The Ticklish Subject The Absent Centre Of Political Ontology

Daniel Hourigan

The Ticklish Subject The Absent Centre Of Political Ontology:

The Ticklish Subject Slavoj Žižek, 1999 A spectre is haunting Western academia the spectre of the Cartesian subject Deconstructionists and Habermasians cognitive scientists and Heideggerians feminists and New Age obscurantists _ all are united in their hostility to it The Ticklish Subject seeks to undermine the common presupposition of all these critiques by posing a provocative question what if there is a subversive core of the Cartesian subject to be unearthed a core which provides the indispensable philosophical point of reference of any genuinely emancipatory politics In this new long awaited systematic exposition of the foundations of his theory Slavoj Zizek explores this question through a detailed and rigorous confrontation with predominant contemporary notions of the subject Heidegger s attempt to overcome subjectivity the post Althusserian elaborations of political subjectivity Ernesto Laclau Etienne Balibar Jacques Ranci re and Alain Badiou deconstructionist feminism Judith Butler and the theories of second modernity and risk society Anthony Giddens Ulrich Beck While philosophical in tenor and peppered with Zizek s characteristic witticisms The Ticklish Subject is first and foremost an engaged political intervention addressing the burning question of how to reformulate a leftist project in an era of global capitalism and its ideological supplement liberal democratic multiculturalism *The Ticklish Subject* Slavoj Zizek, 2020-05-05 Slavoj Zizek the maverick philosopher author of over 30 books acclaimed as the Elvis of cultural theory and today s most controversial public intellectual His work traverses the fields of philosophy psychoanalysis theology history and political theory taking in film popular culture literature and jokes all to provide acute analyses of the complexities of contemporary ideology as well as a serious and sophisticated philosophy His recent films *The Pervert s Guide to the Cinema* and *Zizek* reveal a theorist at the peak of his powers and a skilled communicator Now Verso is making his classic titles each of which stand as a core of his ever expanding life s work available as new editions Each is beautifully re packaged including new introductions from Zizek himself Simply put they are the essential texts for understanding Zizek s thought and thus cornerstones of contemporary philosophy *The Ticklish Subject The Absent Centre of Political Ontology* A specter is haunting Western thought the specter of the Cartesian subject In this book Slavoj Zizek unearths a subversive core to this elusive specter and finds within it the indispensable philosophical point of reference for any genuinely emancipatory project *The Ticklish Subject* Slavoj Zizek, **The Ecopolitics of Consumption** H. Louise Davis, Karyn Pilgrim, Madhudaya Sinha, 2015-12-16 Today s highly industrialized and technologically controlled global food systems dominate our lives shaping our access and attitudes towards food and deeply influencing and defining our identities At the same time these food systems are profoundly and destructively impacting the health of the environment and threatening all of us human and nonhuman who must subsist in ecological conditions of increasing fragility and scarcity This collection examines and exposes the myriad ways that the food systems driven by global commodity capitalism and its imperative of growth at any cost increasingly controls us and conforms us to our roles as consumers and producers This collection covers a range of topics from the excess

of consumers in the post industrial world and the often unacknowledged yet intrinsic connection of their consumption to the growing ecological and health crises in developing nations to topics of surveillance and control of human and nonhuman bodies through food to the deep linkages of cultural values and norms toward food to the myriad crises we face on a global scale

Kierkegaard and Political Theory Armen Avanessian, Sophie Wennerscheid, 2014-11-21 Søren Kierkegaard's radical protestant philosophy of the individual in which a person's leap of faith is favored over general ethics has become a model for many contemporary political theorists. Thinkers such as Slavoj Žižek and Alain Badiou have drawn on its revolutionary spirit to position truth above the constraints of political systems. In *Kierkegaard and Political Theory*, contributors from a wide range of disciplines including theology, sociology, philosophy, and aesthetics examine just how crucial Kierkegaard's anti-institutional thinking has been to such efforts and to modernity as a whole. The contributors convincingly position Kierkegaard's radical philosophy as the starting point for contemporary political theory. They show how he pioneered a modernity defined as an argument, an experience of the impossibility of rationally comprehending a system of thinking. They show how religious and aesthetic experiences function as a response to this impossibility, how their coherence in politics must always be questioned, especially in history's extreme example, totalitarianism. Engaging this and many other subjects, they provide a compelling new line in Kierkegaard studies that illuminates new contours of our political thought. Armen Avanessian is founder of the research platform Speculative Poetics at the Free University Berlin. Sophie Wennerscheid is professor of Scandinavian Studies at the University of Ghent.

Planning Against the Political Jonathan Metzger, Philip Allmendinger, Stijn Oosterlynck, 2014-07-11 This book brings together a number of highly innovative and thought provoking contributions from European researchers in territorial governance related fields such as human geography, planning studies, sociology, and management studies. The contributions share the ambition of highlighting troubling contemporary tendencies where spatial planning and territorial governance can be seen to circumscribe or subvert due democratic practice and the democratic ethos. The book also functions as an introduction to some of the central strands of contemporary political philosophy, discussing their relevance for the wider field of planning studies and the development of new planning practices.

The Lessons of Rancière Samuel A. Chambers, 2012-09-27 Liberal democracy is the name given to a regime that much of the world lives in or aspires to, and both liberal and deliberative theorists focus much of their intellectual energy on working to reshape and perfect this regime. But what if liberal democracy were a contradiction in terms? Taking up Jacques Rancière's polemical claim that democracy is not a regime, Samuel A. Chambers argues that liberalism and democracy are not complementary but competing forces. By way of the most in-depth and rigorous treatment of Rancière's writings to date, *The Lessons of Rancière* seeks to disentangle democracy from liberalism. Liberalism is a logic of order and hierarchy of the proper distribution of responsibilities and rights, whereas democratic politics follows a logic of disordering that challenges and disrupts any claims that the allocation of roles could be complete. This book mobilizes a Rancièrian understanding of politics.

as leverage against the tendency to collapse democracy into the broader terms of liberalism Chambers defends a vision of impure politics showing that there is no sphere proper to politics no protected political domain The job of political theory is therefore not to say what is required in order for politics to occur not to develop ideal normative models of politics and not even to create new political ontologies Instead political theory is itself an enactment of politics in Rancière's sense of dissensus politics thwarts any social order of domination Chambers shows that the logic of politics depends on the same principle as Rancière's radical pedagogy the presupposition of equality Like traditional critical theory traditional pedagogy relies on a model of explanation in which the student is presumed to be blind But what if anyone can understand without additional explanation from a master The Lessons of Rancière uses this pedagogy as a guide to envision a critical theory beyond blindness and to explore a democratic politics beyond liberalism

Towards a Political Anthropology in the Work of Gilles Deleuze Rockwell F. Clancy, 2015-02-27 Political anthropology as the major contemporary importance in Deleuze's work This work explores the significance of two recurring themes in the thought of Gilles Deleuze his critique of psychoanalysis and praise for Anglo American literature Tracing the overlooked influence of English writer D H Lawrence on Deleuze Rockwell Clancy shows how these themes ultimately bear on two competing political anthropologies conceptions of the political and the respective accounts of philosophical anthropology on which they are based Contrary to the mainstream of both Deleuze studies and contemporary political thought Clancy argues that the major contemporary importance of Deleuze's thought consists in the way he grounds his analyses of the political on accounts of philosophical anthropology helping to make sense of the contemporary backlash against inclusive liberal values evident in forms of political conservatism and religious fundamentalism

Legacies of the Surveillance State Clodhna Pierce, 2025-02-19 In an age of invasive technology and mass data collection how can we understand the true impact of surveillance on our lives and communities Legacies of the Surveillance State offers a chilling exploration of two historical surveillance societies East Germany and Northern Ireland during the 1970s and 1980s to provide a unique perspective on the human cost of surveillance Clodhna Pierce delves into the chilling similarities in surveillance tactics used by these ideologically opposed regimes revealing the profound and lasting consequences for those living under constant scrutiny Through a comparative analysis and personal testimonies from those who lived through it Pierce uncovers the mechanisms of control the manipulation of information and the chilling effects on individual liberties and community cohesion This book is a powerful reminder of the importance of vigilance in protecting our freedoms and a must read for anyone concerned about the growing reach of surveillance in our modern world It will appeal to scholars and students of surveillance studies sociology history political science policing and criminology security studies and science and technology studies

Political Theory After Deleuze Nathan Widder, 2012-04-26 Recent political theory has shifted decidedly towards ontology the science of being and thus towards examining fundamental concepts of identity difference space and time This new focus has reinvigorated questions concerning

the nature of power meaning truth and agency inspiring novel approaches to individual and collective subjectivity the emergence of political events and the relationship between desire and politics In this new study Nathan Widder shows how Deleuze s philosophy both inspires and presses beyond political theory s ontological turn Linking his thought to current political theory debates Widder explains how Deleuze s philosophy and ontology of difference are cashed out through a micropolitics of creative and critical experimentation He further demonstrates how Deleuze challenges ideas of identity and the subject that still dominate both political thought and practice today Connecting Deleuze to key figures in both classical and contemporary political philosophy from Plato and Aristotle to Hegel Nietzsche Lacan and Foucault this book will be of interest to students and scholars in political theory philosophy and related disciplines looking to engage the emerging field of Deleuze studies **Theology and the Political** Creston Davis, John Milbank, Slavoj Zizek, 2005-06-17 A reassertion of the importance of theology to political action that goes beyond both liberal democratic theory and neoconservatism

Architecture Against the Post-Political Nadir Lahiji, 2014-05-23 Written by a team of renowned contributors and carefully edited to address the themes laid out by the editors in their introduction the book includes theoretical issues concerning the questions of aesthetics and politics and addresses city and urban strategies within the general critique of the post political By focusing on specific case studies from Warsaw Barcelona Dubai Tokyo and many more the book consolidates the contributions of a diverse group of academics architects and critics from Europe the Middle East and America This collection fills the gap in the existing literature on the relation between politics and aesthetics and its implications for the theoretical discourse of architecture today In summary this book provides a response to the predominant de politicization in academic discourse and is an attempt to re claim the abandoned critical project in architecture **The Question of Political**

Community Jonna Pettersson, 2018-11-15 From discussions on democracy to attempts to widen the scope of citizenship beyond the confines of the nation state Western thinking of the political community has continued to assume a unifying principle of sameness reflected in history space language or reason as the condition of possibility of the community The author assesses how despite attempts to broaden the scope for inclusion and the meaning of political existence contemporary political theory gives rise to new externalities through relying on a notion of the community as predicated on sameness Proceeding normatively and hermeneutically *The Question of Political Community* seeks to divert the thinking of political community from assumptions of calculability unity and boundedness by elaborating a notion of sameness that does not presuppose difference and a notion of difference that does not presuppose identity Through close engagements with texts in contemporary political theory and continental philosophy it is argued that in order to confront the problem of closure and exclusion the question of political co existence needs to be reformulated and relocated so as to grasp the meaning of an incalculable community **An Archaeology of the Political** Elías José Palti, 2017-03-14 In the past few decades much political philosophical reflection has been dedicated to the realm of the political Many of the key figures in contemporary

political theory Jacques Rancière Alain Badiou Reinhart Koselleck Giorgio Agamben Ernesto Laclau and Slavoj Žižek among others have dedicated themselves to explaining power relations but in many cases they take the concept of the political for granted as if it were a given an eternal essence In *An Archaeology of the Political* Elías José Gual argues that the dimension of reality known as the political is not a natural transhistorical entity Instead he claims that the horizon of the political arose in the context of a series of changes that affirmed the power of absolute monarchies in seventeenth century Europe and was successively reconfigured from this period up to the present Gual traces this series of redefinitions accompanying alterations in regimes of power thus describing a genealogy of the concept of the political Perhaps most important *An Archaeology of the Political* brings to theoretical discussions a sound historical perspective illuminating the complex influences of both theology and secularization on our understanding of the political in the contemporary world *Post-Political and its Discontents* Japhy Wilson, 2015-04-29 Our age is celebrated as the triumph of liberal democracy Yet it is also marked by a narrowing of party differences a decline in voter participation a rise in nationalist and religious fundamentalisms and an explosion of popular protests that challenge technocratic governance and the power of markets in the name of democracy itself This book seeks to make sense of this situation by critically engaging with the influential theory of the post political developed by Chantal Mouffe Jacques Rancière Slavoj Žižek and others Through a multi dimensional and fiercely contested assessment of contemporary depoliticization *The Post Political and Its Discontents* urges us to confront the closure of our political horizons and to re imagine the possibility of emancipatory change *Judaism, Liberalism, & Political Theology* Jerome E. Copulsky, Dana Hollander, Eric Jacobson, Gregory Kaplan, Daniel Weidner, Daniel Brandes, Sarah Hammerschlag, Zachary Braiterman, Robert Erlewine, Oona Eisenstadt, Brian Britt, Bruce Rosenstock, 2020-03-04 These essays propose a new and richly detailed engagement between Judaism and the political Jewish Book World *Judaism Liberalism and Political Theology* provides the first broad encounter between modern Jewish thought and recent developments in political theology arguing in opposition to impetuous associations of Judaism and liberalism and charges that Judaism cannot engender a universal political order The vexed status of liberalism in Jewish thought and Judaism in political theology is interrogated with recourse to thinking from across the Continental tradition This collection of essays which examines political theology from the distinct perspective of Jewish philosophy could not be timelier or more useful for scholars and students navigating what is often viewed as very dense and difficult material Claire Elise Katz Texas A M University **Political Perversion** Joshua Gunn, 2020-10-10 When Trump became president much of the country was repelled by what they saw as the vulgar spectacle of his ascent a perversion of the highest office in the land In his bold innovative book *Political Perversion* rhetorician Joshua Gunn argues that this mean spirited turn in American politics of which Trump is the paragon is best understood as a structural perversion in our common culture on a continuum with infantile and gotcha forms of entertainment meant to engender provocation and sadistic enjoyment Drawing on insights from critical theory media ecology and psychoanalysis

Gunn argues that perverse rhetorics dominate not only the political sphere but also our daily interactions with others in person and online From sexting to campaign rhetoric Gunn advances a new way to interpret our contemporary political context that explains why so many of us have difficulty deciphering the appeal of aberrant public figures In this book Trump is only the tip of a sinister rapidly growing iceberg one to which we ourselves unwittingly contribute on a daily basis

International Bibliography of Political Science Compiled by the British Library of Political and Economic Science,2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences

Promises of the Political Erik Swyngedouw,2018-08-28 The possibility of a new emancipatory and democratizing politics explored through the lens of recent urban insurgencies In *Promises of the Political* Erik Swyngedouw explores whether progressive and emancipatory politics is still possible in a post political era Activists and scholars have developed the concept of post politicization to describe the process by which the political is replaced by techno managerial governance If the political domain has been systematically narrowed into a managerial apparatus in which consensual governance prevails where can we find any possibility of a new democratic politics Swyngedouw examines this question through the lens of recent urban insurgencies In Zuccotti Park Paternoster Square Taksim Square Tahrir Square Hong Kong and elsewhere he argues insurgents have gathered to choreograph new configurations of the democratic Swyngedouw grounds his argument in urban and ecological processes struggles and conflicts through which post politicization has become institutionally entrenched He casts the city and nature as emblematic of the construction of post democratic modes of governance He describes the disappearance of the urban polis into the politics of neoliberal planetary urbanization and he argues that the political managerial framing of nature and the environment contributes to the formation of depoliticized governance most notably in the impotent politics of climate change Finally he explores the possibilities for a reassertion of the political considering whether after the squares are cleared the tents folded and everyday life resumes the urban uprisings of the last several years signal a return of the political

The Urban Political Theresa Enright,Ugo Rossi,2017-11-01 This book examines the political and economic trajectories of cities following the 2008 financial crisis The authors claim that in this era which they dub late neoliberalism urban spaces institutions subjectivities and organizational forms are undergoing processes of radical transformation and recomposition The volume deftly argues that the urban political horizon of late neoliberalism is ambivalent marked by many progressive mobilizations for equality and justice but also by regressive forces of austerity exploitation and domination

The Ticklish Subject The Absent Centre Of Political Ontology Introduction

The Ticklish Subject The Absent Centre Of Political Ontology Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Ticklish Subject The Absent Centre Of Political Ontology Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Ticklish Subject The Absent Centre Of Political Ontology : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Ticklish Subject The Absent Centre Of Political Ontology : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Ticklish Subject The Absent Centre Of Political Ontology Offers a diverse range of free eBooks across various genres. The Ticklish Subject The Absent Centre Of Political Ontology Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Ticklish Subject The Absent Centre Of Political Ontology Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Ticklish Subject The Absent Centre Of Political Ontology, especially related to The Ticklish Subject The Absent Centre Of Political Ontology, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Ticklish Subject The Absent Centre Of Political Ontology, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Ticklish Subject The Absent Centre Of Political Ontology books or magazines might include. Look for these in online stores or libraries. Remember that while The Ticklish Subject The Absent Centre Of Political Ontology, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Ticklish Subject The Absent Centre Of Political Ontology eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Ticklish Subject The Absent Centre Of Political Ontology full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Ticklish Subject The Absent Centre Of Political Ontology eBooks, including some popular titles.

FAQs About The Ticklish Subject The Absent Centre Of Political Ontology Books

What is a The Ticklish Subject The Absent Centre Of Political Ontology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Ticklish Subject The Absent Centre Of Political Ontology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Ticklish Subject The Absent Centre Of Political Ontology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Ticklish Subject The Absent Centre Of Political Ontology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Ticklish Subject The Absent Centre Of Political Ontology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
