Wartime Kiss Wartime Kiss:

Wartime Kiss Alexander Nemerov, 2013 A deeply personal meditation on the haunting power of American photos and films of the 1940s *Wartime Kiss* is a personal meditation on the haunting power of American photographs and films from World War II and the later 1940s Starting with a stunning reinterpretation of one of the most famous photos of all time Alfred Eisenstaedt's image of a sailor kissing a nurse in Times Square on V J Day Alexander Nemerov goes on to examine an array of mostly forgotten images and movie episodes from a photo of Jimmy Stewart and Olivia de Havilland lying on a picnic blanket in the Santa Barbara hills to scenes from such films as *Twelve O'Clock High* and *Hold Back the Dawn* Erotically charged and bearing traces of trauma even when they seem far removed from the war these photos and scenes seem to hold out the promise of a palpable and emotional connection to those years Through a series of fascinating stories Nemerov reveals the surprising background of these bits of film and discovers unexpected connections between the war and Hollywood from an obsession with aviation to Anne Frank's love of the movies Beautifully written and illustrated *Wartime Kiss* vividly evokes a world in which Margaret Bourke White could follow a heroic assignment photographing a B 17 bombing mission over Tunis with a job in Hollywood documenting the filming of a war movie Ultimately this is a book about history as a sensuous experience a work as mysterious indescribable and affecting as a novel by W G Sebald **British Popular Culture and the**

First World War Jessica Meyer, 2008-05-31 Much of the scholarship examining British culture of the First World War focusses on the high culture of a limited number of novels memoirs plays and works of art and the cultural reaction to them This collection by focussing on the cultural forms produced by and for a much wider range of social groups including veterans women museum visitors and film goers greatly expands the debate over how the war was represented by participants and the meanings ascribed to it in cultural production Showcasing the work of both established academics and emerging scholars of the field this book covers aspects of British popular culture from the material cultures of food and clothing to the representational cultures of literature and film The result is an engaging and invigorating re examination of the First World War and its place in British culture Contributors are Keith Grieves Rachel Duffett Jane Tynan Krisztina Robert Lucy Noakes Stella Moss Carol Acton Douglas Higbee John Pegum Eugene Michail Victoria Stewart Virginie Renard Claudia Sternberg Richard Espley and Stephen Badsey Erratum Introduction Jessica Meyer page 11 in the first sentence of the second paragraph for talke read talk **The Familiar Made Strange** Brooke L. Blower, Mark Philip Bradley, 2015-06-04 In *The Familiar Made Strange* twelve distinguished historians offer original and playful readings of American icons and artifacts that cut across rather than stop at the nation's borders to model new interpretive approaches to studying United States history These leading practitioners of the transnational turn pause to consider such famous icons as John Singleton Copley's painting *Watson and the Shark* Alfred Eisenstaedt's photograph *V J Day 1945 Times Square* and Alfred Kinsey's reports on sexual behavior as well as more surprising but revealing artifacts like Josephine Baker's banana skirt and William Howard

Taft's underpants Together they present a road map to the varying scales angles and methods of transnational analysis that shed light on American politics empire gender and the operation of power in everyday life

Touch and Intimacy in First World War Literature Santanu Das, 2006-04-06 The First World War ravaged the male body on an unprecedented scale yet fostered moments of physical intimacy and tenderness among the soldiers in the trenches Touch the most elusive and private of the senses became central to war experience War writing is haunted by experiences of physical contact from the muddy realities of the front to the emotional intensity of trench life to the traumatic obsession with the wounded body in nurses memoirs Through extensive archival and historical research analysing previously unknown letters and diaries alongside literary writings by figures such as Owen and Brittain Santanu Das recovers the sensuous world of the First World War trenches and hospitals This original and evocative study alters our understanding of the period as well as of the body at war and illuminates the perilous intimacy between sense experience emotion and language as we try to make meaning in times of crisis

The war that won't die David Archibald, 2021-06-15 The war that won't die charts the changing nature of cinematic depictions of the Spanish Civil War In 1936 a significant number of artists filmmakers and writers from George Orwell and Pablo Picasso to Joris Ivens and Joan Mir rallied to support the country's democratically elected Republican government The arts have played an important role in shaping popular understandings of the Spanish Civil War and this book examines the specific role cinema has played in this process The book's focus is on fictional feature films produced within Spain and beyond its borders between the 1940s and the early years of the twenty first century including Hollywood blockbusters East European films the work of the avant garde in Paris and films produced under Franco's censorial dictatorship The book will appeal to scholars and students of Film Media and Hispanic Studies but also to historians and indeed anyone interested in why the Spanish Civil War remains such a contested political topic

War and Remembrance Herman Wouk, 2010-01-30 A masterpiece of historical fiction and a journey of extraordinary riches New York Times Book Review War and Remembrance stands as perhaps the great novel of America's Greatest Generation These two classic works capture the tide of world events even as they unfold the compelling tale of a single American family drawn into the very center of the war's maelstrom The multimillion copy bestsellers that capture all the drama romance heroism and tragedy of the Second World War and that constitute Wouk's crowning achievement are available for the first time in trade paperback

The Decisive Network Nadya Bair, 2020-07-07 Since its founding in 1947 the legendary Magnum Photos agency has been telling its own story about photographers who were witnesses to history and artists on the hunt for decisive moments Based on unprecedented archival research The Decisive Network unravels Magnum's mythologies to offer a new history of what it meant to shoot edit and sell news images after World War II Nadya Bair shows that between the 1940s and 1960s Magnum expanded the human interest story to global dimensions while bringing the aesthetic of news pictures into new markets Working with a vast range of editorial and corporate clients Magnum made photojournalism integral to postwar visual culture But its photographers could

not have done this alone By unpacking the collaborative nature of photojournalism this book shows how picture editors sales agents spouses and publishers helped Magnum photographers succeed in their assignments and achieve fame Bair concludes in the late 1960s and early 1970s when changing market conditions led Magnum to consolidate its brand In that moment Magnum s photojournalists became artists and their assignments oeuvres Bridging art history media studies cultural history and the history of communication The Decisive Network transforms our understanding of the photographic profession and the global circulation of images in the predigital world One Family's War Clarence Bourassa,2010 For half a century a box had lain undisturbed buried under years of accumulated clutter in the back room of a house The contents of the box stacks of letters neatly bundled in chronological order four years worth The letter writer was Clarence Bourassa who had enlisted with the South Saskatchewan Regiment in March 1940 Clarence s son Rollie had never known of the letters existence His mother to whom the letters were written had never spoken of them Then in 1995 Rollie discovered the letters and he came to know the father who had never returned from war The correspondence reveals the fear hunger fatigue and loneliness of Clarence s wartime experience His firsthand account of his participation in the disastrous Dieppe Raid makes the book a valuable historical document and a major contribution to Canada s military history **Theatres of War** R J J Hall,2013-09-01 On the landing beaches at Salerno in September 1943 two soldiers face the German bombardment together but they come from different worlds Frank grew up in the backstreets of London but he s clever and is now an officer Edmund is a cricketer from a landed family Vermillion had fallen for Edmund in Cairo where she monitored German communications Desperate to see him again she gets transferred to war torn Naples But when Frank discovers an abandoned theatre and stages a revue she can t stay away It proves such a success that Frank is ordered to stay in Naples and put on more shows Vermillion joins him and her life becomes enmeshed with both men While Edmund fights in the bitter winter battles near Monte Cassino Frank dreams of staging an opera Vermillion still loves Edmund but she doesn t want him running her life And working with Frank she experiences the independence she s longed for Vermillion feels fulfilled but a time is soon coming when she ll have to choose Theatres of War is a love story about sacrifice and duty and a war story about self discovery and love Seen through the eyes of combatants and civilians it evokes the convulsions of the forgotten Italian campaign of World War II It makes a gripping read for anyone with an interest in historical wartime novels Italy opera and love stories **God Bless America: Tin Pan Alley Goes to War** Kathleen E.R. Smith,2003 Neither group however could foresee to what extent the war effort would be defined by advertisers and merchandisers One advertiser described morale as a lot of little things and those little things included beer chewing gum tobacco breakfast cereal virtually every product on the American market Selling merchandise was always the first priority of Tin Pan Alley and the OWI never swayed them from this course BOOK JACKET
