## **Vincent Van Gogh Zijn Levenzijn Werk:**

**Rembrandt** Ernst van de Wetering, 1997 Rembrandt's paintings have been admired throughout centuries because of their artistic freedom But Rembrandt was also a craftsman whose painting technique was rooted the tradition Rembrandt The Painter at Work is the result of a lifelong search for Rembrandt's working methods his intellectual approach to the art of painting and the way in which his studio functioned Ernst van de Wetering demonstrates how this knowledge can be used to tackle questions about authenticity and other art historical issues Approximately 350 illustrations half of which are reproduced in colour make this book into a monumental tribute to one of the world's most important painters The book is if one may be allowed to say such a thing about a serious scholarly work a gripping good read Christopher White The Burlington Magazine This is a very rich book a deeply felt analysis of an artist whom the author knows better than almost any other living scholar Christopher Brown Times Literary Supplement

**Jo van Gogh-Bonger** Hans Luijten, 2022-11-03 It is so good after so many years of public indifference even hostility towards Vincent and his work to feel towards the end of my life that the battle is won JO VAN GOGH BONGER TO GUSTAVE COQUIOT 1922 It is a sacrifice for the sake of Vincent's glory JO VAN GOGH BONGER ON THE SALE OF THE SUNFLOWERS TO THE NATIONAL GALLERY UK 1924 Little known but no less influential Jo van Gogh Bonger was sister in law of Vincent van Gogh wife of his brother Theo When the brothers died soon after each other she took charge of Van Gogh's artistic legacy and devoted the rest of her life to disseminating his work Despite being widowed with a young son Jo successfully navigated the male dominated world of the art market publishing Van Gogh's letters organizing exhibitions in the Netherlands and throughout the world and making strategic sales to private individuals and influential dealers ultimately establishing Van Gogh's reputation as one of the finest artists of his generation In doing so she fundamentally changed how we view the relationship between the artist and his work She also lived a rich and fascinating life not only was she friends with eminent writers and artists but she also was active within the Social Democratic Labour Party and closely involved in emerging women's movements Using rich source material including unseen diaries documents and letters Hans Luijten charts the multi faceted life of this visionary woman with the drive to shake the art world to its core

Rembrandt Ernst van de Wetering, 2009-04-06 Ernst van de Wetering's wonderful book has taken us further than almost any study over the past twenty years towards an understanding of the machinery of Rembrandt's genius No one attempting to write about Rembrandt in the future will be able to do so without taking this fine work into account Simon Schama Who would not have wanted to look over Rembrandt's shoulder while he painted Among the countless books on Rembrandt that by Ernst van de Wetering comes closest to conveying something of this experience because the author combines the qualifications of a trained connoisseur and of a practising painter Ernst Gombrich
