[Lady Killer](#) Robert Moore, 2013-01-18 A man with a pathological hatred of women loves only his work as an assassin especially when the job offers an opportunity to indulge his whims

The Lady-Killer Frank Ramlau, 2021-04-26 Paul is not particularly attached to the opposite sex from his previous failed marriage He has had no desire for a relationship in any form since the painful separation Here he tells us freely and uncensored his encounters with the opposite sex which happened purely by chance What had previously been a collegial discreetness and decency unexpectedly developed into personal closeness with a sizzling eroticism There are things that cannot be explained only acknowledged with amazement The realization You can't force anything One person finds it easier the other more difficult His psychologist recognized in him a lack of resilience i.e. the ability not to fail in the face of resistance and not to work through it senselessly You know what they say you can't do it you won't make it etc But as life goes you get into situations and don't even realize that you have overcome them very well Especially then you don't notice it if you don't reflect yourself and also don't question yourself And also because you are not

told Maybe you make yourself interesting for others only by your pleasant presence and neutral respectable evaluation of other opinions One does not observe oneself But one is observed and evaluated Mostly however behind the back Even if we do not like that That s the way things are in interpersonal relationships especially in teams Read the stories and write me your opinion at the end I m curious if you ve had similar experiences yourself how you deal with it and especially how you rated the book The erotic stories are all written in a clear expressive choice of words and therefore definitely only suitable for adult readers Taken Jennifer Maples,2020-03-24 Haunted by the death of her parents and baby sister and the abuse of someone she trusted Detective Molly James has endured as much as she can take with her health deteriorating and the

destructive cycle of not eating and working double shifts to avoid going home her boss and a friend of her father s Lieutenant John Owens is worried for his best Detective Suspecting that Molly is Gay he reaches out to a friend and begs her to become Molly s new partner Grace Garrett takes the job as Molly s new partner in San Fransisco s Homicide Squad John hopes that Grace can save her before her pain and depression kill her Once Molly and Grace meet sparks fly love blossoms and the Sex is Explosive as soul mates unite But danger lurks near A Serial Killer is on the hunt and he want s Molly for himself He will stop at nothing to get what he wants The Kiss Me Killer watches and waits then strikes from the shadows But he s not the only one who want s Molly Where will it end My Serial Killer Love Phyllis Copeland,2018-06-15 With the purchase of this book comes another 31 FREE Books Yes that s correct right NOW you will gain instant download access link to website given inside the book to 31 additional bestsellers erotica and romance 10 of them not available for purchase anywhere so with the purchase of this book you will actually get 32 Books for the Price of One with plenty more to come He spanked her again closer to her pussy and felt her clamp down tighter on his cock He saw her grip the saddle for leverage as she looked back up at him and that drove him wild He licked his thumb and as she rocked back he pushed it inside her anus He heard her scream softly as she rocked back his thumb driving deeper into her ass as his cock drove inside her pussy Book Synopsis This slightly twisted tale is that of a serial killer a devastatingly handsome man who travels the wilderness and meets up with the woman of his dreams It will take you from lush valleys to a shrine cut into the middle of the woods A slightly macabre scene is displayed momentarily but is soon replaced by a romantic notion which ends with a bizarre twist End of Book Synopsis Now please don t expect some table thumping blockbuster that will end up unread and gathering dust on your virtual bookshelf this is a sizzling erotic short story that will have you flipping over the pages in feverish anticipation WARNING This story is intended for ADULT female readers 18 years of age or older It contains explicit language and graphic sexual content

A Serial Killer's Obsession C. F. Rabbiosi,2018-12-11 I came here for HER Hardly sleeping hardly human I walked into the Lion s Den I knew once entered I would never leave alive I had to do it I had to END her for her betrayal But as she lies in pieces the truth daggers through me I crossed the threshold between life and death only to touch her again Warning Forced desire power exchange dubious consent and some gore Not your fluffy romance more like your sexual tension fix
