Cambridge Studies In Comparative Politics

Philip A. Martin

Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics:

Warlords and Coalition Politics in Post-Soviet States Jesse Driscoll, 2015-07-02 The break up of the USSR was unexpected and unexpectedly peaceful Though a third of the new states fell prey to violent civil conflict anarchy on the post Soviet periphery when it occurred was quickly cauterized This book argues that this outcome had nothing to do with security guarantees by Russia or the United Nations and everything to do with local innovation by ruthless warlords who competed and colluded in a high risk coalition formation game Drawing on a structured comparison of Georgian and Tajik militia members the book combines rich comparative data with formal modeling treating the post Soviet space as an extraordinary laboratory to observe the limits of great powers efforts to shape domestic institutions in weak states The Oxford Handbook of Political Executives Rudy B. Andeweg, Robert Elgie, Ludger Helms, Juliet Kaarbo, Ferdinand Müller-Rommel, 2020-07-30 Political executives have been at the centre of public and scholarly attention long before the inception of modern political science In the contemporary world political executives have come to dominate the political stage in many democratic and autocratic regimes The Oxford Handbook of Political Executives marks the definitive reference work in this field Edited and written by a team of world class scholars it combines substantive stocktaking with setting new agendas for the next generation of political executive research **Strong Commanders, Weak States** Philip A. Martin, 2025-01-15 In Strong Commanders Weak States Philip A Martin investigates a fundamental political challenge faced by post conflict states how to create obedient national militaries from the remnants of insurgent forces When civil wars end non state armed groups often integrate into post conflict militaries Yet rebel military integration does not always happen smoothly In some cases former rebels cooperate with new leaders forming powerful national armies that underpin postwar stability In others they resist the authority of new leaders maintaining clandestine armed networks that disrupt centralized state building Martin argues that how field commanders of non state armed groups governed during the war explains this variation Rebel commanders who build accountable governance systems gain strong social support from rebel ruled communities becoming locally embedded Thanks to these community ties which persist after the war these embedded commanders have the leverage to push the central government for concessions resist directives to disarm fighters or even orchestrate coup d tats Conversely rebel commanders who governed coercively are less likely to sustain community ties Without the ability to mobilize collective action after the war these non embedded commanders have stronger incentives to cooperate with new regime leaders Wielding in depth evidence from Côte d'Ivoire and cases of rebel military integration elsewhere Martin shows that good governance during wartime can ironically lead to poor postwar state consolidation Rather than preparing insurgents to be successful state builders effective rebel governance can hinder post conflict state building As costly peace operations come under increasing scrutiny Strong Commanders Weak States offers fresh guidance on how transitions to peace can better succeed *Tajikistan on the Move* Marlene Laruelle, 2018-05-25 The southernmost and

poorest state of the Eurasian space Tajikistan collapsed immediately upon the fall of the Soviet Union and plunged into a bloody five year civil war 1992 1997 that left more than 50 000 people dead and more than half a million displaced After the 1997 Peace Agreements Tajikistan stood out for being the only post Soviet country to recognize an Islamic party the Islamic Renaissance Party of Tajikistan IRPT as a key actor in the civil war as well as in postwar reconstruction and democratization Tajikistan s linguistic and cultural proximity to Iran notwithstanding the balance of external powers over the country remains fairly typical of Central Asia with Russia as the major security provider and China as its principal investor Another specificity of Tajikistan is its massive labor migration flows toward Russia Out of a population of eight million about one million work abroad seasonally one of the highest rates of departure in the world Migration trends have impacted Tajikistan s economy and rent mechanisms half of the country s GDP comes from migrant remittances a higher share than anywhere else in the world However it is in the societal and cultural realms that migration has had the most transformative effect Migrants cultural and societal identities are on the move with a growing role given to Islam as a normative tool for regulating the cultural shock of migration Islam and especially a globalized fundamentalist pietist movement regulates both physical and moral security in workplace and other settings and brings migrants together to make their interactions meaningful and socio politically relevant It offers a new social prestige to those who work in an environment seen as threatening to their Islamic identity The first section of this volume investigates the critical question of the nature of the Tajik political regime its stability legitimacy mechanisms and patterns of centralization In the volume s second part we move away from studying the state to delve into the societal fabric of Tajikistan shaped by local rural specificities and social vulnerabilities in the health sector and gender relationships The third section of the volume is devoted to identity narratives and changes While the Tajik regime works hard to control the national narrative and the interpretation of the civil war society is literally and figuratively on the move as migration profoundly reshapes societal structures and cultural values

Partition and Peace in Civil Wars

Carter R. Johnson, 2021-08-09 This book examines whether partition is an effective means to resolve ethnic and sectarian civil wars It argues that partition is unlikely to end ongoing ethnosectarian civil wars but it can increase the likelihood of preventing civil war recurrence as long as the partition separates civilians and militaries The book presents in depth case studies of Georgia Abkhazia and Moldova Transnistria in addition to cross national comparisons of all ethnosectarian civil wars between 1945 and 2004 This analysis demonstrates when partitioning a country can help transform an identity based civil war into a lasting peace Highlighting practical and moral challenges of separating ethnosectarian groups the book contends that complete partitions cannot be easily implemented by the international community and this limits their applicability It also demonstrates that ethnosectarian civil wars are driven less by inter group antagonisms and more by state breakdown meaning displaced minorities can reintegrate peacefully after partition as long as a minimal level of state building has been completed The book ends by examining whether partition would be useful for five contemporary conflicts Iraq

Ukraine Donbass Afghanistan Sudan South Sudan and Serbia Kosovo This book will be of much interest to students of civil wars ethnic conflict peace and conflict studies and international relations *Friend or Foe* Nils Hägerdal, 2021-07-06 When civil conflicts break out in plural societies violence often occurs along group divides running the risk of spiraling into ethnic cleansing Yet for militants who do not seek ethnic separation as a political goal indiscriminate attacks are detrimental to their cause Under what circumstances are such combatants more or less likely to commit ethnic violence Nils Hägerdal examines the Lebanese civil war to offer a new theory that highlights the interplay of ethnicity and intelligence gathering He shows that when militias can obtain reliable intelligence particularly in demographically intermixed areas where information can cross ethnic boundaries they are likely to refrain from indiscriminate tactics Access to local intelligence helps armed groups distinguish between neutral and hostile non coethnics to target individual opponents while leaving civilians in peace Conversely when militias struggle to access local information they often fall back on ethnicity as a proxy for political allegiance with bloody consequences As intelligence capabilities shape the course of sectarian strife the role of ethnicity can vary even within a particular conflict Hägerdal conducted sixteen months of fieldwork in Lebanon interviewing former militia fighters and commanders and collecting novel statistical evidence He combines documentation by government agencies NGOs local news media and the United Nations with firsthand narratives by participants to provide an unparalleled account of the processes that generate violence or coexistence when a diverse society descends into armed conflict Theoretically innovative and descriptively rich *Friend or Foe* sheds new light on the logic and dynamics of ethnic violence in civil wars

Ordinary Rebels Kolby Hanson, 2025-09-02 In *Ordinary Rebels* Kolby Hanson argues that these periods of state toleration do not simply change armed groups behavior but fundamentally transform the organizations themselves by shaping who takes up arms and which leaders they follow This book draws on a set of innovative experimental surveys and 75 in depth interviews tracing four armed movements over time in Northeast India and Sri Lanka A powerful new theory of how conditions shape the trajectory of non state armed groups this book reshapes our understanding of why such organizations become more moderate over time **Introduction to International Relations** Joseph Grieco, G. John Ikenberry, Michael Mastanduno, 2022-03-24 This bestselling introductory textbook provides a truly comprehensive and approachable guide to international affairs Bringing together decades of combined experience in researching and teaching global politics from three acclaimed scholars this book introduces you to the key concepts in international relations while equipping you with the tools to successfully analyse the rapidly changing world in which we live Carefully and pedagogically structured the book is driven by nuanced enduring questions to support active engagement with the subject matter It covers everything from war and its causes to the pursuit of peace the role of non state actors on the world stage and transnational concerns such as climate change Thought provoking boxed features throughout highlight disparities between theory and practice provide overviews of key research and make use of the influential levels of analysis framework This third edition is

completely updated throughout including extensive coverage of the latest advances in international relations scholarship and supported by a wealth of contemporary case examples The text is supported by a rich companion website with study guides instructor resources and interactive exercises to allow you to consider complicated political decisions for yourself

Introduction to International Relations is the ultimate companion for undergraduate students of politics and international relations in need of an exciting and rigorous introduction to the subject **Routledge Handbook of Political Islam**

Shahram Akbarzadeh,2020-12-29 This updated second edition of the Handbook of Political Islam covers a range of political actors that use Islam to advance their cause While they share the ultimate vision of establishing a political system governed by Islam their tactics and methods can be very different Capturing this diversity this volume also sheds light on some of the less known experiences from South East Asia to North Africa Drawing on expertise from some of the top scholars in the world the chapters examine the main issues surrounding political Islam across the world including Theoretical foundations of political Islam Historical background Geographical spread of Islamist movements Political strategies adopted by Islamist groups Terrorism Attitudes towards democracy Relations between Muslims and the West in the international sphere Challenges of integration Gender relations Capturing the geographical spread of Islamism and the many manifestations of this political phenomenon make this book a key resource for students and researchers interested in political Islam Muslim affairs and the Middle East Case and the Syntax of Argument Indexation Assistant Professor of Linguistics Faruk

Akkuş,David Embick,Professor of Linguistics David Embick,Mohammed A. Salih,Faruk Akkuş,2025-07-31 This book draws on data from Sorani Kurdish to present an analysis of argument indexation the process by which arguments in a clause are coindexed with grammatical markers that bear their features This novel analysis is shown to have broader implications particularly for theories of case assignment

Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Warlords And Coalition Politics In Post Soviet States

Cambridge Studies In Comparative Politics has opened up a world of possibilities. Downloading Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics Books

1. Where can I buy Warlords And Coalition Politics In Post Soviet States Cambridge Studies In Comparative Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
