Water From An Ancient Well Celtic Spirituality For Modern Life:

Water from an Ancient Well Kenneth McIntosh, 2023 Using story scripture reflection and prayer Kenneth McIntosh offers us a taste of the living water that refreshed the ancient Celts *Water from an Ancient Well* Kenneth McIntosh, Kenneth McIntosh M DIV, 2011-08-01 Using story scripture reflection and prayer this book offers readers a taste of the living water that refreshed the ancient Celts The author invites readers to imitate the Celtic saints who were aware of God as a living presence in everybody and everything This ancient perspective gives radical new alternatives to modern faith practices ones that are both challenging and constructively positive This is a Christianity big enough to embrace the entire world

Following the Celtic Way Ian Bradley, 2020-04-28 A quarter century after writing the acclaimed *The Celtic Way* Ian Bradley one of the foremost experts on the spiritual beliefs and practices of the indigenous Christian communities in the British Isles in the early Middle Ages revisits the original sources and makes a substantial reappraisal of Celtic spirituality *Following the Celtic Way* challenges many of the myths and romanticized portrayals of Celtic Christianity and shows evidence of the harder edge and demanding austerity of the lives and spirituality of believers from this time This book sits among the most insightful and up to date introductions to this distinctive and evocative expression of faith and draws out its themes that are most relevant to us today It also offers practical spiritual guidance on how to follow the Celtic Way in the contemporary world

Process Theology and Celtic Wisdom Bruce G Epperly, 2018-12-14 The Christian life is a holy adventure Bruce Epperly has opened up that adventure to everyone in his previous books *Process Theology* *Process Spirituality* and *Process and Ministry* Now he connects this adventure to ancient roots in Celtic spirituality This book takes a meditative experiential approach to the complex often difficult topic of process theology and brings it to life for everyday spiritual practice while rooting it in Celtic wisdom This is not the place for rigid doctrine and adherence to a set of commands Instead Epperly hears God's call to embrace a God who is available to us a call to adventure and the hope for new spiritual vistas This spiritual journey will resonate in how we live and build community This is a short volume designed for anyone to read It is suitable for individual or group study It aims to make both process theology and Celtic wisdom available to everyone

Brendan's Return Voyage: A New American Dream Ray Simpson, 2021-03-31 A myth is reviving in the USA which recent research validates that Saint Brendan voyaged over three thousand miles from Ireland to America to evangelize it but when the Indians near the Mississippi welcomed him he realized Jesus was already there In humility he returned home In contrast USA missions have taken a colonial approach to evangelizing Native American tribes requiring converts to rubbish their culture and accept white culture as Christian This book discerns the Creator's imprints in indigenous tribes It identifies some fault lines in USA and Western society and church e g white supremacy manifest destiny and the twin towers of empire building and separatism Churches need to repent of these false gods They need to break free from the prison of consumerism and become open to the prophetic spirit The book

also explores the Creator's imprints in white American culture and the Christian spirituality of the Euro Americans indigenous forbears the Celts The book outlines ways in which in these fading decades of Western supremacy and despite polarization indigenous settler and immigrant peoples may journey together as modern followers of the Way Those who rise to this challenge undertake a new Brendan's Voyage and create a new American dream There Comes a Time, in Every Life, When We are Drowning Alistair Cran, 2019-08-02 The Day of Love Healing Book Series provides resources that reconnect us with Heart Centred human qualities Love the first at the age of thirteen a choice was provided to risk one's own life or watch a friend drown and the second when one of our sons required a major intervention to save his life **Be Still and Listen** Amos Smith, 2018-06-12 The various crises we experience in society and culture today at their root reveal a spiritual problem a profound lack of meaning The mystical truths revealed in scripture can surely help With Be Still and Listen it is possible to explore the contemplative dimensions of the Bible either on your own or in a group setting as you perhaps never have before Part One Entering the Desert introduces the reader to principles of awareness deep listening and contemplation as essential for hearing what Scripture has to say Part Two details the importance of mystery and struggle in the process of healing from any past or present wounds And Part Three explores the undivided heart that is possible when we come to know God in silence and stillness Amos Smith's unique voice is rooted in his long term centering prayer practice and his international background Be Still and Listen is a trumpet call to the inner treasures of contemporary Christian mysticism RICHARD ROHR author of Falling Upward In a lively accessible and masterful style Amos Smith unveils the mystical foundations of Christianity and the spiritual wealth found in Scripture KYRIACOS MARKIDES author of The Mountain of Silence Be Still and Listen promises to be a refreshing companion to your spiritual journey helping you to deepen your capacity for presence of being assisting you to live in the here and now and guiding you along the mystical path with Christ PHILEENA HEUERTZ author of Pilgrimage of a Soul Amos Smith's mystical writing builds bridges between Eastern and Western Christianity ABBA YOHANNES Ethiopian Orthodox monk **One Foot in Front of the Other** Sue Woolley, 2020-10-01 THE HEARTWARMING AND UPLIFTING NEW STORY PERFECT FOR FANS OF CLARE MACKINTOSH AND CATHY BRAMLEY Since being widowed Claire's life has been simple She drives to work and comes home She prepares meals for the week ahead She feeds the cat She drinks two bottles of wine But one morning Claire wakes up with no memory of the night before What did she do Even worse what did she say to Philip her oldest friend Deciding to give up alcohol is easy However Claire soon finds that the path to sobriety is an uphill struggle and when she and Philip embark on the adventure of a lifetime she soon comes to realise that the end of one road is only the beginning of another Can Claire learn to trust in love again and will she ever trust herself Christianity in Blue David A. Kaden, 2021 Today's social and political climate often pits conservative or traditional Christianity against progressive Christianity But what is progressive Christianity What is a progressive Christian What is a progressive church Christianity in Blue answers these questions by drawing from

biblical scholarship Christian history theology popular culture philosophy and cultural anthropology Kaden shows how socially liberal values and progressive attitudes can be the fruits of taking seriously both the Bible and Christian tradition But rather than treating these sources as static authorities and the final word on every subject Kaden argues that they are places to start one's exploration of how to be a Christian in the world Being a progressive Christian is an ethical exhortation to uplift human personality as Martin Luther King Jr once said This exhortation structures how progressive Christians receive interpret and apply the Bible and Christian tradition to daily life A robust tradition provides an anchor to avoid the illiberal trends in contemporary society and a commitment to uplifting human personality provides a check against dehumanizing uses of Scripture and tradition Christianity in Blue will help both progressive and conservative Christians better understand the importance of the Bible theology history and philosophy for building a loving church for everyone
