The Unveiling An Exhaustive Study Of The Book Of Revelation:

The Unveiling Keith Harris,1999-09 Probes areas of revelation not normally ventured by today s theologians *The Return of the King, An Overview of the New Testament (Pt 4)* Bob Evely,2018-04-29 The Return of the King is an overview of the New Testament This is part 4 of 4 parts *Unveiling Eternity* Joy Karanick Roach,2020-09-28 The author untangles a complicated topic and makes it clear and understandable Filled with illustrative charts Unveiling Eternity discloses the events of the end times in a simple chronological and organized manner Written in a conversational voice the author creates a personalized instructional and easy to digest experience for the reader Referenced Scriptures have been written out into the text to prevent cumbersome back and forth searching from the book to the Bible Chapters end with a section called Recommended Activities which serves as a guide for deeper exploration Much more than a book of the end times Unveiling Eternity informs the reader on how to interpret the Scriptures using a scholarly methodology Multiple resources are suggested throughout to aid in further examination of the given focus An excellent foundational yet profound study for those who have little time to perform the vast amount of research needed to grasp this topic **Revelation** Jeff

Ferguson,2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told

The COVENANT BOOK Bruce Taylor,2015-03-30 Finally an understanding of spiritual reality for the non religious The Covenant Book is sure to change the lives of multitudes around the world through a unique and fresh approach to spiritual understanding Bruce Taylor one of today s astute spiritual teachers issues a timely and sobering call back to the understanding of humanity s fallen spiritual state and the Redemption provided to correct it In The Covenant Book Taylor skillfully blends gifted teaching popular culture science and spiritual tutoring 101 into a message revealing the necessity of

profound introspection regarding one's world view and man's eternal destiny. It is a blueprint for life through practical understanding of spiritual reality. It delivers and it does so through exploring the revolutionary way God reveals His Love for Man via a Redemption plan of Grace. Taylor compellingly argues for getting to know God through approaching Him in the way God provides via Covenant and not the usual potpourri of man-made religions. He clearly reveals how the average person who knows nothing about God or religion can grasp the reality of where God is, what He is doing, and how each of us can experience Him in our lives today. Masterfully capturing the nature of God and His dealings with man through a unique behind-the-scenes approach, he provides a fresh view of how God sees man today through love and redemption. It's a message of great hope for humanity.

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07

YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions
