War And Peace From Genesis To Revelation:

War and Peace Vernard Eller, 2003-05-08 Vernard Eller's easily read overview of the Bible that persuasively points to Jesus Christ as the fulfillment of the Old Testament suffering servant model. A biblically provocative book. War and Peace Vernard Eller, 1981

Holy War in Ancient Israel Gerhard von Rad, 2000-04-17 Since the beginning holy war has been viewed as a sacred institution and a cultic act of religious community by the people of Israel. Appearing here in English for the first time, Gerhard von Rad has provided a definitive study of the theory of holy war and its development throughout biblical history. Von Rad gives a definitive and articulate exposition of a typically disturbing theme within the Old Testament, arguing that holy war is not only Yahweh acting alone but inspired Israelites who because they envisioned God fighting on their behalf felt obligated and inspired to fight even more fervently. Christian Attitudes to War, Peace, and Revolution John Howard Yoder, 2009-04-01 John Howard Yoder was one of the most important thinkers on just war and pacifism in the late twentieth century. This newly compiled collection of Yoder's lectures and writings on these issues describes, analyzes, and evaluates various patterns of thought and practice in Western Christian history. The volume now made widely available for the first time makes Yoder's stimulating insights more accessible to a broader audience and substantially contributes to ongoing discussions concerning the history, theology, and ethics of war and peace. Theologians and ethicists, students of Yoder's thought, and all readers seeking a better understanding of war and pacifism will value this work. An Introduction to Biblical Ethics J. Robertson McQuilkin, 1995 A highly readable book which states the need for a clear system of moral values and duties based on solid biblical scholarship and an understanding of today's culture. Part One deals with what the Bible says about love, law, sin, and ethics. Part Two tells how to apply all these biblical principles to life. *Nevertheless* John Howard Yoder, 1992-04-10 John Howard Yoder's classic book, first published in 1971, includes a treatment of Jewish pacifism, bibliographies, an index, and three new appendixes: *Speaking Truth to Power*, *Quaker Political Witness*, *The Spectrum of Nonpacifist Postures*, and *Nonviolent National Defense Alternatives*. Yoder points out assumptions, strengths, and shortcomings of each pacifist position. He brings clarity to the many-sided conversations about peace, nonviolence, war, proliferation of arms, and power politics. *Pursuing Peace* Robert D. Jones, 2012-07-31 A Guide to Resolving Relational Conflict. You have conflict in your life; we all do. You encounter it in your home, your workplace, your school, or even your church. All around us, tensions exist and disputes persist. Offered here is a step-by-step process for pursuing peace in ALL your relationships and a tool you can use to help others. This guide is BIBLICAL; it relies on the absolute authority, sufficiency, and life-giving power of God's Spirit-breathed Word. CHRIST-CENTERED depends on the forgiving and empowering grace of Jesus. PRACTICAL provides concrete action steps, case examples, discussion questions, and suggested language to handle specific situations. PROVEN offers tried and true methods from a pastor, professor, counselor, and certified Christian conciliator who has led couples, churches, and Christian schools to make peace for nearly thirty years. Packed with wisdom and practical techniques, here is a manageable

book on reconciliation that will send you on your way to pursuing peace while helping others to do the same **Love of Enemies** William Klassen, 2002-05-22 Love of enemies search for peace In the current international political atmosphere where hope is in short supply these days within and outside the church William Klassen these twin themes hardly seem compatible Klassen maintains however that the two are not only consistent but also have coexisted from ancient times to the present due in large part to the Jesus movement Examining the Hellenistic and Hebrew backgrounds of the two themes Klassen illuminates old familiar texts as well as some that have been previously ignored He shows how people today can strive for peace both by following the examples of the twentieth century figures before them and be returning as warriors of peace to long neglected biblical resources Evangelical Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics **The Pacifist Impulse in Historical Perspective** International Conference On The Pacifist Impulse I, Peter Brock, International Conference on the Pacifist Impulse in Historical perspec, 1996-01-01 This volume of twenty three essays appears in recognition of the emergence of peace history as a relatively new and coherent field of learning these essays were presented at an international conference The Pacifist Impulse in Historical Perspective Together the essays in this book explore the ideas and activities of persons and groups who for two millennia have rejected war and urged non violent means of settling conflicts
