Rick Geary

The Terrible Axe Man Of New Orleans Treasury Of Xxth Century Murder:

The Terrible Axe-Man of New Orleans Rick Geary,2010 During the years 1918 and 1919 six people in New Orleans were killed and six more injured in their homes in the dead of night by an axe wielding intruder who got away without a trace After more than a year the killings stopped as suddenly as they started No trace of the murderer was ever found Geary presents the facts and the speculations about these attacks in the third in his series on twentieth century murder **The True Death**

of Billy the Kid Rick Geary,2018-03-01 One of the great folk legends of the Wild West William H Bonney went from cowboy and rancher s gunslinger to a pure outlaw forever dodging justice in New Mexico before it was even a state On the one hand he was charming fun loving often present at social events quite appealing to the ladies Also conversant in Spanish Billito was popular with the Spanish speaking crowd On the other hand he had no compunction to coldly kill a man a sheriff a deputy anyone who got in the way of his rustling cattle or horses for an illicit living He also proved hard to keep in jail once he was caught It is probably his daring escapes from jails that made him most famous and this is the main subject of this biography which traces his story up through his death by a gunshot in the pitch darkness fired by lawmen obsessed with getting rid of him Louise Brooks: Detective Rick Geary,2015-06-01 A fictional story centered on actress Louise Brooks this graphic novel by Rick Geary is spun around her actual brief meteoric career as a smoldering film actress who popularized bangs Geary fantasizes about her coming back to her home town of Wichita where she becomes intrigued by a murder involving a friend a famous reclusive writer and a shady beau Not before she gets herself in great danger will she emerge with the solution the police fail to grasp *Lovers' Lane* Rick Geary,2012-08-01 The perfect ingredients for a juicy scandal and fascinating investigation are presented in this masterful graphic novel retelling of an unsolved murder from the 1920s On the evening of September 14 1922 Reverend Edward Hall and Mrs Eleanor Mills take a stroll in the New Brunswick town park Shots are heard and two days later their bodies are found lying neatly next to each other love letters strewn around them and a scarf obscures the fact that Mrs Mills throat has been slit The two had been involved in an affair and the press hungrily devours the story No evidence is sufficient to lead to an indictment so the mystery intensifies with conjecture Was this a dual suicide Was this perpetrated by a jealous rival Four years later the case reopens due to new evidence indicting the reverend s wife but she is an upstanding member of the community who vehemently denies that her husband ever had an affair This is a tragic story told with beguiling relish and expert illustration in a distinctive style fitting of the era **Black Dahlia** Rick Geary,2016-11-01 Winner 2017 YALSA Great Graphic Novels for Teens Non fiction Nominee 71st Annual NCS Reuben Awards Graphic Novels On January 15 1947 a woman was walking with her daughter in a Los Angeles neighborhood She passed what looked to be a discarded manikin It turned out to be the body of Elizabeth Short posed drained of blood meticulously scrubbed and cut in two From this point Geary reconstitutes and reveals for us the life of this 22 year old woman who had become known as Black Dahlia because of her striking appearance How could her life have ended in such a

ghastly fashion Was it a jealous boyfriend a rejected suitor or one of LA s notorious mafia connections whom she had apparently been dabbling with The case gets more complex when days later a local newspaper receives a cut out letter from an anonymous Black Dahlia Avenger admitting to the crime *The Lindbergh Child* Rick Geary,2009-02-01 Lindbergh s baby disappears Geary retraces all the different highly publicized events blackmail notes false and otherwise as well as the string of colorful characters wanting to help some of which actually successfully snookered the beleaguered hero *The Lives of Sacco & Vanzetti* Rick Geary,2011-08-01 Rick Geary tackles the most controversial case of the 20th century Anarchists Sacco Vanzetti were accused of robbery and murder but so many supposedly damning pieces of evidence were questionable their guilty verdict elicited massive protests around the world Geary presents us with all the twists and turns appeals and dubious evidence after presenting us the human face of the two men demonized by many turned to martyrs by many others in his usual unflappable way *The Axeman of New Orleans* Miriam C. Davis,2017-03-01 From 1910 to 1919 New Orleans suffered at the hands of its very own Jack the Ripper style killer The story has been the subject of websites short stories novels a graphic novel and most recently the FX television series American Horror Story But the full story of gruesome murders sympathetic victims accused innocents public panic the New Orleans Mafia and a mysterious killer has never been written Until now The Axeman repeatedly broke into the homes of Italian grocers in the dead of night leaving his victims in a pool of blood Iorlando Jordano an innocent Italian grocer and his teenaged son Frank were wrongly accused of one of those murders corrupt officials convicted them with coerced testimony Miriam C Davis here expertly tells the story of the search for the Axeman and of the eventual exoneration of the innocent Jordanos She proves that the person mostly widely suspected of being the Axeman was not the killer She also shows what few have suspected that the Axeman continued killing after leaving New Orleans in 1919 Only thirty years after Jack the Ripper stalked the streets of Whitechapel the Axeman of New Orleans held an American city hostage This book tells that story **The Axeman** Wallace Edwards,2020-09-01 Discover a serial killer you ll never forget Between 1918 to 1919 a serial killer ran rampant throughout New Orleans His weapon of choice The axe He didn t spare women Or children Or even men There was only one kind of person who could be spared from the blade of his axe the home of a person playing jazz music At least eight people were brutally murdered Who could have been responsible for this crime and how was the Mafia connected Did a corrupt police department intentionally leave this case unsolved Come if you dare as Absolute Crime takes you on the hunt for one of the most brutal killers who ever lived **The Axe Murders of New Orleans** Robert Cleroux,2023-06-17 In the dark underbelly of early 20th century New Orleans a city cloaked in jazz rhythms and plagued by secrets a relentless and enigmatic figure terrorized its inhabitants Amidst the backdrop of a city shrouded in mystery this crime tale delves into the hauntingly evocative history of the Axeman a name that still sends shivers down the spines of those who dare to remember From the blood stained streets to the clandestine networks of the Italian Mafia this mesmerizing account takes readers on a journey through the hidden corners of

New Orleans past As the Axeman s reign of terror escalates fear grips the hearts of the innocent and the community seeks answers amidst the cacophony of jazz filled nights But beyond the legend lies a forgotten truth stories of the victims who bore witness to the brutality of this elusive killer Their voices too long silenced emerge from the shadows demanding justice and remembrance

The Axeman of New Orleans Peter Dove, 2021-07-11 New Orleans has always managed to create a mix of the mysterious and the macabre in our minds As a city it is different its jazz its location and openness to the elements its cosmopolitan community At the turn of the last century the French influence was still strong A quarter of the population spoke the Gallic language and French newspapers were still popular But these Northern Europeans were not the only significant immigrant group to reside there In 1915 Atlantic storms blew into the vulnerable city and floods threatened lives and buildings But still the city stood tall and firm against all that nature could throw against it Yet if it could withstand the onslaught of the natural world the same was not necessarily true of the human one Back in 1910 a particularly savage crime took place a vicious merciless assault with an axe There is something almost primordial about such an attack On this occasion the victim survived and in a city where racial tensions were rife where child labour still flourished the confrontation went largely unnoticed by the wider community Then in the early summer of 1911 another incident took place and this time the assault proved fatal Joe Davi was in all probability the first man to die at the hands of the Axeman of New Orleans

Jazz, Murder, and the Axeman REBECCA. WEISSMAN, 2025-04-08 In the sweltering streets of 1918 New Orleans

a city reeling from war racial tension and a deadly influenza outbreak found itself stalked by a shadowy figure wielding an axe One by one families were slaughtered in their homes and panic gripped the Crescent City Then came the letter purportedly from the killer himself declaring that any household not playing jazz on a certain night would face his wrath What followed was one of the most bizarre episodes in American criminal history a city united in fear and music where dance halls overflowed and phonographs blared through the night The Axeman of New Orleans vanished as suddenly as he appeared leaving behind a trail of bodies broken lives and unanswered questions Jazz Murder and the Axeman dives into the chilling true story of an unsolved serial killer whose crimes became inseparable from the birth of America s most iconic musical genre Drawing on contemporary accounts police records cultural analysis and modern theories this gripping narrative explores not only the hunt for a killer but the soul of a city defined by its resilience rhythm and dark folklore Was he a madman A mob hitman Or something more elusive Step into the shadows of jazz soaked New Orleans and decide for yourself

Axes of Evil Todd C. Elliott, 2015-05-02 The ax man murders of 1912 in Louisiana and Texas leave a bloody trail of evidence that points to the largest unsolved serial killing in history of the United States It s a tale of ritual murder voodoo mayhem and wholesale killings that leads the reader on a shocking train ride across two states and into the chapters of a real American horror story The fiendish slayings of 10 sleeping families nestled in their beds is only the beginning of the terrifying account of a true crime that remains unsolved Axes of Evil sheds light on an unwritten part of American history and uncovers the American Jack the Ripper
