Sareen, 2021-10-25 This is the first in depth study to examine the history treatment and conditions of more than 2500 Japanese prisoners of war who were captured by British forces on the Burma front and kept in India during the period 1942-46 Drawing on original sources including the National Archive of India the International Committee of the Red Cross as well as limited government records in the UK USA and Japan together with some former Japanese POWs first hand accounts the author has been able to provide a detailed picture of the way of life of these prisoners the organization of camp life as well as the policies that governed their incarceration In so doing the author fills a significant gap both in Pacific War studies and prisoner of war history The manner of the capture and surrender of the Japanese was unique in that they were captured for the most part when they were either seriously wounded or sick or had become unconscious due to hunger or disease while fighting on the Arakan Imphal and Kohima Burma fronts A few in good health gave themselves up but there was no mass surrender even by a single regiment or unit ever took place thus giving rise to the myth that no Japanese soldier ever became a prisoner of war This account sets the history straight and will be widely welcomed by the generalist and specialist alike particularly those studying the history of this period including POW history as well as students of international law and the work of international agencies such as the Red Cross Marshal Zhukov's Greatest Battles Georgi K. Zhukov, 2002-04-15 Considered by some to be the greatest general of World War II General Georgi Zhukov served as the Chief of Staff of the Soviet High Command leading Soviet troops against Germans in key battles of the war In his account of four major

campaigns in the war the defense of Moscow Stalingrad and Kursk and the advance on Berlin Zhukov describes his experiences preparing for German attacks organizing counter strikes assessing the enemy and issuing the orders that pushed the front west towards Germany's capital Zhukov also tells of his extensive arguments with Stalin during the war and the political alliances and rivalries among the U S S R's generals throughout the conflict *The History Buff's Guide to World War II* Thomas R. Flagel, 2012-08-01 Did you know that neither Hitler nor Stalin graduated from high school Or that the Allies often employed teenage girls as spies In *The History Buff's Guide to World War II* Thomas R Flagel leaves no stone unturned as he presents dozens of top ten lists that examine the politics leaders and battles of the Second World War From Hitler to Stalin battleground to home front Flagel's compelling analysis and attention to often overlooked information ensures a surprise on every page for even the most dedicated World War II buff This fresh impossible to put down book puts a new perspective on one of the most heavily researched wars of all time and is sure to enthrall expert and amateur historians alike Do You Think You Know World War II Top Ten Speeches Top Ten Causes of Military Deaths Top Ten Most Popular Myths and Misconceptions Top Ten Forms of Resistance Top Ten Military Blunders *The Encyclopedia of War, 5 Volume Set* Gordon Martel, 2012-01-17 This ground breaking 5 volume reference is a comprehensive print and electronic resource covering the history of warfare from ancient times to the present day across the entire globe Arranged in A Z format the Encyclopedia provides an overview of the most important events people and terms associated with warfare from the Punic Wars to the Mongol conquest of China and the War on Terror from the Ottoman Sultan Suleiman the Magnificent to the Soviet Military Commander Georgi Konstantinovich Zhukov and from the crossbow to chemical warfare Individual entries range from 1 000 to 6 000 words with the longer essay style contributions giving a detailed analysis of key developments and ideas Drawing on an experienced and internationally diverse editorial board the Encyclopedia is the first to offer readers at all levels an extensive reference work based on the best and most recent scholarly research The online platform further provides interactive cross referencing links and powerful searching and browsing capabilities within the work and across Wiley Blackwell's comprehensive online reference collection Learn more at www.encyclopediaofwar.com Selected by Choice as a 2013 Outstanding Academic Title Recipient of a 2012 PROSE Award honorable mention
