The Theology Of The Gospel Of Luke New Testament Theology

I. Howard Marshall

The Theology Of The Gospel Of Luke New Testament Theology:

The Theology of the Gospel of Luke Joel B. Green, 1995-04-20 The Gospel of Luke often mined for information about the life of Jesus is also one of the earliest Christian examples of narrative theology Unlike some writers of New Testament books Luke has engaged in the theological task by shaping a narrative representation of the coming and mission of Jesus In doing so he goes to great lengths to ground the work of Jesus in the continuing story of God's redemptive plan especially witnessed in the Scriptures and he also emphasises the ongoing character of that story with the result that Luke's audience is challenged to discern the purpose of God in order that they may embrace it and order their lives around it This exploration of the way in which Luke accomplishes his theological task in the first century is both informative and illuminating for contemporary readers seeking approaches to cultural criticism and constructive theology today **A Theology of Luke and Acts** Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology **The Gospel of Luke** I. Howard Marshall, 1978-11-14 Marshall's study of the Gospel of Luke is part of The New International Greek Testament Commentary a series based on the UBS Greek New Testament Each volume provides thorough exegesis on the text that is sensitive to theological themes as well as to the details of the historical linguistic and textual context **Commentary on Luke (Commentary on the New Testament Book #3)** Robert H. Gundry, 2011-11-01 Delve Deeper into God's Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers The Gospel of Luke portrays Jesus preeminently as a model of religious piety moral purity and political innocence and thus as an attractive sympathetic and beneficent Savior of others Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry's Commentary on the New Testament **Reading Luke** Craig G. Bartholomew, Joel B. Green, Anthony C. Thiselton, 2005 In this volume the Scripture and Hermeneutics Seminar brings its work on biblical hermeneutics over the past six years to bear on a specific text namely the Gospel according to Luke **New Testament Theology** I. Howard Marshall, 2010-02-23 I Howard Marshall's New Testament theology guides students with its clarity and its comprehensive vision delights teachers with its sterling summaries and perceptive panoramas and rewards expositors

with a fund of insights for preaching **New Light on Luke** Barbara Shellard, 2004-10-27 This radical new interpretation reveals many connections between Luke and Johannine traditions Comparision of pericopae shared by Luke and John suggests that the usual assumptions of Lukan priority may be mistaken instead his may be chronologically the fourth gospel Luke nevertheless treats his sources in different ways his response being both critical and creative He aims to give security to Christians by including as much as possible and reconciling conflicting traditions while firmly excluding heretical misinterpretation Shellard also includes a consideration of Luke s use of possible sources both canonical and extra canonical and places Luke Acts in its literary context noting among other things the presentation of Rome as a facilitator of evangelization and a promoter of co existence This is volume 215 in the Journal for the Study of the New Testament Supplement series **New Testament Theology** Philip Francis Esler, 2005 Esler s innovative proposal features a cutting edge combination of theology exegesis and social analysis He argues for new thinking about New Testament theology in light of the early social history of Christian communities His detailed analysis of Paul s letters to the Romans and 1 Corinthians validates his thesis and clarifies its significance for scholarship Using both the tradition of the communion of the saints and social scientific methods Esler brings the discipline of New Testament theology back to its theological core He argues that interpreters also need to take into account both the history of interpretation and the multitude of voices within the contemporary church *Studies in the Gospel of Luke* Adelbert Denaux, 2010 This volume offers a collection of Lukan studies by Adelbert Denaux whose preferred field of studies has been the Gospel of Luke for many years The thirteen papers collected in this volume have been delivered in different languages and on different occasions The papers deal with several aspects of Luke s Gospel structure Old Testament influence theology and christology Luke and Q language and style and individual passages Adelbert Denaux 1938 Professor emeritus New Testament at the K U Leuven is actually Dean of the Tilburg School of Theology the Netherlands 2007 **A Biblical-Theological Introduction to the New Testament** Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight Luke: Historian and Theologian I. Howard Marshall, 1970 The writings of Luke Luke Acts comprise over 28% of the whole New Testament even more than the extensive writings of his friend and companion Paul whose letters account for almost exactly a further 25% This fact alone emphasizes the vital importance of the Lukan corpus to a true understanding of the doctrine as well as the history of apostolic times There has been a growing awareness of the qualities of Luke as a historian and in this book Dr Marshall demonstrates that Luke s theology which he summarizes as the

theology of salvation is at least of equal stature and importance with his carefully compiled history Back cover **The New Testament** W. R. Telford, 2014-01-09 The New Testament writings are the foundational documents of early Christianity But to fully understand them we need a broad historical awareness of the wider social economic political and religious context that produced them Exploring the transition from an oral to a written tradition this fascinating primer depicts the growth of the early church amid the Roman and Hellenistic Empires Focusing on the composition and content of the Synoptic Gospels those of Matthew Mark and Luke W R Telford furnishes the reader with an appreciation of the methods contemporary scholars apply to the Gospels and also offers an assured in depth guide to the texts themselves Broaching difficult questions about the differing accounts of Jesus life that the New Testament has left us this is an invaluable starting point for anyone looking to understand the roots of Christianity *The Gospel According to Luke, Part One* Michael F Patella, 2018-08-27 The Gospel of Luke demonstrates the universal nature of Jesus mission and the compassion of God Part One of this study includes Luke 1 1 11 54 taking the reader from the infancy narratives of John the Baptist and Jesus to their births and then to the Galilean ministry of Jesus Commentary study and reflection questions prayers and access to online lectures are included 6 lessons **The New Testament Today** Mark Allan Powell, 1999-01-01 This volume offers the collective insight of eleven scholars who represent the spectrum of New Testament studies Their expert commentaries make this book an invaluable resource for both the seasoned researcher and the beginning student *A Biblical Theology of Water* Eric R. Waller, 2024-05-30 Water It s in nearly every book of the Bible The world was made from water and was flooded by it People were both killed and saved by it Life requires water It was in Eden and will be in the New Jerusalem Moses David and most of the Old Testament prophets spoke about it as did Jesus Peter and John So why has no one yet figured out what all this water talk is about God is revealing something exciting using water as his means of communication In this book nearly all the uses of water throughout the Bible have been examined and organized into common categories The mentions of water have ramifications for other major biblical teachings such as on the work of the Holy Spirit salvation and baptism This work unveils something that has remained hidden to most until now a biblical theology of water **New Testament Theology** Leon Morris, 2011-03-01 This work is not a history of New Testament times nor an account of New Testament religion Nor does it proceed from a view that the New Testament was written as theology We must bear in mind that the writers of the New Testament books were not writing set theological pieces They were concerned with the needs of the churches for which they wrote Those churches already had the Old Testament but these new writings became in time the most significant part of the Scriptures of the believing community As such they should be studied in their own right and these questions should be asked What do these writings mean What is the theology they express or imply What is of permanent validity in them We read these writings across a barrier of many centuries and from a standpoint of a very different culture We make every effort to allow for this but we never succeed perfectly In this book I am trying hard to find out what the New Testament authors

meant and this not as an academic exercise but as the necessary prelude to our understanding of what their writings mean for us today From the Introduction Salvation in the New Testament Jan G. van der Watt,2005-11-01 Salvation in the New Testament offers an analysis of the soteriological perspectives and language of the different books of the New Testament Special attention is given to the imagery used in expressing soteriological ideas Salvation deals with becoming part of the people of God In Salvation in the New Testament special attention is given to the nature and power of the salvific language used in the New Testament to express the dynamics of salvation Individual articles on the different books of the New Testament highlight the diverse perspectives offered in these documents The emphasis especially falls on the different images and metaphors which were used to express the event and moment of salvation rather than on the results ethics or behaviour of salvation An overview of the different perspectives on soteriology in the New Testament offers the opportunity to compare similarities and differences in concepts and expressions It also illustrates the dynamic interaction between historical situations and salvific language and expression Luke : 2 Volumes (Baker Exegetical Commentary on the New Testament) Darrell L. Bock,1996-07-01 This informative balanced commentary includes extensive introductory notes and a comprehensive discussion of the text An outstanding addition to any academic pastoral or student library An Introduction to the New Testament Charles B. Cousar,2006-01-01 Written by prominent professor and skilled interpreter Charles Cousar An Introduction to the New Testament provides a concise overview of the content and purpose of the books of the New Testament within the context of the church s early development This cogent introduction gives serious attention to the history of earliest Christianity but always returns to the texts theological meaning and significance highlighting the relevance of these books for the church today **The Gospel of Luke** Joel B. Green,1997-10-02 This highly original commentary part of the New International Commentary is unique for the way it combines concerns with first century culture in the Roman world with understanding the text of Luke as a wholistic historical narrative

While this might not be the The Theology Of The Gospel Of Luke New Testament Theology full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Theology Of The Gospel Of Luke New Testament Theology eBooks, including some popular titles.

FAQs About The Theology Of The Gospel Of Luke New Testament Theology Books

What is a The Theology Of The Gospel Of Luke New Testament Theology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Theology Of The Gospel Of Luke New Testament Theology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Theology Of The Gospel Of Luke New Testament Theology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Theology Of The Gospel Of Luke New Testament Theology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Theology Of The Gospel Of Luke New Testament Theology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions

when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
