broad range of topics in historical cultural political geographic and technological contexts engaging the work of both well known and non canonical writers of every period Volume One is an inclusive and geographically expansive examination of early American literature applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts Volume Two covers American literature between 1820 and 1914 focusing on the development of print culture and the literary marketplace the emergence of various literary movements and the impact of social and historical events on writers and writings of the period Spanning the 20th and early 21st centuries Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars This inclusive and comprehensive study of American literature Examines the influences of race ethnicity gender class and disability on American literature Discusses the role of technology in book production and circulation the rise of literacy and changing reading practices and literary forms Explores a wide range of writings in multiple genres including novels short stories dramas and a variety of poetic forms as well as autobiographies essays lectures diaries journals letters sermons histories and graphic narratives Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries A Companion to American Literature is a valuable resource for students coming to the subject for the first time or preparing for field examinations instructors in American literature courses and scholars with more specialized interests in specific authors genres movements or periods

Wide-Open Town Nan Alamilla Boyd, 2003-05-23 Wide Open Town traces the history of gay men and lesbians in San Francisco from the turn of the century when queer bars emerged in San Francisco's tourist districts to 1965 when a raid on a drag ball changed the course of queer history Bringing to life the striking personalities and vibrant milieu that fueled this era Nan Alamilla Boyd examines the culture that developed around the bar scene and homophile activism She argues that the communities forged inside bars and taverns functioned politically and ultimately offered practical and ideological responses to the policing of San Francisco's

queer and transgender communities Using police and court records oral histories tourist literature and manuscript collections from local and state archives Nan Alamilla Boyd explains the phenomenal growth of San Francisco as a wide open town a town where anything goes She also relates the early history of the gay and lesbian civil rights movement that took place in San Francisco prior to 1965 Wide Open Town argues that police persecution forged debates about rights and justice that transformed San Francisco's queer communities into the identity based groups we see today In its vivid re creation of bar and drag life its absorbing portrait of central figures in the communities and its provocative chronicling of this period in the country's most transgressive city Wide Open Town offers a fascinating and lively new chapter of American queer history

The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers James Karman, 2011-10-12 The 1930s marked a turning point for the world Scientific and technological revolutions economic and social upheavals and the outbreak of war changed the course of history The 1930s also marked a turning point for Robinson Jeffers both in his career as a poet and in his private life The letters collected in this second volume of annotated correspondence document Jeffers rising fame as a poet his controversial response to the turmoil of his time his struggles as a writer the growth and maturation of his twin sons and the network of friends and acquaintances that surrounded him The letters also provide an intimate portrait of Jeffers relationship to his wife Una including a full account of the 1938 crisis at Mabel Dodge Luhan's home in Taos New Mexico that nearly destroyed their marriage

Classic Book Jackets Thomas Stansfield Hansen, 2005 Salter's life and work bridged two continents and cultures and spanned the political turmoil of the mid twentieth century He survived both world wars the rise of National Socialism in Germany and permanent exile in a new land but nothing halted his tireless and brilliant design work Classic Book Jackets tells Salter's story and describes the innovative thinking he brought to his clients and students including his designation of seven jacket types that are still valid today It includes more than two hundred reproductions of his finest works as well as a complete catalog of his jackets designs and lettering jobs for the book trade **BOOK JACKET** **American**

Literature in Transition, 1930-1940 Ichiro Takayoshi, 2018-11-15 American Literature in Transition 1930 1940 gathers together in a single volume preeminent critics and historians to offer an authoritative analytic and theoretically advanced account of the Depression era's key literary events. Many topics of canonical importance such as protest literature, Hollywood fiction, the culture industry, and populism receive fresh treatment. The book also covers emerging areas of interest such as radio drama, bestsellers, religious fiction, internationalism, and middlebrow domestic fiction. Traditionally, scholars have treated each one of these issues in isolation. This volume situates all the significant literary developments of the 1930s within a single and capacious vision that discloses their hidden structural relations, their contradictions, similarities, and reciprocities. This is an excellent resource for undergraduate, graduate students, and scholars interested in American literary culture of the 1930s.

Catalog of Copyright Entries. New Series Library of Congress. Copyright Office, 1938 *Lion Books and the Lion Library: A Checklist* C. P. Stephens, 1992 *The Publishers Weekly*, 1945-03 *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress. Copyright Office, 1968 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1968 *American Pulp* Paula Rabinowitz, 2016-09-06 A richly illustrated cultural history of the midcentury pulp paperback. There is real hope for a culture that makes it as easy to buy a book as it does a pack of cigarettes: a civic leader quoted in a New American Library ad, 1951. *American Pulp* tells the story of the midcentury golden age of pulp paperbacks and how they brought modernism to Main Street, democratized literature, and ideas spurred social mobility and helped readers fashion new identities. Drawing on extensive original research, Paula Rabinowitz unearths the far-reaching political, social, and aesthetic impact of the pulps between the late 1930s and early 1960s. Published in vast numbers, titles available everywhere, and sometimes selling in the millions, pulps were throwaway objects accessible to anyone with a quarter. Conventionally associated with romance, crime, and science fiction, the pulps in fact came in every genre and subject. *American Pulp* tells how these books ingeniously repackaged highbrow fiction and nonfiction for a mass audience, drawing in readers of every kind with promises of entertainment, enlightenment, and titillation. Focusing on important episodes in pulp history, Rabinowitz looks at the wide-ranging effects of free paperbacks distributed to World War II servicemen and women; how pulps prompted important censorship and First Amendment cases; how some gay women read pulp lesbian novels; as how-to dress manuals; the unlikely appearance in pulp science fiction of early representations of the Holocaust; how writers and artists appropriated pulp as a literary and visual style; and much more. Examining their often lurid packaging as well as their content, *American Pulp* is richly illustrated with reproductions of dozens of pulp paperback covers, many in color. A fascinating cultural history, *American Pulp* will change the way we look at these ephemeral yet enduringly intriguing books.

Lesbian Histories and Cultures Bonnie Zimmerman, 2000 To reflect this crucial fact, *The Encyclopedia of Lesbian and Gay Histories and Cultures* has been prepared in two separate volumes to assure that both histories receive full, unbiased attention and that a broad range of human experience is covered. **BOOK JACKET** *Devils, Lusts and Strange*

Desires Richard Bradford, 2021-01-21 NOMINATED FOR THE H R F KEATING AWARD 2022 My New Year's Eve Toast to all the devils lusts passions greeds envies loves hates strange desires enemies ghostly and real the army of memories with which I do battle may they never give me peace Patricia Highsmith New Year's Eve 1947 Made famous by the great success of her psychological thrillers *The Talented Mr Ripley* and *Strangers on a Train* Patricia Highsmith is renowned as one of the most influential and celebrated modern writers However there has never been a clear picture of the woman behind the books The relationship between Highsmith's lesbianism her fraught personality by parts self destructive and malicious and her fiction has been largely ignored by biographers in the past As an openly homosexual writer she wrote the seminal lesbian love story *Carol* for which she would be venerated in modern times as a radical exponent of the LGBTQ community Alas her status as an LGBTQ icon is undermined by her excessive cruelty towards and exploitation of her friends and many lovers In this biography Richard Bradford brings his sharp and incisive style to one of the greatest and most controversial writers of the twentieth century He considers Highsmith's bestsellers in the context of her troubled personal life her alcoholism licentious sex life racism anti-Semitism misogyny and abundant self loathing *Sex Expression and American Women Writers, 1860-1940*

Dale M. Bauer, 2009-01-01 American women novelists of the late nineteenth and early twentieth centuries registered a call for a new sexual freedom Dale Bauer contends By creating a lexicon of sex expression many authors explored sexuality as part of a discourse about women's needs rather than confining it to the realm of sentiments where it had been relegated if broached at all by earlier writers This new rhetoric of sexuality enabled critical conversations about who had sex when in life they had it and how it signified Whether liberating or repressive sexuality became a potential force for female agency in these women's novels Bauer explains insofar as these novelists seized the power of rhetoric to establish their intellectual authority Thus Bauer argues they helped transform the traditional ideal of sexual purity into a new goal of sexual pleasure defining in their fiction what intimacy between equals might become Analyzing the work of canonical as well as popular writers_ including Edith Wharton Anzia Yezierska Julia Peterkin and Fannie Hurst among others_ Bauer demonstrates that the new sexualization of American culture was both material and rhetorical *The Middle Class in the Great Depression*

Jennifer Haytock, 2013-08-20 In contrast to most studies of literature from the Great Depression which focus on representations of poverty labor and radicalism this project analyzes popular representations of middle class life **A Queer History of the United States** Michael Bronski, 2011-05-10 Winner of a 2012 Stonewall Book Award in nonfiction The first book to cover the entirety of lesbian gay bisexual and transgender history from pre 1492 to the present In the 1620s Thomas Morton broke from Plymouth Colony and founded Merrymount which celebrated same sex desire atheism and interracial marriage Transgender evangelist Jemima Wilkinson in the early 1800s changed her name to Publick Universal Friend refused to use pronouns fought for gender equality and led her own congregation in upstate New York In the mid nineteenth century internationally famous Shakespearean actor Charlotte Cushman led an openly lesbian life including a well

publicized female marriage And in the late 1920s Augustus Granville Dill was fired by W E B Du Bois from the NAACP's magazine the Crisis after being arrested for a homosexual encounter These are just a few moments of queer history that Michael Bronski highlights in this groundbreaking book Intellectually dynamic and endlessly provocative A Queer History of the United States is more than a who's who of queer history it is a book that radically challenges how we understand American history Drawing upon primary documents literature and cultural histories noted scholar and activist Michael Bronski charts the breadth of lesbian gay bisexual and transgender history from 1492 to the 1990s and has written a testament to how the LGBT experience has profoundly shaped our country culture and history A Queer History of the United States abounds with startling examples of unknown or often ignored aspects of American history the ineffectiveness of sodomy laws in the colonies the prevalence of cross dressing women soldiers in the Civil War the impact of new technologies on LGBT life in the nineteenth century and how rock music and popular culture were in large part responsible for the devastating backlash against gay rights in the late 1970s Most striking Bronski documents how over centuries various incarnations of social purity movements have consistently attempted to regulate all sexuality including fantasies masturbation and queer sex Resisting these efforts same sex desire flourished and helped make America what it is today At heart A Queer History of the United States is simply about American history It is a book that will matter both to LGBT people and heterosexuals This engrossing and revelatory history will make readers appreciate just how queer America really is

Indomitable: The Life of Barbara Grier Joanne Passet, 2016-11-01 Whatever else will be said about her and you can bet there will be plenty because Barbara was no stranger to controversy the one thing that is true above all else is that she was the most important person in lesbian publishing in the world Without her boldness and her audacity there might not be the robust lesbian publishing industry there is today Teresa DeCrescenzo Barbara Grier feminist activist publisher and archivist was many things to different people Perhaps most well known as one of the founders of Naiad Press Barbara's unapologetic drive to make sure that lesbians everywhere had access to books with stories that reflected their lives in positive ways was legendary Barbara changed the lives of thousands of women in her lifetime For the first time historian Joanne Passet uncovers the controversial and often polarizing life of this firebrand editor and publisher with new and never before published letters interviews and other personal material from Grier's own papers Passet takes readers behind the scenes of The Ladder offering a rare window onto the isolated and bereft lives lesbians experienced before the feminist movement and during the earliest days of gay political organizing Through extensive letters between Grier and her friend novelist Jane Rule Passet offers a virtual diary of this dramatic and repressive era Passet also looks at Grier's infamous theft of The Ladder's mailing list which in turn allowed her to launch and promote Naiad Press the groundbreaking women's publishing company she founded with partner Donna McBride in 1973 Naiad went on to become one of the leaders in gay and lesbian book publishing and for years helped sustain lesbian and feminist bookstores and readers across the country
