The Warden [eBook - RBDigital] Anthony Trollope, 1996 Anthony Trollope's classic novel centers on Mr Harding a clergyman of great personal integrity whose charitable income far exceeds the purpose for which it was intended On discovering this young John Bold determines to expose what he regards as an abuse of privilege despite the fact that he is in love with Mr Harding's daughter Set in the world of the Victorian professional and landed classes he portrayed so superbly Trollope explores the complexities of human motivation and social morality [The Warden](#) Anthony Trollope, 2018-01-17T00:32:44Z The Warden is concerned with the unassuming Rev Septimus Harding who has for many years been the Warden of Hiram's Hospital in the fictional town of Barchester This hospital is what we would today probably call an aged care or retirement home It was established under the provisions of a will to look after the needs of old men too feeble to work any longer and unable to support themselves Mr Harding benefits financially from his position though the duties are very slight A local doctor though sweet on Mr Harding's daughter Eleanor is nevertheless a keen reformer zealous to overturn what he sees as corrupt patronage in the Church He investigates the terms of Hiram's will and concludes that the money intended for the benefit of the aged wool carders is unfairly being consumed by the salary of the Warden He proceeds to pursue this issue through the pages of a crusading journal The Jupiter Though strongly defended by the Church authorities including his son in law Archdeacon Grantly Mr Harding has long struggles with his conscience because of this imputation The Warden published in 1855 was Trollope's first major writing success and formed the basis for a series of six novels set in the same fictional county and its cathedral city of Barchester now known as the Chronicles of Barsetshire This book is part of the Standard Ebooks project which produces free public domain ebooks *A Comprehensive Summary and Analysis of The Warden* Anthony Trollope, 2025-02-19 The Warden by Anthony Trollope unfolds in the quiet cathedral town of Barchester a place more renowned for its ancient monuments and the grandeur of its cathedral than for bustling commerce The story centers around the Reverend Septimus Harding a kind hearted and well respected clergyman who serves as the warden of Hiram's Hospital a charitable institution for elderly men This seemingly peaceful existence is disrupted by the winds of reform and accusations of injustice *The Warden [eBook - NC Digital Library]* Anthony Trollope, **The Broadview Anthology of British Literature: Concise Volume B, 3e - Modified eBook International Edition** Joseph Black et al., 2021-01-01 This Modified eBook version of The Broadview Anthology of British Literature Concise Volume B 3rd edition omits in copyright readings that are found in the print book This ebook is available for purchase in the UK and select international markets The two volume Broadview Anthology of British Literature Concise Edition provides an attractive alternative to the full six volume anthology Though much more compact the Concise Edition nevertheless provides substantial choice offering both a strong selection of canonical authors and a sampling of lesser known works With an unparalleled selection of illustrations and of contextual materials accessible and engaging introductions and full explanatory

annotations these volumes provide concise yet extraordinarily wide ranging coverage for British Literature survey courses New to this volume are Samuel Beckett's Endgame and Robert Louis Stevenson's Strange Case of Dr Jekyll and Mr Hyde new authors include Dorothy Wordsworth John Clare Tomson Highway Derek Walcott and Chimamanda Ngozi Adichie The third edition now also offers substantially expanded representation of Irish Scottish and Welsh literatures as well as contextual materials on Gothic literature Modernism and World War II Material that no longer appears in the bound book may in most cases be found on the companion website many larger works are also available in separate volumes that may at the instructor's request be bundled together with the anthology at no extra cost to the student *The Warden* Anthony
