There really are no words I can find to thank this author for being the beacon of light at the end of this transition from victim to the person I am today." - A Reader "I've been reading Warrior of Light. amazing book to me A Reader [Twin Flame Soul Connections](#) Kevin Hunter,2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they re a spark shooting out of God s love that explodes into a blinding white fire that breaks apart causing one to be two until two become one again separate and whole and back around again Looking into the eyes of your Twin Flame is like looking into the eyes of God because to know love is to know God When one thinks of a Soul Mate or Twin Flame they might equate it to a passionate romantic relationship where you re making love on a white sandy palm tree lined beach in paradise for the rest of your lives This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames and how to identify if you ve come into contact with your Twin Flame or if you know someone who has The ultimate goal is not to find ones Twin Flame but to awaken ones heart to love and to work on becoming complete and whole as an individual soul through spiritual self mastery life lessons growth and raising your consciousness Your soul s life was born out of love and will die right back into that love Chapter Topics Include Karmic Soul Connections Soul Mate Soul Connections The Twin Flame Craze The Birth of Twin Flames Masculine Feminine Yin and Yang The Light and Dark Higher and Lower Energies Twin Flames The Romantic and Non Romantic Twin Flames Age and Location Twin Flames Example Couples Twin Flames Genders Gay Straight Homosexual Heterosexual Twin Flames Runner Chaser Push and Pull Twin Flames Mirrors Goals Missions and Purposes Technology Strengths and Challenges Twin Flames Coming Together Is This Person My Twin Flame Twin Flames Spiritual Growth Twin Flames Recapping the Truths and Myths of Twin Flames The Twin Flame Summary Cheat Sheet [Connecting with the Archangels](#) Kevin Hunter,2013-05-27 There are legions of benevolent Archangels residing throughout all of the higher dimensions They act as God s hands and arms reachable to those that call to them Like the Angels the Archangels help bring you closer to God when He feels inaccessible and further away even though He is always around you And like God the Archangels are infinite and can be everywhere at once When you work with them it can help strengthen your faith while helping your spiritual and practical life run smoother than it would without that Divine relationship Connecting with the Archangels features sixteen of the more prominent Archangels Kevin Hunter gives attention to each one by discussing their primary specialties He weaves in his own examples of how he has successfully worked with these powerful Archangels throughout his daily life in order to demonstrate their areas of expertise for your soul s growth and benefit Archangels featured Archangel Michael Archangel Raphael Archangel Gabriel Archangel Uriel Archangel Nathaniel Archangel Jophiel Archangel Raziel Archangel Ariel Archangel Haniel Archangel Azrael Archangel Metatron Archangel Sandalphon Archangel Raguel Archangel Chamuel Archangel Zadkiel Archangel Jere miel **Empowering Spirit Wisdom** Kevin Hunter,2014-02-15 In Empowering Spirit Wisdom Kevin Hunter relays heavenly guided messages for everyday life concerns As a soul living a physical life you require basic necessities to

function and live a more prosperous life The things that tend to consume most people on a regular basis are relationships health home and career Two of the biggest topics people tend to ask about most are matters related to love and work Everyone wants to be happy at their job and or they want a successful partnership with a loving soul mate It s not enough to be connected spiritually but you also have practical desires in order to function more efficiently on Earth Some of the topics covered in Empowering Spirit Wisdom are guidance and discussions surrounding your own soul spirit and the power of the light the more realistic side of the laws of attraction finding meaningful work transforming your professional and personal life attracting in love navigating through the various stages of dating and love relationships as well as other practical affirmations and messages from the Archangels Author Kevin Hunter passes on the sensible wisdom from his Spirit team in this Light filled inspirational book What Readers Have Said I enjoyed the chapters on love and relationships the most I really like how the author expresses things directly and very energetically A Reader I loved the manifesting chapter in this book Empowering Spirit Wisdom How many times do we think and immediately deny it because we feel so undeserving or we don t believe it can happen I will put into practice what the author suggests from now on in taking care of my thoughts and making them more positive A Reader Holy smokes I don t even have to pester anyone because all the questions I ve had seemed to pretty much get answered in this book The author comes off so loving and so awesome A Reader I really enjoyed Empowering Spirit Wisdom and I am glad that I found an author of books that are in alignment with my beliefs A Reader This is the first time for me reading one of Kevin Hunter s books I was curious what a Warrior of Light would have to say on Love Career and the Spirit World because I consider myself being a kind of warrioress within To me the language of the author is quite energetic and committed He and his Spirit team come straight to the point No glossing over no beating about the bush but clear information instead Which actually is very encouraging because our abilities and responsibilities as humans are also addressed directly I very much enjoyed the chapters on love and relationships because they speak from the heart This book provides a lot of interesting and important information Sometimes it feels like a sheer stream of insights that come along like waves I loved it A Reader *The Seven Deadly Sins* Kevin Hunter,2016-03-12 *The Seven Deadly Sins* is a pocket book that takes a look at the traditional sins in a practical way The Seven Deadly Sins in today s language would be the Seven Toxic Challenges Being aware of these toxic challenges are helpful since falling into a deadly sin creates a block from achieving greatness finding peace and picking up on the messages and guidance coming in from Heaven The messages and guidance are intended to help guide you along your path You were born with an ego that expands as it enters the Earth s atmosphere This ego causes you to struggle and have conflicts as it attempts to take over you and dominate your actions thoughts and feelings When your ego runs recklessly it grows and expands into darkness The dark ego is what prompts you to wrestle with challenges in this lifetime These challenges were called sin during ancient times The sins committed can delay you on your path and wreak havoc on your soul s innate system This innate system is the higher self part of you that governs your life

through a broader perspective The seven deadly sins were created in order to assist human souls in making sounder choices They are challenges that all human souls wrestle with to one degree or another When you re deeply absorbed in these toxic challenges then it causes an array of issues and complications on your life path These sins or challenges prevent the positive flow of energy and abundance in your life They also play a hand at creating a block that stops up the communication line with your team on the Other Side The sins or toxic challenges looked at include Pride Envy Greed Lust Gluttony Wrath and Sloth
