The Torah And Its God A Humanist Inquiry:

The Torah and Its God Jordan Jay Hillman, 2001 This detailed examination of the Torah the first five books of the Bible lays particular emphasis on the role and character of the Torah's transcendent God as its central protagonist Viewing both the Torah and its God as purely human creations humanist Jordan Jay Hillman seeks in no way to devalue this hugely influential book His aim instead is to reinterpret it as a still vital text that used theistic means appropriate to its time to inspire a people toward their worthiest human purposes It is thus for its timeless themes rather than its dated particularities including its model of a transcendent God that we should honor the Torah in our time as both the wellspring of Judaic culture and a major influence on Christian and Islamic ethics and morals From his humanist perspective and his background as a lawyer and professor of law at Northwestern University now emeritus Hillman offers many insights into the narrative and wide ranging legal code of Genesis Exodus Leviticus Numbers and Deuteronomy including their many contradictions and anomalies His analysis draws on a broad scholarly consensus regarding the Documentary Theory as it bears on the identities and periods of the Torah's human sources This thorough explication of an often misunderstood ancient text will help humanists and many theists alike to appreciate the rich moral ethical and cultural heritage of the Torah and its enduring relevance to our time

Society for Old Testament Study Booklist 2003 George J. Brooke, 2003-03-06 The Book List provides short reviews of up to 500 books a year It includes publications not only on the Old Testament directly but also on many related areas including archaeology epigraphy Hebrew and related Semitic languages especially Northwest Semitic relevant ancient Near Eastern history and literature the Hellenistic world early Judaism and social anthropology The main value of the Book List is its comprehensiveness and its immediacy in that it is usually among the first periodicals to review a book

Humanistic Judaism, 2005 Humanism in Talmud and Midrash Samuel Tobias Lachs, 1993 This study presents material from the Talmud and Midrash which have one characteristic in common they reflect an anthropocentric rather than a theocentric view of the world

The Rational Bible: Exodus Dennis Prager, 2018-04-02 A national bestseller Why do so many people think the Bible the most influential book in world history is outdated Why do our friends and neighbors and sometimes we ourselves dismiss the Bible as irrelevant irrational immoral or all of these things This explanation of the Book of Exodus the second book of the Bible will demonstrate that the Bible is not only powerfully relevant to today's issues but completely consistent with rational thought Do you think the Bible permitted the trans Atlantic slave trade You won't after reading this book Do you struggle to love your parents If you do you need this book Do you doubt the existence of God because belief in God is irrational This book will give you reason after reason to rethink your doubts The title of this commentary is The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone As Prager says If something I write does not make rational sense I have not done my job The Rational Bible is the fruit of Dennis Prager's forty years of teaching the Bible to people of every faith and no faith On virtually every page you

will discover how the text relates to the contemporary world and to your life His goal to change your mind and then change your life

Index *Philosophy of Religion and the African American Experience* John H. McClendon III,2017-07-03 Most white philosophers of religion generally presume that philosophy of religion is based on what is a false universality whereby the white Western experience is paradigmatic of humanity at large The fact remains that Howard Thurman James H Cone and William R Jones among others have produced a substantial amount of theological work quite worthy of consideration by philosophers of religion Yet this corpus of thought is not reflected in the scholarly literature that constitutes the main body of philosophy of religion Neglect and ignorance of African American Studies is widespread in the academy By including chapters on Thurman Cone and Jones the present book functions as a corrective to this scholarly lacuna

In the digital age, access to information has become easier than ever before. The ability to download The Torah And Its God A Humanist Inquiry has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Torah And Its God A Humanist Inquiry has opened up a world of possibilities. Downloading The Torah And Its God A Humanist Inquiry provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Torah And Its God A Humanist Inquiry has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Torah And Its God A Humanist Inquiry. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Torah And Its God A Humanist Inquiry. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Torah And Its God A Humanist Inquiry, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download The Torah And Its God A Humanist Inquiry has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
