Green Beret in Vietnam Gordon L. Rottman, 2012-06-20 Vietnam was the US Special Forces most complex and controversial mission one that began in 1957 and ended in 1973 Camp strike forces mobile strike forces mobile guerrilla

forces special reconnaissance projects training missions and headquarters duty provided vastly differing experiences and circumstances for SF soldiers Other fluctuating factors were the terrain the weather and the shifting course of the war itself Gordon Rottman examines the training life weapons and combat experiences of the Special Forces soldier in this challenging environment *Slurp Sends!* Dick James, 2020-02-17 This book describes what life was like as a United States Army Special Forces Green Beret on an A team in the early mid 1960 s including the author s 7 months on a mission in Ethiopia during their border war with Somalia in 1964 U S Army Special Forces had just begun accepting SF trainees from raw recruits in 1962 when he volunteered Prior to that only non commissioned officers NCOs could join SF The second of a series of three books that describe Dick s experiences as a Green Beret most of book 2 Experiences as a Green Beret Pre Vietnam will show the readers what most Special Forces troops did to further their training and expertise as well as describe a somewhat typical mission in the remote area of a foreign country Aiding in Dick s recollections of his past come mostly from the countless letters home which were saved by his mother and are now his He also still has more than five hundred photographs he took along his journey especially in Ethiopia 200 and South Vietnam 300 Added to that is more than a hundred binders of research materials to support his historical memories Part two of Richard Slurp James trilogy is rich with detail in his evolution to become a Green Beret America s elite most highly trained soldier during the Vietnam War He interweaves the happenings in America Vietnam and the world with the account of his time with the first SF group in Ethiopia life as a Green Beret demolitions specialist and aviation enthusiast pre Vietnam After reading part two I firmly believe that long after we have been buried historians will turn to his trilogy to capture not only the valor and integrity of being a Quiet Professional but to feel the pulse of America s heartbeat and civil unrest of the Vietnam War era in America and Southeast Asia John Stryker Meyer author of SOG Chronicles Across the Fence and On the Ground **Journal of Special Operations Medicine** ,2006 **Vietnam War Stories** Tobey C. Herzog, 2017-01-27 Dealing with ten key narratives including novels and personal accounts Herzog locates them in the tradition of war literature as well as recent cinema and charts the transformations of the American nation in its experience of modern war *The War Film* Robert T. Eberwein, 2005 War has had a powerful impact on the film industry while at the same time motion pictures can influence wartime behaviour shape our perception of the historical record This book collects essays that use a variety of critical approaches to explore this film genre **Voices from the Vietnam War** Xiaobing Li, 2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our understanding of the war Booklist The Vietnam War s influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts

focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War* Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty two intimate stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to Western scholars providing fresh perspectives on a long discussed topic Li s achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English Publishers Weekly

Da Nang Diary Tom Yarborough, 2002-09-16 THEY FLEW LOW SLOW AND INTO THE FACE OF ENEMY FIRE In Vietnam an elite group of air force pilots fought a secret air war in Cessna 0 2 and OV 10 Bronco prop planes flying as low as they could get The eyes and ears of the fast moving jets who rained death and destruction down on enemy positions the forward air controller made an art form out of an air strike knowing the targets knowing where friendly troops were and reacting with split second life and death decisions as a battle unfolded For Tom Yarborough the risk was constant intense electrifying A member of the super secret Prairie Fire unit Yarborough became one of the most frequently shot up pilots flying out of Da Nang engaging in a series of dangerous secret missions in Laos This is Yarborough s adrenaline pumping chronicle of heroism danger and brotherhood in Vietnam From the rescuing of downed pilots to taking out enemy positions to the most harrowing day long missions here is the dedication courage and skill of the fliers who took the war into the enemy s backyard
