

Virtuous Giving Flow

When a Donor makes a Gift online:

Virtuous Giving Form

When a Donor submits an online Gift, the Virtuous Giving form encrypts the payment information and sends it to the Payment Gateway. Virtuous Giving then feeds all transaction reporting and recurring gift schedules into the Online Giving Dashboard within the CRM.

Payment Gateway

Within seconds, the Payment Gateway verifies the card information and determines if the transaction is successful or declined.

Online Giving Dashboard

The Gift information is sent to the Online Giving Dashboard in the CRM from the Payment Gateway in real-time with Project and fee details.

Gift & Contact Import Tool

Gifts are bundled and pushed to the Import Tool in Virtuous CRM nightly.

What is a Payment Gateway?

Your Payment Gateway is responsible for sending a Donor's Gift information to all necessary parties once the transaction is verified as successful, including the Donor's bank, your bank, and Virtuous Giving. Examples of Payment Gateways include Stripe or Stax.

Settlement & Payout

After a transaction has been approved by the Gateway, the issuing bank will begin to facilitate the transfer of funds. A Payout of the funds is then deposited into your bank account.

Reconciliation Reports

As the timing of each Gift's Payout may vary, the Reconciliation tab under Online Giving provides Reports of the transactions within each Payout.

Why do Gifts have different Payout dates?

The timing of payouts depends on if the Gift is ACH or the credit card type. Each Payout deposited into your bank account may contain transactions made over a range of dates. Reconciliation Reports connect the transactions in the CRM with Payouts in your account.

Virtuous Giving Virtuous Giving:

Virtuous Giving Mike W. Martin, 1994-03-22 A good study book for philanthropists and those who study them Religion gets a fair shake Christian Century Mike Martin has written a clear and wide ranging book on ethical issues related to philanthropy that is rich in concrete examples Ethics Writing for the general reader Mike Martin explores the philosophic basis of philanthropy virtuous giving This book will be welcome reading for anyone who has pondered what caring and giving mean for a good society Mentored to Perfection Simone Dennis, Alison Behie, 2022-05-23 Mentored to Perfection The Masculine Terms of Success in Academia examines how mentoring programs between women tend to replicate the hierarchical relations of patriarchy that they are meant to dismantle Simone Dennis and Alison Behie argue that while paradigmatic mentoring programs look like networking support services for neophytes these mentorships nevertheless replicate the very institutional structures they seek to uproot The generosity that senior women show to junior women as they share their tips and offer their support ironically obscures participants involvement in debt relations and the biases of replicating a particular type of success This book considers the possibilities for disrupting our tendency to reproduce ourselves in the masculine terms of success **The Great Prajna Paramita Sutra, Volume 2** Naichen Chen, 2018-03-09 Buddha taught The Great Prajna Paramita Sutra in sixteen assemblies in four locations over twenty two years It was recorded posthumously by his disciples in six hundred fascicles of approximately five million words and is regarded as the largest canon in Buddhism For the last decade translator Naichen Chen has worked on this sutra and it is the only complete English translation from the Chinese Da Bo Re Bo Luo Mi Duo Jing rendered from Sanskrit about 1 350 years ago by Xuanzang Hs an tsang This is the second volume in a multivolume set The Great Prajna Paramita Sutra is important not only because of its extensive teaching but because it explains what the great bodhisattva the great bodhisattva path of cultivation and the great bodhisattva vehicle are It depicts manifests and provides guidance on how one should learn to become a bodhisattva and eventually a Buddha transcending self interest to reach a state of emptiness selflessness and nonattachment Regardless of where you are on the path to enlightenment you will be nourished by its parables and dialogues *Introducing Moral Theology* William C. Mattison, William C. Mattison III, 2008-10 Provides a theologically substantive yet accessible overview of moral theology grounded in the Catholic tradition that is also illuminative to non Catholic Christians The Secret of Secrets Steven J. guidance on how to lead a good life and how to create a good society Now James O Toole the Mortimer J Adler Senior Fellow of the Aspen Institute translates that classical philosophical framework into practical comprehensible terms to help professionals and business people apply it to their own lives and work His book helps thoughtful readers address some of the profound questions they are currently struggling with in planning their futures How do I find meaning and satisfaction How much money do I need in order to be happy What is the right balance between work family and leisure What are my responsibilities to my community How can I create a good society in my own company Bridging philosophy and self help O Toole s book shows how happiness ultimately is attainable no matter one s level of income if one uses Aristotle s practical exercises to ask the right questions and to discipline oneself to pursue things that are good for us The book is the basis for O Toole s new Good Life seminar where thoughtful men and women gather to create robust and satisfying life plans *Virtue, Vice, and Value* Thomas Hurka,2003 Hurka s book puts forth a comprehensive theoretical account of moral virtue and vice More specifically it gives an account of the intrinsic goodness of virtue and intrinsic evil of vice that can fit into a consequentialist moral theory **A Treasury of Mah_y_na S_tras** Zhenji Zhang,1983 The Mah clearly a comprehensive translation of a major work within the canon was called for This volume addresses that need It contains 22 of the 49 S _tras of the Mah _ratnak _ta or Treasury S _tra many translated for the first time in a Western language selected and arranged to give the modern reader a progressive introduction to one of the world s major religious traditions Subjects covered include M _y _ and miracles the teachings on Consciousness Emptiness and monastic discipline the Mystical Light of the Tath _gata and the devotional practice of Pure Land making this a comprehensive source book of Mah_y_na Buddhism hitherto unavailable in English The book also includes an introduction to provide historical and interpretive guidance annotations that assist in the comprehension of difficult passages and an extensive glossary that will be valuable to specialist and layman alike A team of scholars working in Taiwan spent eight years translating the Treasury s million words from Chinese using Tibetan texts for comparison and checking each S _tra with an international board of scholars In the course of translating from the original special effort was made to retain both the devotional style appropriate for religious reading and the precision required by the scholar while presenting the material with a clarity and flow that would make it accessible to the Western layman The editors then selected arranged and annotated the 22 S _tras presented here Published in cooperation with The Institute for Advanced Studies of World Religions *Works of Thomas Hill Green* Thomas Hill Green,2011-12-22 The writings unpublished papers and lectures of one of England s most influential nineteenth century philosophers published 1885 8
