Visual And Other Pleasures Language Discourse Society:

Visual and Other Pleasures Laura Mulvey, 1989-03-01 The essays collected in this book reflect some of the commitments and changes during the period that saw the women's movement shift into feminism and the development of feminism's involvement with the politics of representation psychoanalytic film theory and avant garde aesthetics

Visual and Other Pleasures Laura Mulvey, 2009-02-27 This new edition of Laura Mulvey's first collection of essays contains a new introduction in which she re-assesses her essay Visual Pleasure and Narrative Cinema

[The Language, Discourse, Society Reader](#) Denise Riley, 2004-08-13 For the last twenty five years Language Discourse Society has been the most intellectually challenging series in English Its titles range across the disciplines from linguistics to biology from literary criticism to law combining vigorous scholarship and theoretical analysis at the service of a broad political engagement This anniversary reader brings together a fascinating group of thinkers from both sides of the Atlantic with an introductory overview from the editors which considers the development of theory and scholarship over the past two decades

Visual Culture Richard Howells, Joaquim Negreiros, 2012-02-06 This is a revised expanded and updated edition of the highly successful Visual Culture Like its predecessor this new version is about visual literacy exploring how meaning is both made and transmitted in an increasingly visual world It is designed to introduce students and other interested readers to the analysis of all kinds of visual text whether drawings paintings photographs films advertisements television or new media forms The book is illustrated with examples that range from medieval painting to contemporary advertising images and is written in a lively and engaging style The first part of the book takes the reader through differing theoretical approaches to visual analysis and includes chapters on iconology form art history ideology semiotics and hermeneutics The second part shifts from a theoretical to a medium based approach and comprises chapters on fine art photography film television and new media These chapters are connected by an underlying theme about the complex relationship between visual culture and reality New for the second edition are ten more theoretically advanced Key Debate sections which conclude each chapter by provoking readers to set off and think for themselves Prominent among the new provocateurs are Kant Baudrillard Althusser Deleuze Benjamin and Foucault New examples and illustrations have also been added together with updated suggestions for further reading The book draws together seemingly diverse approaches while ultimately arguing for a polysemic approach to visual analysis Building on the success of the first edition this new edition continues to provide an ideal introduction for students taking courses in visual culture and communications in a wide range of disciplines including media and cultural studies sociology art and design

THE CRITICAL PROSUMER Clodualdo del Mundo Jr., Ph.D., Gary Mariano, M.A., Cheryll Soriano, Ph.D., Media and information literate individuals not only learn specific skills on how to use media strategically and competently they are most importantly contributing as better citizens through the responsible and ethical use creation and engagement with media

Troubling Archives Julia Rensing, 2025-05-23 Namibia's colonial history casts a long shadow over the country's present

Contemporary authors and artists confront the legacies of German and South African colonial rule and engage creatively with the persistent remnants of the past In their works the archive remains both an invaluable and fraught resource for accessing obscured histories Julia Rensing examines how writers and artists from Namibia and South Africa navigate archival silences omissions and power structures to renegotiate historical narratives and address intergenerational trauma Their creative practices challenge conventional understandings of archives and forms of commemoration highlighting the diverse experiences that shape Namibian society and memory cultures

Intimate Violence David Greven,2017-02-13 Intimate Violence explores the consistent cold war in Hitchcock s films between his heterosexual heroines and his queer characters usually though not always male These conflicts eerily echo the tense standoff between feminism and queer theory From a reparative psychoanalytic perspective David Greven merges queer and feminist approaches to Hitchcock

Freud's Memory R. White,2008-07-24 Rob White reconsiders Freud s controversial theory of inherited memory referring it both to Anglo American commentary and post structuralist work on psychoanalysis White proposes that this theory is evidence of an underlying haunted retrospection in Freudian theorizing which time and again discovers that meaning has been lost

Sisters of Gore John C. Franceschina,2014-05-01 The plays collected in Sisters of Gore span the development of Gothic melodrama from the 1790s to the 1840s

The Future Imaginary in Indigenous North American Arts and Literatures Kristina Baudemann,2021-12-30 This book examines the future in Indigenous North American speculative literature and digital arts Asking how different Indigenous works imagine the future and how they negotiate settler colonial visions of what is to come the chapters illustrate that the future is not an immutable entity but a malleable textual digital product that can function as both a colonial tool and a catalyst for decolonization Central to this study is the development of a methodology that helps unearth the signifying structures producing the future in selected works by Darcie Little Badger Gerald Vizenor Stephen Graham Jones Skawennati Danis Goulet Scott Benesiinaabandan Postcommodity Kite Jeff Barnaby and Ryan Singer Drawing on Jason Lewis s future imaginary as the theoretical core the book describes the various forms of textual representation and virtual simulation through which notions of Indigenous continuation are expressed in literary and new media works Arguing that Indigenous authors and artists apply the aesthetics of the future as a strategy in their works the volume conceptualizes its multimedia corpus as a continuously growing archive of and for Indigenous futures
