The Tender Heart Pocket Puritans:

The Tender Heart Richard Sibbes, 2011 Richard Sibbes always sought to get under the superficial layer of his listeners' behaviour and deal with their hearts' affection and desires. In *The Tender Heart* he explains that those who are tender-hearted do not simply desire salvation; they desire the Lord of salvation himself. Only when a person is brought to love the Lord with heart-felt sincerity will they begin to hate their sin truly instead of merely dreading the thought of God's punishment of it.

A Puritan in Babylon William Allen White, 2018-12-02 This book, which was first published in 1938, began as a biography of Calvin Coolidge but author William Allen White found early in his task that he was writing the story of the growth and rise of economic America from the seventies until the crash of the Coolidge bull market in the autumn of 1929. In this story of an era in American life, the figure of Calvin Coolidge, a curious reversion to an old type, stands out in contrast to the vivid color of a gorgeous epoch. The history of the Coolidge bull market in detail from 1921, when Coolidge came to Washington as Vice President until 1929 when he left Washington and public life had not been written before. As that market boomed, Calvin Coolidge, as President, having all the virtues needed for another day, moved through the turmoil of the times earnestly, honestly, courageously trying to understand his country's economic development and to act upon his understanding of a movement that baffled him and left him futile. Mr. White talked to hundreds of people who knew and were associated with President Coolidge in those days: Cabinet members, friends, White House associates, reporters, business men, big and little, and his story throws a new light upon the inside of the White House and upon the President through the years.

Rook, 1888 **The Elocutionist's Annual ...**, 1889 Child's Own Speaker Emma Cecilia Rook, 1889 Shoemaker's Best Selections for Readings and Recitations, 1914 **Elocutionist's Annual Number Comprising New and Popular Readings, Recitations, Declamations, Dialogues, Tableaux Etc., Etc**, 1886 *Choice Dialect for Reading and Recitation* Charles Chalmers Shoemaker, 1887 **Young Folks' Dialogues** Charles Chalmers Shoemaker, 1885 *The Puritan Experience* Owen C. Watkins, 2020-11-05 Originally published in 1972 and based on extensive research and use of source materials including manuscripts, this book examines Puritan spiritual autobiographies written before 1725 and sets them in the context of the literary tradition out of which they grew. As well as Bunyan, Baxter, and Fox, this book also discusses important works which have received less attention, notably the Confessions of Richard Norwood, the Bermudan settler. The book identifies 3 strands in the tradition: the work of the orthodox Puritans, the prophets of the Commonwealth, and the confessions and journals of the early Quakers. The social, religious, and literary factors which contributed to their development are discussed, and it is shown how the self-analysis popularized by the Puritan preachers and writers contributed to the development of the novel. The book will be of particular value to those interested in 17th Century literature or religion. **Best Things from Best Authors ...** Jacob W.
