The Three Way Tavern Selected Poems:

The Three Way Tavern Ūn Ko, 2006 A selection of translations of the poetry of the most well known Korean poet of the twentieth century His writing is influenced by Zen Buddhism the Korean War and his own political activism *Faith in Verse* Philipp Reisner, 2025-11-13 Examining the profound influence of biblical themes on contemporary poetry written in English this book explores the work of Brooks Haxton Suji Kwock Kim Kevin Hart and Li Young Lee Going beyond a mere examination of literary works it considers how the presence of biblical references shapes and transforms contemporary Anglo American poetry in unique and compelling ways It argues that these poets engagement with the biblical text transcends spirituality and cultural identity to constitute a form of theology deeply rooted in specific denominational concerns situating the poets in relation to Romantic and Modernist antecedents and addressing the cyclical political and poetic dimensions of their work *The Idealist* Nicholas Jose, 2023-09-01 NEW WORK BY CELEBRATED NOVELIST AND ESSAYIST NICHOLAS JOSE SET AGAINST THE TURMOIL OF THE INDEPENDENCE MOVEMENT IN EAST TIMOR Set in Australia East Timor and Washington in the lead up to the independence referendum in East Timor in 1999 *The Idealist* is a novel which explores the entanglement of private and public life It is a political mystery the portrait of a marriage a reflection on friendship and a study of a personality as it breaks down under pressure Jake an Australian defence analyst is torn between his support for the people of East Timor whose commitment to independence in the face of mounting violence he has experienced personally and his sense of responsibility for and complicity in the actions of his government When he is found dead in the garage of his Washington home after passing secret intelligence to his American counterpart his wife Anne wants justice The narrative is told from changing perspectives moving through time and memory in search of what really happened It is a story above all about the formation necessity and human cost of idealism **Korea: Outline of a Civilisation** Kenneth M. Wells, 2015-06-29 This outline of Korea s civilisation is a cultural history that examines the ways the Korean people over the past two millennia understood the world and viewed their place in society In the traditional era the interaction between several broad religious and philosophical traditions and social institutions state interests and at times external pressures provides the framework of the story In the modern era the chief concern is with the rapid and momentous cultural changes that have occurred over the past one and a half centuries in the idea and spread of education the rise in influence of students the development of mass culture the redefinition of gender and the continuing importance of religion **Selected Poems and Letters of Keats** John Keats, Robert Gittings, 1995 Includes poems set by AQA OCR WJEC and Edexcel at A level Age 16 Recommended on BBC 4 s A Good Read *Collected Poems: New poems* Alfred Noyes, 1920 *Selected Poems* of Wilmot of Rochester, 2013-03-14 If I by miracle can be This livelong minute true to thee Tis all that heav n allows The Earl of Rochester was England s first celebrity poet a byword for the theatricality licentiousness and scepticism of the Restoration age But his scandalous reputation belies the variety and sophistication of his work his love poems set new standards not only

of sexual explicitness but also of psychological acuity and lyric grace while his satires broke new ground as much by the refinement of their ironies as in the brutality of their invective A fascinatingly contradictory figure Rochester emerges more clearly than ever from this new edition the first selection of his work in modern spelling to take account of recent revolutionary advances in textual scholarship It includes only poems now securely attributed to the poet in texts based not on the posthumous and unreliable printed editions but on the most authoritative manuscripts which circulated in his lifetime

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
