Overview

This army represents American troops that
 have just arrived in France. They are poorly
 equipped, still waiting for their "issue" (the
 French Chevrons) and are designed to be
 deployed in Operational Missions. One unit
 100 yds, depending on the scenario played, the
 force will be reinforced by a couple of 100
 yds to heavy machine, and if facing a
 strong German Machinegun, the battalion might
 appreciate the reinforcement of a couple of the
 other companies left in the second line.

Amazons in the Digital Era Arturo Sánchez Sanz, 2025-09-04 For more than 3 000 years the Amazons have been a recognised symbol that transcends mythology and has influenced history itself The image of the powerful warrior woman who defied the established patriarchal order proved so compelling that it became permanently enshrined in the collective imagination first through oral tradition and later through texts and images The contributions in this volume explore how this image has endured through the lens of classical reception From Wonder Woman to the war in Ukraine and across diverse genres such as video games fashion warfare and documentary film the Amazonian archetype has evolved beyond anything once imagined Today however we are witnessing a true transformation No longer embodying the negative traits the Greeks

once ascribed to them the Amazons have become a symbol of strength resilience and empowerment a model for women s rights in a global society and an icon of feminism and the LGBTQIA community Divided into three parts this book analyses how the image of the Amazon has at different times and in different contexts been marginalised put on a pedestal and globalised For the first time media case studies and lived histories are examined to compare and contrast modern frameworks with each other and with the original Amazonian iconography What emerges is a concept of the Amazon as a modern paradigm that speaks as strongly to contemporary society as it did to the ancients but with a very different meaning
