Viking Slave Collection 1 Taming His Thrall:

A History of the Vikings Gwyn Jones, 2001 A look at the ancient Scandinavian peoples *The Vikings* Martin Arnold, 2006-12-15 The story of the Vikings is one of the most dramatic in European history From their base in Scandinavia Viking warriors and settlers spread across northern Europe into Russia and across the Atlantic After their first impact as fearsome raiders destroying monasteries and plundering coastal settlements the Vikings turned to conquest in England Ireland and Normandy In their longships they also penetrated into the Mediterranean and as far as Byzantium as well as establishing settlements in Iceland and Greenland and discovering Vinland or America The Vikings is a concise and clear survey of who the Vikings were what they did why they did it and how we know about them It includes an account of their remarkable saga literature It is likely to become a standard work on the subject Saturday Review of Literature ,1929

In Thrall - The Viking's Virgin Slave Madelene Martin, 2013-09-12 In the dead of night concubine Zahira is stolen from her Master's harem by Vikings intent on revenge Leif Svensson leader of the raiders and chieftain of his village soon decides he wants the beautiful exotic girl for himself Bit by bit he claims her body and soul Soon she discovers that perhaps her notions of freedom are not as clear cut as she'd thought and that maybe she can find fulfillment in serving the right master This 15 000 word erotic romance contains descriptions of graphic sex acts reluctant and rough sex bondage discipline domination submission and slavery themes He roughly grabbed her then and bent her over his knee He pushed her down with ease so that her body was prone over his lap her head hanging down What She began panicked Then she felt his rough hand slide up her leg under her skirt She had told herself over and over not to resist to just give him what he wanted She had prepared herself for it while pacing his room Or she thought she had Now with his hands on her and her body helplessly laying over him her instinct took over and she began to struggle You have to learn your place He growled His hand continued its journey up her thigh Then he lifted her skirt throwing it over her back and exposing her backside No She wailed and kicked hard trying to get free of his hands She flailed her arms trying to find purchase He made an angry sound and grabbed her wrists in one hand crushing them together as he effortlessly held her arms still right above her head His other hand suddenly left her thigh and then there was a shock of pain and a loud SLAP as his palm came down hard on her bare ass Zahira cried out her body jerking Tears sprung to her eyes The skin of her backside began to sting and burn heat rising in the area I'm sorry She cried He put his hand back on her and she flinched but he just cupped the cheek of her ass and slowly massaged it As he firmly kneaded the sting started to subside You may have been some pretty pampered ornament in your previous life Leif said mildly But you are my thrall now You will learn your place She bit her trembling lip and tried to concentrate on anything but the distracting feeling of his hand massaging and caressing her ass Suddenly he took his hand away and it fell on her again with the same SLAP and shock of pain Answer me He shouted Yes My Lord She gasped I will try to please you I'm sorry She squeezed her thighs together writhing in pain and anguish Good He said and began massaging her again He kneaded the

burning flesh and stroked it gently until most of the pain had receded Zahira closed her eyes anticipating another slap Suddenly she could feel him pressing underneath her She knew what it was his manhood was hard and pushing up into her belly She shivered a curious bolt of excitement coursing through her He was enjoying this He wanted her Her breath was coming in short gasps her body tingling with energy and alertness She felt his hand move lower and squeeze between her thighs She didn't dare protest or even make a sound as he forced her legs slightly apart and ran a finger down between them She could feel the wetness between her legs as he traced it lightly She tried to squeeze her thighs around his hand to stop him but he continued as though he hadn't even noticed his strong fingers invading her touching where no man had ever touched Mmmm He purred It seems you like me after all no matter what you pretend *THRALL OF LEIF THE LUCKY*

Saxon village comes to an end for Farah when the place is attacked by Viking hordes Even though she's excited to be out of bondage there's still the matter of being taken captive by the Norsemen She knows that if she is impregnated by a Viking by law the Vikings can't keep her captive in wartime and she thinks of a crazy but effective plan Knowing the men won't be able to resist after a year of fighting she leaves herself exposed and soon finds herself in the dominant possession of a rugged man who wants everything she has to give him This is an explicit Viking erotic romance with themes of breeding and domination
