Torn To Heal Gods Good Purpose In Suffering:

Torn to Heal Mike Leake, 2013-05-01 God is radically dedicated to our ongoing growth in spiritual maturity and holiness This is both glorious and terrifying It is glorious because the Lord of heaven and earth is for us But it is terrifying because we are idolaters This means that when God brings greater redemption into our lives he also brings a death sentence to our fallen desires In love God will do whatever it takes even tearing us to shreds if necessary to replace our feeble pleasures with lasting desire for himself Sadly in our culture two false responses to suffering have become deeply embedded in the Church deadly dualism and shallow stoicism Each can effectively hijack God's good purpose in suffering Torn to Heal equips us to understand and reject these false and self defeating approaches to suffering and to embrace God's good purpose in our trials

The Secret of Spiritual Joy William P. Farley, 2015-11-01 At one time or another most Christians struggle with depression discouragement or despondency When this happens spiritual joy is the great need William Farley has written a practical book to help flawed human beings discover and implement the secret to spiritual joy The author contends that the gospel is the key to a life overflowing with joy That is because a right understanding of the gospel produces the humility that motivates a life of continual thanksgiving A heart humbled by the gospel is the well from which stressed believer can draw the gratitude that generates spiritual joy This book also examines common joy killers like grumbling complaining boasting and self pity and provides practical suggestions for conquering them Such attitudes cannot co exist in a heart saturated with gospel gratitude Ultimately a clear grasp of the cross is the secret to spiritual joy

Good News About Satan Bob Bevington, 2015-01-01 The bad news of Satan while serious is overshadowed by the good news of Jesus Here are the plain teachings of Scripture regarding Satan demons and spiritual warfare from a perspective that makes paramount the sovereignty of God and the finished work of Christ Containing none of the unfruitful speculations so common to this topic we believe it differs significantly from virtually every other book on the subject See more at <http://www.cruciformpress.com> sthash cXvo7FHQ.dpuf

Hit List Brian G. Hedges, 2014-11-01 The Christian life is a war and one of your most lethal

enemies hangs its helmet inside your heart This infernal internal enemy is sin which even after new birth continues to reside in every believer As followers of Jesus we've been given a simple mission regarding sin search and destroy Put it to death But in the words of Cornelius Plantinga Jr sin has a thousand faces It is one thing to oppose sin in principle quite another to actually do the bloody work of crucifying specific sin patterns in our lives Sometimes these patterns are difficult to detect Always they fight back tooth and nail mounting vehement resistance in counter maneuvers of a variety and complexity that would send General Schwarzkopf's mind spinning like a tilt a whirl The most famous faces of sin are the Seven Deadly Sins pride envy wrath sloth greed gluttony and lust Not merely corrupting vices in themselves these seven are gateway sins leading to countless others They are the leading undercover operatives for the world the flesh and the devil that evil complex of powers arrayed against our souls And while we may recognize these sins by their names we are often misled by the subtlety of their methods and ways These sins are masters of disguise adept at masking their true nature in charades of harmlessness acceptability and fun In Hit List Brian Hedges helps us take aim at the seven deadly sins by providing detailed dossiers for each one and equipping us with rich gospel resources for replacing vice with the virtue of Christ
